Lord Arthur Savile's Crime - Wythall Theatre Company

Lord Arthur Savile's Crime is a short story by Oscar Wilde. I loved the poking fun at the gothic genre, the increasingly amusing events and the almost tangible irony under it all. Adapted from an Oscar Wilde novel or simple writing, it is of course one more tale taking place in Victorian England, nearly a satyric drama.

This collection of short "mystery" stories by Oscar Wilde was originally published in 1891 and was his second published collection of stories. This edition follows the 1907 edition, which was published after his death and added "The Portrait of Mr. W. H.," a story first published in 1899. Written around the same time as The Picture of Dorian Gray and before he turned his hand to playwriting, these stories showcase the quintessential Wilde: dark irony combined with an incisive dissection of Victorian society, with just a hint of the supernatural added to amuse and engage his Victorian audience. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

This play is based on an 1890's story by Oscar Wilde about Lord Arthur Savile's who is engaged to lovely Sybil Merton. Her pet chiromantist Podgers has read Lord Arthur's palm and foretold he would commit a murder. Lord Arthur desires a blissful married life and therefore feels duty bound to get the murder over with first. Despite help from his butler and the cheerful anarchist Winkelkopf, attempt after attempt fails.-5 women, 5 men

Wilde's supremely witty tales of dandies, anarchists and a murderous prophecy in London high society.

The three stories in this book are about ordinary people, people like you and me; but they find themselves in surprising situations. Lord Arthur Savile, a rich man with no enemies, finds out that he must do something terrible before he can marry. Poor young Hughie Erskine gives money to an old beggar - but the beggar is not what he seems. And Lord Murchison falls in love with a mystery woman - but what is the strange secret behind the door in Cumnor Street?

"Lord Arthur Savile's Crime" is a masterpiece of polished cynicism in which poison, explosive clocks, and finally murder forerun married bliss. When a fortune-teller takes Lord Arthur Savile's hand, he is shaken by the vision of something too frightful to relate. Can that mystery be a murder?

Lord Arthur Savile, about to be married to a sweetly innocent maiden, learns to his horror that a psychic can see a crime of violence in his palm. The clairvoyant tells Saville that before he can marry his beloved, he must murder a distant relative. What follows is a hilarious account of Lord Saville's various failed attempts through poison, explosives and more to do the terrible deed. After the last frustrating attempt he decides he rather murder the psychic instead!

Finally available, a high quality book of the original classic edition of Lord Arthur Saviles Crime and other stories. This is a new and freshly published edition of this culturally important work by Oscar Wilde, which is now, at last, again available to you. Enjoy this classic work today. These selected paragraphs distill the contents and give you a quick look inside Lord Arthur Saviles Crime and other stories: In fact, many people seemed afraid to face the odd little man with his stereotyped smile, his gold spectacles, and his bright, beady eyes; and when he told poor Lady Fermor, right out before every one, that she did not care a bit for music, but was extremely fond of musicians, it was generally felt that cheiromancy was a most dangerous science, and one that ought not to be encouraged, except in a t te- -t te. ...Podgers with a great deal of interest, was filled with an immense curiosity to have his own hand read, and feeling somewhat shy about putting himself forward, crossed over the room to where Lady Windermere was sitting, and, with a charming blush, asked her if she thought Mr. ...The white-smocked carters, with their pleasant sunburnt faces and coarse curly hair, strode sturdily on, cracking their whips, and calling out now and then to each other; on the back of a huge grey horse, the leader of a jangling team, sat a chubby boy, with a bunch of primroses in his battered hat, keeping tight hold of the mane with his little hands, and laughing; and the great piles of vegetables looked like masses of jade against the morning sky, like masses of green jade against the pink petals of some marvellous rose. ...He had also to think of Sybil's father and mother, who were rather old-fashioned people, and might possibly object to the marriage if there was anything like a scandal, though he felt certain that if he told them the whole facts of the case they would be the very first to appreciate the motives that had actuated him. ...Of the science of poisons, however, he knew absolutely nothing, and as the waiter seemed quite unable to find anything in the library but Ruff's Guide and Bailey's Magazine, he examined the book-shelves himself, and finally came across a handsomely-bound edition of the Pharmacopoeia, and a copy of Erskine's Toxicology, edited by Sir Mathew Reid, the President of the Royal College of Physicians, and one of the oldest members of the Buckingham, having been elected in mistake for somebody else; a contretemps that so enraged the Committee, that when the real man came up they black-balled him unanimously.

"Please, speak softly, we might be overheard," Two college friends run into each other in Paris and one tells the other of a mysterious woman he's been seeing. She sets appointments to meet him and doesn't show up, and she asks him not to write her at her home address but gives him an alias name and address instead. As the tension builds, the friends start to suspect that maybe the real mystery is that there isn't a mystery at all. The Sphinx Without a Secret suggests that the thrill of the chase will always end in disappointment when it comes to love, because sooner or later the chase must end. With charm and a great understanding of the human condition, Oscar Wilde more than succeeds with this suspenseful Sherlock Holmes-like mystery. Oscar Wilde (1854-1900) was an Irish playwright, novelist, essayist, and poet, famous for 'The Picture of Dorian Gray' and 'The Importance of Being Earnest' to name a couple. He was believed to be a homosexual and met a lot of resistance in his life on that account. He died in Paris at the age of 46.
