Three engrossing historical novels—in one volume—bring the Plantagenets and the splendor and scheming of twelfth-century Europe to vivid life. In *The Fatal Crown*, set against the seething political intrigues of twelfth-century Europe, two royal heirs surrender to passion as they vie for the most glittering, treacherous prize of all: the English throne. At twenty-five, the widowed Maud must marry once again, this time to fourteen-year-old Geoffrey Plantagenet. But it is with Stephen of Blois, Maud's fiercest rival for the British throne, that the headstrong princess discovers the true meaning of desire. In *Beloved Enemy*, Aquitaine is under the French king's safekeeping, and Eleanor, the Duke of Aquitaine's eldest daughter, knows she must wed Prince Louis in order to insure the future of her beloved duchy. Fiercely independent, filled with untapped desire, the woman who would be queen must provide Louis VII, her monkish husband, with heirs. But it is young Henry of Anjou who catches Eleanor's eye—and sets fire to her heart. And in *Gilded Cages*, Eleanor of Aquitaine and Henry Plantagenet—whose marriage was born of power, politics, and an all-consuming, fiery love—rule a vast kingdom. At first they work to unify and repair their war-torn lands—before being torn apart by intrigue, adultery, and deadly revenge.

Beautiful young Aspasia Stanton and her twin brother Jerry are horrified when they receive a letter addressed to their uncle and Guardian, the much-loved Reverend Theophilus Stanton, from Her Grace the Duchess of Grimstone. In it she coldly announces that that "having reached the age of sixty-five, you are retired from your Living and you will vacate the Vicarage within a month of this date." Whatever are they to do? Without the Reverend's stipend they will have nothing at all to live on and Jerry will be forced to leave Oxford University. And what of Little Medlock's parishioners, who love their Vicar so dearly after all his years in their Parish? Although the Duchess is known by all the locals as a completely ruthless woman without a heart, Aspasia resolves to go to visit her and throw herself on her mercy, saying, 'I will do - anything you ask of me if Uncle Theophilus may remain at Little Medlock.' The poor innocent Aspasia has no grasp of the evil that goes on behind Grimstone House's imposing doors or of the terrible things that the wicked Duchess will demand of her as her side of the bargain. But then Fate sends the imperious yet handsome Marquis of Thame to visit the Duchess, a gentleman unimpressed and undaunted by her disreputable and wicked ways. But will he step in to save Aspasia from utter humiliation and dishonour?

Pride and Prejudice meets the Wild West—A young British duchess fleeing from her husband's murderer. A widowed American cowboy with a small daughter. Their second chance at love. At twenty-one, Jane Langley, Duchess of Chatham, is too young to be a widow. Her husband's misguided duel with his ruthless younger brother leaves him dead. The new duke's menacing threat to Jane—marry him or else—has her fleeing her home to America for safety and an opportunity to where she can buy her own property. Although Jane worries about her new role as a landowner in the Wild West, she wonders if a proper British duchess will be accepted in a land that lacks propriety. Does Carson City have a high society? Or does she become a pioneer woman? Her concerns change the morning she meets the ruggedly handsome cowboy, Mr. Bellamy. Heath Bellamy is no stranger to misery. He lost his wife shortly after their daughter was born, and for the past two winters the cruel Nevada blizzards killed too many of his ranch's cattle. They need grass to survive. When a new owner takes over the neighboring big spread, he sees the possibility of the herd grazing on her land. When their relationship turns from friendship to deep affection, they must decide if love is worth risking getting their hearts broken all over again.

A love torn between a new boss and a childhood sweetheart. Is it a romance written in the stars, or destined to crash and burn, consumed by a love Brynn never knew she was looking for?

Fans of *Bridgerton* will love this "delightful" Regency romp (Julia Quinn, *New York Times* bestselling author?) in which a proper Society miss recruits a very improper lady investigator in a quest for vengeance, only to find love instead. As a master of disguise, Thomasina Wynchester can be a polite young lady—or a bawdy old man. She'll do whatever it takes to solve the cases her family takes on. But when Tommy's beautiful new client turns out to be the highborn lady she's secretly smitten with, more than her mission is at stake. . . Bluestocking Miss Philippa York doesn't believe in love. Her heart didn't pitter-patter when she was betrothed to a duke, nor did it break when he married someone else. All Philippa desires is to decode a centuries-old manuscript to keep a modern-day villain from claiming credit for work that wasn't his. She hates that she needs a man's help to do it—so she's delighted to discover the clever, charming baron at her side is in fact a woman. But as she and Tommy grow closer and the stakes of their discovery higher, more than just their hearts are at risk.

Wolfram's *Parzival* continues to inspire and influence, in modern times
