This exploration shows how natural forces affect our behavior, how they can be used to enhance our health and well being, and ultimately, how they bring us closer to penetrating one of the deepest mysteries being explored.

In my book, I offer some rare insights into the special association that can exist between ourselves, Ley Lines and Earth Energies, along with the Electromagnetic Dimensions and Entities which surround us. Using comparative linguistics and early historical records, I reveal many discoveries of long, lost wisdom concerning man's relationship with the planet he inhabits. To find the truth these days is extremely difficult - the truth about our former way of life that is ... and my revelations about this might truly surprise the reader!

Since the Stone Age our ancestors have tapped into the natural energies of the planet, building stone circles, standing stones, pyramids and temples in a highly evolved and brilliantly executed network of energy centers around the world. Thousands of years later, this ancient knowledge was brutally suppressed by the early Catholic church and ignored by science. But it still lingered on, kept by such secret societies as the Knights Templar and the Masons, who designed buildings and whole cities incorporating this esoteric knowledge, hidden in plan view. Here, Cowan brings together his own extensive work with the findings of other researchers, and reveals his discovery that the energy lines emanate from volcanic sources that spew out natural telluric energies in all directions, like the spokes of a wheel! Chapters include: Megalithic Engineering;

Across the world, sacred sites are linked together by mysterious alignments on the landscape. In the British Isles these links have come to be known as Ley Lines. First discovered in ancient times by the legendary Alfred Watkins, who first coined the term, they have been rigorously studied over the last fifty years. This revised and updated edition of the book by Danny Sullivan is the classic, comprehensive guide to the subject.

Do ancient maps prove that the planet was surveyed 12,000 years ago? Were the poles once in a different position to where they are today? Is there a secret pattern joining the great sites of antiquity? In this revolutionary little book, ancient sites expert Hugh Newman outlines various theories concerning geometry in the distribution of sacred sites on Earth and comes to some startling conclusions. Illustrated throughout with fantastic graphics, this book will change your world. WOODEN BOOKS are small but packed with information. "e;Fascinating"e; FINANCIAL TIMES.
