The book "Letters to a Young Brother: MANifest Your Destiny (Paperback)" is a compelling book that I think all young men should read. What I like about this book is that it spoke the truth, even though it was published in 2006 the problems that youths and young brothers are facing are still going on today four years later.

A guide to becoming empowered in today's world addresses a wide range of topics, from establishing a unique identity and confronting racism and sexism to engaging in responsible relationships with the opposite sex and managing finances.

A guide to becoming empowered in today's world addresses a wide range of topics, from establishing a unique identity and confronting racism and sexism to engaging in responsible relationships with the opposite sex and managing finances.

The film and television star draws on personal experiences to present a series of motivational letters that explores such topics as the value of a good education and the media's inappropriate emphasis on material wealth.

From YouTube Star Anna Akana comes a collection of personal essays about everything from self-esteem and friendship to sex and career decisions. In 2007, Anna Akana lost her teen sister, Kristina, to suicide. In the years that followed, Anna realized that the one thing that helped her process her grief and begin to heal was comedy. So, she turned to stand-up comedy and YouTube as a form of creative expression. Now she relays the hard-won advice she herself could have used when she was younger. Tackling everything from falling in love to becoming financially independent to staying safe on the Internet, she opens up about mistakes she made when she was a teenager and what young women everywhere can learn from her.

Now in paperback: the New York Times bestselling book of inspirational advice and wisdom for young women from the powerhouse public speaker, star of CSI: NY, and bestselling author of Letters to a Young Brother * Does life sometimes seem so much harder for girls? * Do you ever feel insecure, pressured, or confused? * Do you wish you had someone to give you honest advice on topics like boys, school, family, and pursuing your dreams? * Do you want to make a positive impact on the world, but don't even know how to begin? In the follow-up to his award winning national bestseller, Letters to a Young Brother, actor and star of CSI: NY shares powerful wisdom for young women everywhere, drawing on the courageous advice of the female role models who transformed his life. Letters to a Young Sister unfolds as a series of letters written by older brother Hill to a universal young sister. She's up against the same challenges as every young woman: from relating to her parents and dealing with peer pressure, to juggling schoolwork and crushes and keeping faith in the face of heartache. Hill offers guidance, encouragement, personal stories, and asks his female friends to help answer some truly tough questions. Every young sister needs to know that it's okay to dream big and to deFINE her own destiny. This is a book that will educate, uplift and inspire. Including original contributions from: Michelle Obama * Angela Basset * Ciara * Tatyana Ali * Eve * Malinda Williams * Chanel Iman * Kim Porter * and many more.

Jeanne (JJ) Tucker wants to change the world, and she's doing it one word of wisdom at a time! In this inspirational collection of seventy-two letters based on scripture, you'll be encouraged to use the powerful promises of God's Word to pursue healing and breakthrough and get those long-awaited answers to prayer. Letters to My Sister may have started as correspondence with a female friend, but its wisdom is for everyone—male or female, seasoned believer or brand-new Christian. If you haven't been living for God, that's OK. You'll find instructions to get back on track! And for devout followers, you might just increase your biblical knowledge or learn to help others find their own way back to God. The letters cover a variety of topics, but all are relevant and uplifting. Whether you want to lean in to the understanding that "You Can Speak Life over Yourself" or bask in the knowledge that "God Is Able," this book will help you do it. Learn to seek God's face and rest in his awesome presence through this homage to the delightful pastime of letter writing designed to bless others and bring glory to God.

Dear Sister, It wasn't your fault; it was never your fault. You did nothing wrong. Hold this tight to your heart: it wasn't your fault. At night when you lay there and your mind fills with images and you wonder if only, if you had . . . if you hadn't . . . Remember: it wasn't your fault. Dear Sister highlights the lessons, memories, and vision of over forty artists, activists, mothers, writers, and students who share a common bond: they are survivors of sexual violence. Written in an epistolary format, this multi-generational, multi-ethnic collection of letters and essays is a moving journey into the hearts and minds of the survivors of rape, incest, and other forms of sexual violence, written directly to and for other survivors. Dear Sister goes far beyond traditional books about healing, which often use "experts" to explain the experience of survivors for the rest of the world. Where other books about rape weave the voices of feminists and activists together and imagine what a world without violence might look like, Dear Sister describes the reality of what the world looks like through the eyes of a survivor. From a professor in the Midwest to a poet in Belgium, an escapee from a child prostitution ring, a survivor advocate in the Congo, and a sex worker in San Francisco, Dear Sister touches on issues of feminism, love, disability, gender, justice, identity, and spirituality. Lisa Factora-Borchers is a Filipina writer and editor whose work has been published in *make/shift*, *Bitch*, *Left Turn*, and *Critical Moment*. This biography of Vincent van Gogh's sisters tells the fascinating story of the lives of these women whose history has largely been neglected. Many people are familiar with the life and art of Vincent van Gogh, and his extensive correspondence with his brother Theo. But their sisters—Ana, Lies, and Wil van Gogh—have gone overlooked until now. In this compelling group biography based on extensive primary resources, art historian Willem-Jan Verlinden brings Vincent's three sisters into the spotlight. At a time when the feminist movement was beginning to take root and idealists were clamoring for revolution, the Van Gogh sisters recorded their aspirations and dreams, their disappointments and grief. Based on little-known correspondence between the sisters, this fascinating account of these remarkable women captures a moment of profound social, economic, and artistic change. With great clarity and empathy, *The Van Gogh Sisters* relates the sisters' intimate discussions of art, poetry, books, personal ambitions, and employment. Their story will resonate with readers and broaden understandings of Vincent van Gogh's childhood. Set against the backdrop of a turbulent period in nineteenth-century history, this story sheds new light on these impressive women, deepening our understanding of this unique and often troubled family.

Letters To My Sister is a softcover, blank lined journal you can use to write letters to your sister. Give this book to your sister when she turns eighteen, starts her career, gets married or when she goes through a difficult period in her life Or maybe just write down the things you always wanted to say.
