Lewiston, a mill town of about thirty-six thousand people, is the second-largest city in Maine. It is also home to some three thousand Somali refugees. After initially being resettled in larger cities elsewhere, Somalis began to arrive in Lewiston by the dozens, then the hundreds, after hearing stories of Maine ' s attractions through family networks. Today, cross-cultural interactions are reshaping the identities

Download File PDF Lewis Ton My Story

of Somalis—and adding new chapters to the immigrant history of Maine. *Somalis in Maine* offers a kaleidoscope of voices that situate the story of Somalis' migration to Lewiston within a larger cultural narrative. Combining academic analysis with refugees' personal stories, this anthology includes reflections on leaving Somalia, the experiences of Somali youth in U.S. schools, the reasons for Somali secondary migration to Lewiston, the employment of many Lewiston Somalis at Maine icon L. L. Bean, and community dialogues with white Mainers. *Somalis in Maine* seeks to counter stereotypes of refugees as being socially dependent and unable to assimilate, to convey the richness and diversity of Somali culture, and to contribute to a greater understanding of the intertwined futures of Somalis and Americans.

In the tradition of *Friday Night Lights* and *Outcasts United*, *ONE GOAL* tells the inspiring story of the soccer team in a town bristling with racial tension that united Somali refugees and multi-generation Mainers in their quest for state--and ultimately national--glory. When thousands of Somali refugees resettled in Lewiston, Maine, a struggling, overwhelmingly white town, longtime residents grew uneasy. Then the mayor wrote a letter asking Somalis to stop coming, which became a national story. While scandal threatened to subsume the town, its high school's soccer coach integrated Somali kids onto his team, and their passion began to heal old wounds. Taking readers behind the tumult of this controversial team--and onto the pitch where the teammates vied to become state champions and achieved a vital sense of understanding--*ONE GOAL* is a timely story about overcoming the prejudices that divide us.

Fall in love with Lucky! This amazing hardcover picture book

Download File PDF Lewis Ton My Story

is a true story about Lucky, a little puppy that only Christy Gardner, an Army Veteran who has two prosthetic legs, saw potential in. He was a little puppy born with an unusual front leg. Others saw him with a flaw, Christy saw him with lots of love to give. She was already training puppies to become service/therapy dogs. The story of Lucky is that of a special puppy with an incredible personality and a special mission. Who knows what his fate would have been if Christy had not given him a helping hand? You see, Lucky was a puppy that no one wanted to care for. Christy immediately felt a connection with him. Read how Christy and her service dog, Moxie, took Lucky into their home. He will warm your heart and put a smile on your face. Moxie teaches Lucky that he can do things like other puppies can, he just has to figure out his own way. This story is about anti-bullying, and that being different is ok, and to never, never give up...happy trails!

"The book Frontier to industrial city told Lewiston's story from settlement through town government to status as a city. Here [the author] picks up the story with the Civil War and the boomtown conditions brought on by construction of the textile mills and resulting rapid population growth"--Back cover.
