Interest in Johannes Bobrowski (1917-1965) has suffered from an impression of the complexity of his works and of the narrowness of his focus: on 'The Germans and their Eastern European neighbours'. The current study re-examines aspects of Bobrowski's 'Sarmatian' works, especially their chronological development, but places them within the wider context of the whole of his oeuvre. It looks at the long period of development before he discovered his 'theme' in the early 1950s and examines his development after Sarmatische Zeit and Schattenland Ströme, seeing the volume Wetterzeichen as moving increasingly away from the past and towards more contemporary issues. His short stories and novels are related to the issues confronting him in East Germany and develop increasingly into responses to immediate poetic and social problems. Far from being a remote and backward orientated 'Sarmatian', Bobrowski emerges as a writer attempting to communicate with a society which, he felt, threatened to ignore basic human needs and aspirations. The study makes use of material from Bobrowski's Nachlaß to present a figure looking for and offering patterns for orientation in his East German society, but with renewed relevance for post-unification Germany.

In dieser Sammlung von Gedichten, Artikeln und Prosatexten nimmt der Autor die Leser mit auf eine gedankenregende Reise zwischen Krieg, Religion und Politik. Er drückt seine Verwunderung über die Ignoranz der Menschen und die Intoleranz der Völker aus, sowie über die gescheiterte Republik und das politische Marionettenspiel in der Zeit nach dem ersten Weltkrieg. Dabei bringt er deutlich die Liebe zu seinem Heimatland Deutschland zum Ausdruck. Tucholsky möchte den Lesern einen realistischen Zukunftsblick gewähren und sie zum Nachdenken anregen. Der politisch engagierte Journalist und Schriftsteller Kurt Tucholsky wurde am 09.01.1890 in Berlin geboren, er schrieb unter vier verschiedenen Pseudonymen: Peter Panter, Ignaz Wrobel, Theobald Tiger und Kaspar Hauser. Bis heute zählt er zu den bedeutendsten Publizisten der Epoche der Weimarer Republik. Als gesellschaftskritischer Satiriker, Lyriker und Autor machte er sich in der Schriftellerszene nach dem ersten Weltkrieg einen großen Namen. Wie sein Vorbild, Heinrich Heine, versuchte Tucholsky über viele Jahre, das gegenseitige Verständnis von Deutschen und Franzosen zu fördern. Kurt Tucholsky verstarb am 21.12.1935 in Göteborg.
