Según el autor, «no es un libro de consejos, sino un intercambio de experiencias», una excelente ocasión para reflexionar y reencontrarse con uno mismo.

Non fiction collection of 110 observational columns written for several Brazillian newspapers on a wide range of topics.

A special 25th anniversary edition of the extraordinary international bestseller, including a new Foreword by Paulo Coelho. Combining magic, mysticism, wisdom and wonder into an inspiring tale of self-discovery, The Alchemist has become a modern classic, selling millions of copies around the world and transforming the lives of countless readers across generations. Paulo Coelho's masterpiece tells the mystical story of Santiago, an Andalusian shepherd boy who yearns to travel in search of a worldly treasure. His quest will lead him to riches far different—and far more satisfying—than he ever imagined. Santiago's journey teaches us about the essential wisdom of listening to our hearts, of recognizing opportunity and learning to read the omens strewn along life's path, and, most importantly, to follow our dreams.

"My heart is afraid that it will have to suffer," the boy told the alchemist one night as they looked up at the moonless sky." Tell your heart that the fear of suffering is worse than the suffering itself. And that no heart has ever suffered when it goes in search of its dreams." Every few decades a book is published that changes the lives of its readers forever. The Alchemist is such a book. With over a million and a half copies sold around the world, The Alchemist has already established itself as a modern classic, universally admired. Paulo Coelho's charming fable, now available in English for the first time, will enchant and inspire an even wider audience of readers for generations to come. The Alchemist is the magical story of Santiago, an Andalusian shepherd boy who yearns to travel in search of a worldly treasure as extravagant as any ever found. From his home in Spain he journeys to the markets of Tangiers and across the Egyptian desert to a fateful encounter with the alchemist. The story of the treasures Santiago finds along the way teaches us, as only a few stories have done, about the essential wisdom of listening to our hearts, learning to read the omens strewn along life's path, and, above all, following our dreams.

How do we find the courage to always be true to ourselves—even if we are unsure of who we are? That is the central question of international bestselling author Paulo Coelho's profound new work, The Witch of Portobello. It is the story of a mysterious woman named Athena, told by the many who knew her well—or hardly at all. Like The Alchemist, The Witch of Portobello is the kind of story that will transform the way readers think about love, passion, joy, and sacrifice.

“The book casts a curiously sweet spell.” – Entertainment Weekly Eleven Minutes tells the story of Maria, a young girl from a Brazilian village whose first innocent brushes with love leave her heartbroken. At a tender age, she becomes convinced that she will never find true love, instead believing that “love is a terrible thing that will make you suffer.” A chance meeting in Rio takes her to Geneva, where she dreams of finding fame and fortune, yet ends up working as a prostitute. In Geneva, Maria’s despairing view of love is put to the test when she meets a handsome young painter. In this odyssey of self-discovery, Maria must choose between pursuing a path of darkness—sexual pleasure for its own sake—or risking everything to find her own inner light and the possibility of true love.

Another stunning novel by the author of The Alchemist.

New York Times Bestseller “In Brida, my third novel, which I wrote just after The Alchemist, I tell the story of a young woman who dives into sorcery and her experiences with different magical traditions. I explore many themes that are dear to me, such as the Great Mother, pagan religions, and the perceptions of love.” -- Paulo Coelho This is the spellbinding tale of Brida, a beautiful young Irish woman, and her quest for knowledge. On her journey, she meets a wise man who teaches her about overcoming her fears, and a woman who teaches her ancient rituals. They see in her a gift, but must let Brida make her own voyage of discovery.
