It includes a legally binding contract involving the courts and delineating child care arrangements, child or spousal support if relevant, and division of property.

The widely used study of both the social and psychological ramifications of separation and divorce. Published by Basic Books.

This book is the first to investigate the effects of participation in separation or divorce proceedings on femicide (murder of a female), femicide-suicide, homicide, and suicide. Because separation is one of the most significant predictors of domestic violence, this book is exclusively devoted to theorizing, researching, and preventing lethal domestic violence or other assaults triggered by marital separation. The authors provide evidence supporting the use of an estrangement-specific risk assessment and estrangement-focused public education to prevent murders and assaults. This information is needed not only by instructors in criminal justice and sociology programs, but by researchers theorizing about or investigating domestic violence. In the world of practitioners, family court judges, divorce mediators, family lawyers, prosecutors involved in bail hearings, shelter staff, and family counselors urgently need this resource. Ellis et al. include discussion questions and chapter objectives to support learners in the classroom or in community-based settings, and instructor support material includes PowerPoint lecture slides, additional teaching and research resources, and a test bank. This text advocates convincingly for prevention of domestic violence, and gives academics and practitioners the tools they need. This text advocates convincingly for prevention of domestic violence, and gives academics and practitioners the tools they need.

Divorce guidance you can count on Divorce is never easy, but with the information in Nolo's Essential Guide to Divorce, you can make the process as simple, inexpensive, and conflict-free as possible. With compassion and expertise, family law attorney Emily Doskow explains how to make divorce less painful by helping you: minimize day-to-day conflict with your spouse work with lawyers or mediators without breaking the bank avoid costly, exhausting court battles, and stay calm and make good decisions. You will learn about your legal rights and options for resolving tough divorce-related issues, including: child support and custody alimony property division, and drafting a marital settlement agreement. The 8th edition is completely updated with the latest state rules on divorce, such as property division and grounds for divorce.

This book is based on detailed interviews with a group of Irish women who have experienced marital separation. It links the women's accounts with literature on the values and beliefs about marriage, women and family which were prevalent when they were growing up in Ireland in the 1950s and 1960s. The book chronicles their young adult years, the early stages of their marriages and the events and processes which led to their separations. It explores the women's emotional reactions at the time of separating, the types of support which they found beneficial and the personal, social and financial consequences of having separated. Although the book is written from a sociological perspective, the combination of theory and practical insights make it accessible to a wide variety of readers. It aims to generate discussion and deepen understanding of an area into which there has been minimal research in Ireland and which poses a range of important questions for future researchers, practitioners and policy-makers.

Clinicians and educators in the marriage and family field will gain valuable insight into the relationship dynamics that cause marital stress and the interactional factors that may result in divorce from this excellent book. The perceptive theoretical, empirical, and clinical chapters included in Marital Instability and Divorce Outcome examine why certain elements in relationships result in divorce while others do not and assist professionals in evaluating these elements. Specifically, this provocative volume enables professionals to examine how a marriage has weathered developmental periods of stability and instability, whether or not it has the necessary resources to survive, and, in the event a divorce occurs, what will be the most likely post-divorce adjustment for the marriage partners. This informative volume aids professionals in their work with marital relationships, by covering a wide range of topics involved in assessing marital instability and divorce outcomes. The relationship circumstances that can lead to divorce are examined in an investigation of personality types which are prone to divorce and a comparison of patterns of relationships which are stable and those which are likely to result in divorce. The conditions that exist after a divorce are explored in a discussion on how to predict post-divorce adjustment and physical well-being of the marriage partners after divorce. Educators teaching marriage and family courses at all levels from high school to college and clinicians who work with marital, family, and child cases will find this helpful volume to be an invaluable resource for evaluating factors influencing marital instability and divorce outcome.

He's gone. You're separated and in the in-between season of marriage and divorce, where only a select few fully understand your struggles. In this season, when you don't know what the next best step is and loneliness can overwhelm you, sometimes it is best to simply not take any step at all. Silently reflecting and turning to God in those quiet, doubtful moments can create hope and clarity that solidifies your next step; this is especially true when you are separated from your spouse. Unlike so many books with opinions on whether divorce or reconciliation is the answer, *Hopelessly Hopeful During Separation: 28 Daily Devotionals of Hope for Those Experiencing Marital Separation* instead speaks words of hope with no judgment on what you decide to do next. In this season of separation let *Hopelessly Hopeful During Separation* hold your hand and remind you to pause for the Holder of Hope, Jesus Himself. The short daily devotionals encourage you to look to Jesus for hope throughout this season. You are not alone. Endorsements: I was only two months old the day my father separated from my mother. Too young to recognize her tears. Too young to understand the deepening hurt as her separation turned into divorce. I wish my mom would have had Mollie's book. I wish you didn't need it. But if you're in that emotional "no man's land" that is too often separation, this is unlike any book I've ever read. I've never seen a book specifically for this painful, confusing season that is so personal. So real. So faith encouraging, yet so hard to read in places because of its honesty. But important to read. Not all at once. But day after tough day. Twenty-eight days of hope, reality, and encouragement. Full of hard-earned wisdom. Like Mollie says, "You're not alone." May the Lord reveal for you a path to health, healing, and life over the next four weeks and beyond. John Trent, Ph.D. President, StrongFamilies.com Author of *LifeMapping* and co-author of *The Blessing God has a purpose for us*. Our trials and troubles result in suffering which the apostle Paul in Romans 5:3-4 says causes us to "grow in perseverance." In Mollie's devotional, *Hopelessly Hopeful During Separation*, she reveals stories about how faith can be strengthened through the trial of a relationship gone south. Leveraging her God-given gifts, she shows how you can conquer that failure. Mollie is now using her personal testimony as an inspiration to others. Her writing inspired me as I went through a divorce twenty-five years ago, so I understand her pain. This devotional will continue to be a place for me to go to for encouragement. Diane Paddison Founder and Executive Director of *4word* Author of *Work, Love, Pray and Be Refreshed...a year of devotions for women in the workplace* and Former Global Executive Team of two Fortune 500 and one Fortune 1000 companies Separation is a state of limbo in which you are vacillating between hopeful and hopeless. All kinds of feelings, questions, and confusion arise. These devotionals from true-life stories reveal that you are not alone and that can provide you a community of hope—hope that is found in the Lord. Paula Silva President, Cofounder FOCUS Ministries, Inc.

A home ripped apart by one spouse leaving reverberates with a host of unanswered questions. Simple answers don't exist—heartrending complexities do. In the midst of the turmoil, reconciliation may seem out of reach. But there is still hope for those who are willing to fight for their marriages. In this transformative guide, men and women who are separated but hopeful for restoration will discover life-changing truths about God, themselves, and their marriages. Linda W. Rooks explores practical answers for men and women in the midst of a marriage crisis, guiding them step by step toward hope and a positive outcome, even when fighting for the marriage alone. After finding hope, strength, and encouragement for their marriages in Rooks's first book, *Broken Heart on Hold*, many readers continue on their journeys with new questions as they take the next step. *Fighting for Your Marriage While Separated* begins where *Broken Heart on Hold* left off, continuing to guide readers through the labyrinths of separation, this time with practical answers to their questions. From diving into topics such as relationship dynamics and healing, protecting children, and praying for restoration, to deciding on boundaries and learning to live with the same spouse in a new marriage, Rooks illustrates what reconciling and rebuilding a marriage looks like—and how the sweet intimacy of Christ is in the waiting. Through biblical wisdom, the personal experience of navigating toward her own marital restoration after a three-year separation, and eleven years of ministry to marriages in crisis, author Linda W. Rooks offers hope to many who feel hopeless by sharing true stories, practical answers, and Scripture-based truth to guide readers along their journeys toward wholeness.
