Getting featured on a magazine cover is indeed a mark of success, irrespective of industry. Whether you make it on the Forbes Top 100 magazine cover or just a glam, sham celebrity mag cover, if you are on its glossy top front, you are not to be ignored or put aside or just glanced over!. Trade analysts will tell you that it is the covers that sell the magazines!

'It is the Playboy of the British magazine world. It is not a "girlie" magazine" - Robert Maxwell, chairman of British Printing and Communications Corporation in The Financial Times Mayfair was a British magazine started up in August 1966. Despite what Mr. Maxwell said, as with most men's magazines, it gradually phased out all of the men's interests content (i.e. sports cars, fashion and cool ...

Retrospace: Vintage Men's Mags #31: Mayfair

We would like to show you a description here but the site won't allow us.

Twitter

Mayfair is Britain's longest surviving men's soft porn magazine (if we disregard Penthouse, which launched in London the same year but soon shifted to the US). It launched in 1965, and is still going today, although of course unrecognisable from its glory days. Published by Fisk Publishing, the first issue was edited by Graham Masterton – author of The Manitou and other horror novels ...

Feast your eyes on “The Big Picture” in Jack Kirby Collector #79 (84 full-color pages)! We give you a glimpse of how Kirby fits into the grand scheme of things, from his creations' lasting legacy, to how his work tackles big issues like illiteracy. There's a huge interview with Jack himself, a look at inconsistencies in his 1960s Marvel work, a visual before-&-after showing large and small changes in his comics, the big concepts he conveyed in OMAC, his best double-page spreads, and more! Plus Mark Evanier's 2019 Kirby Tribute Panel (with Kurt Busiek, Buzz Dixon, and others), a pencil art gallery, and a new cover based on Kirby's original, unaltered cover art from OMAC #1!

Scholarly engagement with the magazine form has, in the last two decades, produced a substantial amount of valuable research. Authored by leading academic authorities in the study of magazines, the chapters in The Routledge Handbook of Magazine Research not only create an architecture to organize and archive the developing field of magazine research, but also suggest new avenues of future investigation. Each of 33 chapters surveys the last 20 years of scholarship in its subject area, identifying the major research themes, theoretical developments and interpretive breakthroughs. Exploration of the digital challenges and opportunities which currently face the magazine world are woven throughout, offering readers a deeper understanding of the magazine form, as well as of the sociocultural realities it both mirrors and influences. The book includes six sections: -Methodologies and structures presents theories and models for magazine research in an evolving, global context. -Magazine publishing: the people and the work introduces the roles and practices of those involved in the editorial and business sides of magazine publishing. -Magazines as textual communication surveys the field of contemporary magazines across a range of theoretical perspectives, subjects, genre and format questions. -Magazines as visual communication explores cover design, photography, illustrations and interactivity. -Pedagogical and curricular perspectives offers insights on undergraduate and graduate teaching topics in magazine research. -The future of the magazine form speculates on the changing nature of magazine research via its environmental effects, audience, and transforming platforms.

Orange Coast Magazine is the oldest continuously published lifestyle magazine in the region, bringing together Orange County's most affluent coastal communities through smart, fun, and timely editorial content, as well as compelling photographs and design. Each issue features an award-winning blend of celebrity and newsmaker profiles, service journalism, and authoritative articles on dining, fashion, home design, and travel. As Orange County's only paid subscription lifestyle magazine with circulation figures guaranteed by the Audit Bureau of Circulation, Orange Coast is the definitive guidebook into the county's luxe lifestyle.

Transform your students into smart, savvy consumers of the media. Mass Communication: Living in a Media World (Ralph E. Hanson) provides students

with comprehensive yet concise coverage of all aspects of mass media, along with insightful analysis, robust pedagogy, and fun, conversational writing. In every chapter of this bestselling text, students will explore the latest developments and current events that are rapidly changing the media landscape. This newly revised Sixth Edition is packed with contemporary examples, engaging infographics, and compelling stories about the ways mass media shape our lives. From start to finish, students will learn the media literacy principles and critical thinking skills they need to become savvy media consumers.

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.
