Prickly twenty-five-year-old Loveday Jenna Cardew has worked in the idiosyncratic secondhand Lost for Words bookshop in York since she first set foot inside as a damaged fifteen-year-old teenager. A self-confessed loner, over-thinker and avid reader, Loveday, has found solace in the non-judgemental company of the written word as she tries her best to go unnoticed despite her love of bookish tattoos and nose ring.

admirers, from literary superstars such as Zadie Smith, Francine Prose, Jeffrey Eugenides, and Michael Chabon to pop-culture icons such as Anthony Bourdain and January Jones. Now St. Aubyn returns with a hilariously smart send-up of a certain major British literary award. The judges on the panel of the Elysian Prize for Literature must get through hundreds of submissions to find the best book of the year. Meanwhile, a host of writers are desperate for Elysian attention: the brilliant writer and serial heartbreaker Katherine Burns; the lovelorn debut novelist Sam Black; and Bunjee, convinced that his magnum opus, *The Mulberry Elephant*, will take the literary world by storm. Things go terribly wrong when Katherine's publisher accidentally submits a cookery book in place of her novel; one of the judges finds himself in the middle of a scandal; and Bunjee, aghast to learn his book isn't on the short list,

**Love This** Lost for Words is a witty, fabulously entertaining satire that cuts to the quick of some of the deepest questions about the place of art in our celebrity-obsessed culture, and asks how we can ever hope to recognize real talent when everyone has an agenda.

Tapir wants to express himself, but he just can't find the words! Tapir and his friends all have nice new notebooks, just waiting to be filled. Giraffe decides to write a poem, Hippo writes a story, and Flamingo composes a beautiful song. But poor Tapir can't think of anything to write—and the harder he tries the more upset he becomes! But everything starts to change when Tapir stops trying to write and begins to draw... With its rhythmic text and adorable illustrations, this gentle story from author and illustrator Natalie

reeling. It is under attack from all sides. Politicians dupe us with deliberately evasive language. Bosses worry about impacting the bottom line while they think out of the box. Academics talk obscure mumbo jumbo. Journalists and broadcasters, who should know better, lazily collaborate. In his bestselling *Lost for Words*, Today presenter and national treasure John Humphrys wittily and powerfully exposes the depths to which our beautiful language has sunk and offers many examples of the most common atrocities. He also dispenses some sensible guidance on how to use simple, clear and honest language. Above all, he shows us how to be on the alert for the widespread abuse - especially by politicians - and the power of the English language.

“ Delightful . [a] captivating and slyly subversive fictional paean to the real women whose work on the Oxford English Dictionary went largely unheralded. ” —The New York Times Book Review

“ A marvelous fiction about the power of language to elevate or repress. ” —Geraldine Brooks, New York Times bestselling author of People of the Book Esme is born into a world of words.

Motherless and irrepressibly curious, she spends her childhood in the Scriptorium, an Oxford garden shed in which her father and a team of dedicated lexicographers are collecting words for the very first Oxford English Dictionary. Young Esme ’ s place is beneath the sorting table, unseen and unheard. One day a slip of paper containing the word bondmaid flutters beneath the table. She rescues the slip and, learning that the word means “ slave girl, ” begins to collect other words that have been discarded or neglected

by the dictionary men. As she grows up, Esme realizes that words and meanings relating to women ' s and common folks ' experiences often go unrecorded. And so she begins in earnest to search out words for her own dictionary: the Dictionary of Lost Words. To do so she must leave the sheltered world of the university and venture out to meet the people whose words will fill those pages. Set during the height of the women ' s suffrage movement and with the Great War looming, The Dictionary of Lost Words reveals a lost narrative, hidden between the lines of a history written by men. Inspired by actual events, author Pip Williams has delved into the archives of the Oxford English Dictionary to tell this highly original story. The Dictionary of Lost Words is a delightful, lyrical, and deeply thought-provoking celebration of words and the power of language to shape the world. WINNER OF THE

All Sophie wants is to forget what happened last summer. But that 's not easy when people keep asking if she 's okay, and her mother locks herself behind closed doors for hours at a time. And now her best friend, Abigail, cares more about parties and boys than about hanging out with Sophie. Lost in memories of the life she had before that terrible day, Sophie retreats into herself. But it 's only so long before she must confront the tragedy of her past so she can face the future.
