A New York Times bestselling series A USA TODAY bestselling series A California Young Reader Medal-winning series Dark schemes unfold and Sophie's loyalty is pushed to the limit in this thrilling fifth book in the Keeper of the Lost Cities series. Sophie Foster is back in the Lost Cities—but the Lost Cities have changed. The threat of war hangs heavy over her glittering world, and the Neverseen are wreaking havoc. The lines between friend and enemy have blurred, and Sophie is unsure whom to trust. But when she's warned that the people she loves most will be the next victims, she knows she has to act. A mysterious symbol could be the key—if only she knew how to translate it. Every new clue seems to lead deeper into her world's underbelly and the Black Swan aren't the only ones who have plans. The Neverseen have their own Initiative, and if Sophie doesn't stop it, they might finally have the ultimate means to control her.

This all-inclusive guide contains a wealth of information you'll need to practice successfully in this area of law. Annual updates ensure that The Lawyer's Guide to the Texas Deceptive Trade Practices Act is the most up-to-date compilation of research on this subject. Recent decisions emphasize the wide range of remedies available under the Act, including the award of attorneys' fees. The Lawyer's Guide to the Deceptive Trade Practices Act is the most thorough reference of its kind. A few of the many topics covered include: • "Incidental" versus "intended" beneficiaries • How the Act applies to a "personal injuries" claim • Liability of, and defenses available to, "professionals" • Availability of damages for "economic loss" and "mental anguish" • Multiple damages for conduct found to be committed "knowingly" or "intentionally" • The Texas Residential Construction Commission Act (RCCA) and the Residential Construction Liability Act (RCLA) and their relation to the Texas DTPA • Class action suits, warranties, settlement and attorneys' fees. After consulting The Lawyer's Guide to the Texas Deceptive Trade Practices Act, complexities related to the Act become understandable. Your consumer law practice will benefit from clear, concise explanations of the law. The guide contains useful legal analysis as well as functional practice advice to steer your Texas consumer law practice toward success.

Complete with a state-by-state analysis of the ways in which the class action rules differ from the Federal Rule of Civil Procedure 23, this comprehensive guide provides practitioners with an understanding of the intricacies of a class action lawsuit. Multiple authors contributed to the book, mainly 12 top litigators at the premiere law firm of Fulbright and Jaworski, L.L.P.

The Astrophotography Manual, Second Edition is for photographers ready to move beyond standard SLR cameras and editing software to create beautiful images of nebulae, galaxies, clusters, and the stars. Beginning with a brief astronomy

primer, this book takes readers through the full astrophotography process, from choosing and using equipment to image capture, calibration, and processing. This combination of technical background and hands-on approach brings the science down to earth, with practical methods to ensure success. This second edition now includes: Over 170 pages of new content within 22 new chapters, with 600 full-color illustrations. Covers a wide range of hardware, including mobile devices, remote control and new technologies. Further insights into leading software, including automation, Sequence Generator Pro and PixInsight Ground-breaking practical chapters on hardware and software as well as alternative astrophotography pursuits

You are the Avatar, born into the Hoshido royal family but raised by the Nohr royal family. With the two families on the brink of war, you must choose whether to follow your destiny tied to your birthplace or the fate bound to the kingdom which raised you. Birthright charts the path of the Hoshido family and their defense against the Nohr. But ultimately the choice is yours. Our guide will include the following: - Complete coverage of the main story. - All side quests uncovered. - Gameplay details and tactics on how to get the best from your game. - Details on features new to the Fire Emblem series. - Skills, monsters, Promotions and Reclassing explained and much, much more!

You are the Avatar, born into the Hoshido royal family but raised by the Nohr royal family. With the two families on the brink of war, you must choose whether to follow your destiny tied to your birthplace or the fate bound to the kingdom which raised you. But ultimately the choice is yours. - Complete coverage of the main story. - All side quests uncovered. - Gameplay details and tactics on how to get the best from your game. - Details on features new to the Fire Emblem series. - Differences between the two games examined. Conquest is not for the casual fan! - Skills, monsters, Promotions and Re-classing explained and much, much more!

Experience the new standard in Florida practice guides. The LexisNexis Practice Guide on Florida Civil Procedure: Trial and Post-Trial is part of a 5-volume series that gives you complete step-by-step guidance on civil litigation practice and procedure in Florida and quickly points you to LexisNexis resources that help you build your case. This volume concentrates on issues related to trial and post-trial and gives complete and current coverage on relevant topics, including such areas as: • Jury Selection • Verdicts • Costs & Attorney's Fees • Motion for New Trial • Appeals With its concise writing style, streamlined chapter format, abundance of checklists and forms, thousands of references to leading and related cases, cross references to relevant analytical content, and extensive and authoritative guidance from a consultative board of experienced Florida practitioners and judges, you'll find more of everything that makes a practice guide valuable and easy for you to use.

Authored by experts in various facets of civil litigation and reviewed by general editor William C. Bochet, LexisNexis Practice Guide New Jersey Trial, Post-Trial, and Appellate Proceedings offers quick, direct, New Jersey-specific answers to questions that arise in day-to-day civil litigation practice. Topically organized, LexisNexis Practice Guide New Jersey Trial, Post-Trial, and Appellate Proceedings covers a range of civil practice issues and takes task-oriented approach to each subject in its action-oriented section headings (e.g. Moving for Relief in Limine, Preparing for Direct Examinations of Experts at Trial, and Making Objections or Requests for Curative Instructions) and multiple checklists in each chapter that guide the reader through each step of a task. This publication covers critical topics such as jury charges, bench trial, opening statements, burdens of proof, trial motions, party and non-party witnesses, expert witnesses, summations, and bringing appeals. It includes numerous practice tips (Strategic Point, Warning, Timing and Exception) to ensure best practices and help the attorney make choices, avoid practice pitfalls and recognize important time limitations and exceptions to general rules.
