introduced readers to a literary New South—a fictional landscape that encompasses “ women, God, lust, race, nature, gay Confederates, good old boys, bad old boys, guns, animals, fishing, fighting, cars, pestilence, surrealism, gritty realism, the future, and the past . . . tossed together in glorious juxtapositions ” (Vanity Fair). Long, Last, Happy confirms Barry Hannah as one of our most brilliant voices. “ Hannah is the Jimi Hendrix of American short fiction; an electrifying Mark Twain—a wailing genius of literary twang, reverb, feedback, and general sonic unholiness that results in grace notes so piercing you heart melts like an overloaded amp. ” —Interview

Winner of the PEN/Malamud Award, *Airships* is a “ strong, original, tragic and funny ” story collection of “ the creative Southern tradition ” (Alfred Kazin). One of the most revered short story collections of the past fifty years, *Airships* remains a vital text in the history of the American short story. The award-winning contemporary classic features twenty wildly original, exuberant, often hilarious stories that celebrate the universal peculiarities of the new American South—a land of high school band contests where good old boys from Vicksburg are reunited in Vietnam, and petty nostalgia and the incessant pain of disappointed love prevail in spite of our worst efforts. Hailed by none other than Larry McMurtry as “ the best young writer to appear in the South since Flannery O ’ Connor, ” Barry Hannah ’ s immense storytelling gifts are on striking display in this essential work. “ Hannah takes fiction by surprise—scenes, shocks, sounds and amazements: an explosive but meticulous originality. ” —Cynthia Ozick

“ A shorthand epic of extraordinary power . . . A novel of brilliant particulars and dizzying juxtapositions ” from the acclaimed southern author of *Geronimo Rex* (Newsweek). Nominated for the American Book Award, *Ray* is the bizarre, hilarious, and consistently adventurous story of a life on the edge. Dr. Ray—a womanizer, small-town drunk, vigilante, poet, adoring husband—is a man trying to

make sense of life in the twentieth century. In flight from the death he dealt flying over Vietnam, Dr. Ray struggles with those bound to him by need, sickness, lunacy, by blood and by love. “ This novel hangs in the memory like a fishhook. It will haunt you long after you have finally put it down. Barry Hannah is a talent to reckon with, and I can only hope that Ray finds an audience it deserves. ” —Harry Crews, *The Washington Post Book World*

“ A wildly colorful, darkly comic, and ultimately sinister tale of madness and murder ” from the award-winning master of Southern fiction (*Library Journal*). “ Set in a lake community in the vicinity of Vicksburg, Miss., the story revolves around a fellow named Man Mortimer, a thief, pimp and murderer—and those are his good qualities—who physically resembles the late country singer Conway Twitty. On his trail are Byron Egan, a somewhat reformed biker-turned-preacher and prophet, and Max Raymond, a former doctor who plays saxophone in a bar band and has an attractive Cuban wife who sings, sometimes for the band, sometimes nude in her backyard. Meanwhile, the young town sheriff, distrusted since he hails from the North, manages to shock even the most degenerate denizens of the area with his affair with a luscious 72-year-old widow. The plot is kaleidoscopic, with flashes and slashes of wonder, humor and the macabre expertly mixed...Reading today's fiction is too often like eating stale bread. With Hannah, just imagine your most mouthwatering meal, take a double helping and you've come close to the pleasure of reading this book. ” —*Publishers Weekly* (starred review) “ Maddeningly brilliant...a stunning assemblage of characters: ruffians, high rollers, heartbroken luses, prostitutes, bikers-turned-preachers, dead ringers, drug addicts, third-rate porn stars, lounge lizards...They do not so much interact as collide, like atomic particles in a cyclotron. ” —*The Hartford Courant* “ An electrifying prose style, memorable characters, plot lines laced with violence and absurdity, and humor as black as an Ace comb...an expert navigator of the back roads of the human heart. ” —*The Denver Post* “ Like

moonshine whisky, [Hannah ' s fiction] packs quite a wallop. ” —The Wall Street Journal

Nominated for the National Book Award, Barry Hannah ' s brilliant debut offers “ a fresh angle on the great American subject of growing up ” (John Updike). Roiling with love and torment, lunacy and desire, hilarity and tenderness, *Geronimo Rex* is the bildungsroman of an unlikely hero. Reared in gloomy Dream of Pines, Louisiana, whose pines have long since yielded to paper mills, Harry Monroe is ready to take on the world. Inspired by the great Geronimo ' s heroic rampage through the Old West, Harry puts on knee boots and a scarf and voyages out into the swamp of adolescence in the South of the 1950s and ' 60s. Along the way he is attacked by an unruly peacock; discovers women, rock ' n ' roll, and jazz; and stalks a pervert white supremacist who fancies himself the next Henry Miller in this “ stunning piece of entertainment . . . vulgar, ribald, and wildly comic ” (TheNew York Times). “ Hannah writes about adolescence with a rare pizzazz and insight. ” —Rolling Stone

In a world where heroes were forced into retirement in the aftermath of a nuclear attack on America Michael Sanders must rise to the occasion and discover what it means to live and rise up from underneath *The Long Shadow*.

**NATIONAL BESTSELLER** Two great spiritual masters share their own hard-won wisdom about living with joy even in the face of adversity. The occasion was a big birthday. And it inspired two close friends to get together for a talk about something very important to them. The friends were His Holiness the Dalai Lama and Archbishop Desmond Tutu. The subject was joy. Both winners of the Nobel Prize, both great spiritual masters and moral leaders of our time, they are also known for being among the most infectiously happy people on the planet, despite having experienced great personal and national

suffering. From the beginning the book was envisioned as a three-layer birthday cake, the first being their personal stories and teachings about joy. Both the Dalai Lama and Tutu have been tested by extraordinary adversity, oppression, and conflict. The second layer consists of the exciting research into joy as well as the other qualities essential for any enduring happiness, like gratitude, humility, humour, compassion, generosity, and forgiveness. And the third encompasses practical exercises and guidance based on the Dalai Lama's and Tutu's own daily practices, which anchor their emotional and spiritual lives. Most of all, during that landmark week in Dharamsala, they demonstrated by their own exuberance, compassion, and even wise-cracking humour, how joy can be transformed from a fleeting emotion into an enduring way of being.
