She knew the story of her life: her cries, her coos, her first words. It was only when Sophie's husband accused her of giving birth to another man's baby that she went for paternity tests and discovered that her husband was right (sort of). The baby, then aged 10, wasn't his, but she wasn't Sophie's either. She belonged to another set of parents, who had been raising Sophie's ...

Life Story is a tale of survival, laying bare the extraordinary journey animals must make to achieve life's goal – to continue their bloodline. Whether learning new skills, finding a mate or protecting their young, everything they do is a way of meeting a particular challenge to that goal. Extreme circumstances can lead to extreme solutions. Discover how sharks help albatross chicks learn to fly, or why some chimps solve survival problems by making spears. Learn about the extraordinary construction skills of fish and the seduction arts of birds. Witness the devotion of mothers, the gang life of juveniles and the shocking tactics some animals use to eliminate their rivals. Packed with stunning photographs and spectacular stills from the landmark BBC series, Life Story is an unforgettable portrait of the natural world's most dramatic moments.

Earth takes center stage in this updated version of Virginia Lee Burton's 1962 classic Life Story. Told through five acts, Burton's art and text tell the history of earth from beginning to present day. Readers will gain an in-depth understanding of the planet's history and their leading roles in it today. The ebook has been updated with cutting-edge science, including up-to-the-minute information on fossil records and the geologic principles.

With 200 thought-provoking and lighthearted writing prompts and exercises organized into chapters based on life stages, My Life Story gets you started on your life's memoir and allows you to create a fully realized record of your adventures.

Supreme Court Justice Sonia Sotomayor tells her own story for young readers for the very first time! As the first Latina Supreme Court Justice, Sonia Sotomayor has inspired young people around the world to reach for their dreams. But what inspired her? For young Sonia, the answer was books! They were her mirrors, her maps, her friends, and her teachers. They helped her to connect with her family in New York and in Puerto Rico, to deal with her diabetes diagnosis, to cope with her father's death, to uncover the secrets of the world, and to dream of a future for herself in which anything was possible. In *Turning Pages*, Justice Sotomayor shares that love of books with a new generation of readers, and inspires them to read and puzzle and dream for themselves. Accompanied by Lulu Delacre's vibrant art, this story of the Justice's life shows readers that the world is full of promise and possibility--all they need to do is turn the page. Praise for *Turning Pages*: \* "A sincere and insightful autobiography that also demonstrates the power of the written word. A winning addition to libraries that serve young readers." --School Library Journal, starred review "A personal and appealing book made to inspire." --Booklist "A thoughtful introduction to both the power of reading and an inspiring role model." --Kirkus Reviews "This book would be great as a read-aloud for class discussions of the Supreme Court, or United States government, or of important people in public service. It would also be good for independent reading by students interested in biographies or political figures." --School Library Connection

The volume includes a glossary of terms, a timeline of important events, and a selected bibliography of useful resources for further information.

It has long been argued that 'an age of biography is upon us'; certainly the life-story now has a well-recognised role as a key resource in social research. This book is the first to offer a comprehensive and practical guide to carrying out.

This grandparent's memory journal takes you on a journey that will become a cherished family memoir. Designed in a 12-month format, each month features 12 intriguing questions with space to write a personal answer. Questions explore family history, childhood memories, lighthearted incidents, cherished traditions, and the dreams and spiritual adventures encountered in a lifetime of living. The written words become windows to a grandparent's heart.

The National Book Award-winning coming-out memoir. "One of the most complex, moral, personal, and political books to have been written about gay life" (LA Weekly). Paul Monette grew up all-American, Catholic, overachieving . . . and closeted. As a child of the 1950s, a time when a kid suspected of being a "homo" would routinely be beaten up, Monette kept his secret throughout his adolescence. He wrestled with his sexuality for the first thirty years of his life, priding himself on his ability to "pass" for straight. The story of his journey to adulthood and to self-acceptance with grace and honesty, this intimate portrait of a young man's struggle with his own desires is witty, humorous, and deeply felt. Before his death of complications from AIDS in 1995, Monette was an outspoken activist crusading for gay rights. *Becoming a Man* shows his courageous path to stand up for his own right to love and be loved. This ebook features an illustrated biography of Paul Monette including rare images and never-before-seen documents from the Paul Monette papers of the UCLA Library Special Collections.
