Both of these Class 8 NCERT Textbooks of English are equally important to get good marks in class 8. We have provided you with NCERT Solutions of NCERT Class 8 English Textbooks...

The book that inspired the major new motion picture *Mandela: Long Walk to Freedom*. Nelson Mandela is one of the great moral and political leaders of our time: an international hero whose lifelong dedication to the fight against racial oppression in South Africa won him the Nobel Peace Prize and the presidency of his country. Since his triumphant release in 1990 from more than a quarter-century of imprisonment, Mandela has been at the center of the most compelling and inspiring political drama in the world. As president of the African National Congress and head of South Africa's anti-apartheid movement, he was instrumental in moving the nation toward multiracial government and majority rule. He is revered everywhere as a vital force in the fight for human rights and racial equality. *LONG WALK TO FREEDOM* is his moving and exhilarating autobiography, destined to take its place among the finest memoirs of history's greatest figures. Here for the first time, Nelson Rolihlahla Mandela tells the extraordinary story of his life--an epic of struggle, setback, renewed hope, and ultimate triumph.

A thorough and incisive introduction to contemporary India The story of the forging of India, the world's largest democracy, is a rich and inspiring one. This volume, a sequel to the best-selling *India's Struggle for Independence*, analyses the challenges India has faced and the successes it has achieved, in the light of its colonial legacy and century-long struggle for freedom. The book describes how the Constitution was framed, as also how the Nehruvian political and economic agenda and basics of foreign policy were evolved and developed. It dwells on the consolidation of the nation, examining contentious issues like party politics in the Centre and the states, the Punjab problem, and anti-caste politics and untouchability. This revised edition offers a scathing analysis of the growth of communalism in India and the use of state power in furthering its cause. It also documents the fall of the National Democratic Alliance in the 2004 General Elections, the United Progressive Alliance's subsequent rise to power and the Indo-US Nuclear Deal that served to unravel the political consensus at the centre. Apart from detailed analyses of Indian economic reforms since 1991 and wide-ranging land reforms and the Green Revolution, this new edition includes an overview of the Indian economy in the new millennium. These, along with objective assessments of Jawaharlal Nehru, Indira Gandhi, Jayaprakash Narayan, Lal Bahadur Shastri, Rajiv Gandhi, Vishwanath Pratap Singh, Atal Bihari Vajpayee and Manmohan Singh, constitute a remarkable overview of a nation on the move.

Case studies of economically disadvantaged children and their labor in different Indian industries.

This book explores how the transnational Education for Sustainable Development (ESD) policy is being translated into formal school education in India. Stephanie Leder investigates the ESD's transformative potential for pedagogic practice and builds a set of principles for how the global objectives of the ESD can be interpreted in diverse socio-cultural contexts. Her approach for transformative pedagogic practice emphasizes the promotion of a critical consciousness through argumentation skills. Using the case of water conflicts in geography education in India, the book reveals the contradictions between ESD objectives and curricula, syllabi, textbooks and classroom teaching at secondary schools in Pune, Maharashtra. Leder's approach demonstrates how principles of schooling can be altered towards learner-centered, problem-posing and network-thinking teaching approaches to empower students towards reflective decision-making on the sustainable use of natural resources.

Some Special Features of Oswaal NCERT Solutions are: • Chapter-wise & Topic-wise presentation • Chapter Objectives—A sneak peek into the chapter • Mind Map: A single page snapshot of the entire chapter • Quick Review: Concept-based study material • Tips & Tricks: Useful guidelines for attempting each question perfectly • Some Commonly Made Errors: Most common and unidentified errors made by students discussed • Expert Advice - Oswaal Expert Advice on how to score more! • Oswaal QR Codes- For Quick Revision on your Mobile Phones & Tablets • All MCQs with explanation against the correct option • Some important questions developed by 'Oswaal Panel' of experts
