The eighth edition of Marketing Management: A Strategic Decision-Making Approach, concentrates on marketing decision-making, rather than mere description of marketing phenomena. By providing specific tools and decision frameworks, it prepares its readers to hit the ground running and contribute tangibly to the marketing efforts of firms large and small. Drawing on its authors' wealth of entrepreneurial and executive experience, along with their thought-leading research, the book provides an abundance of real-life examples of marketing decisions - both good and not-so-good - from around the world in companies ranging from entrepreneurial start-ups to multi-national giants. This edition continues to be the most current and internet-savvy book available, injecting the latest developments in internet-based communication and distribution technology into every chapter.

Sport marketing is more accessible than ever, with sport business professionals, companies, the media, athletes, teams, coaches, and fans connecting in new ways and with new experiences. Sport Marketing, Fifth Edition With HKPropel Access, presents a modernized, current-day approach to the dynamic industry of sport marketing. A full-color presentation brings this vibrant field to life with comprehensive coverage-balanced between theoretical and practical-to provide an understanding of the foundations of sport marketing and how to enhance the sport experience. Building on the legacy that Bernard Mullin, Stephen Hardy, and William Sutton established in the first four editions, a new author team, handpicked by their predecessors, draw from their modern experience in the field to add a fresh perspective to this essential text. They bring the sport industry directly to the reader through extensive industry examples, interviews of top sports executives, challenging case studies, and global perspectives from teams, leagues, and other agencies around the world. Reflecting the evolving landscape of sport marketing, the text will prepare students to stay on the leading edge with the following updates: A focus on current and emerging technologies and how they have revolutionized the sport industry-ranging from mobile video streaming and fantasy sports to artificial intelligence and virtual reality Greater emphasis on data and analytics to make more informed business decisions In-depth examination of how social media and digital platforms serve as critical communication channels to drive sport marketing strategy and execution New content on target marketing, including understanding millennial sports fans and engaging with Generation Z Updated coverage of sales processes, addressing both traditional methods and new strategies for the mobile age Discussion of modern ticketing practices and the secondary ticket market, including how leagues partner with secondary ticket providers and the impact on pricing strategies Also new to the fifth edition are related online learning aids, now delivered through HKPropel, designed to engage students and test comprehension of the material. Exclusive video interviews with sport industry leaders offer insights into how they incorporate marketing strategies into their daily work. Discussion questions and activities for each chapter guide students to apply core concepts, and web search activities provide opportunities for students to compare strategies found on sport organization websites and other online locations. In addition, chapter objectives, an opening scenario, sidebars highlighting key concepts, and Wrap-Up, Activities, and Your Marketing Plan sections at the ends of chapters offer students additional learning tools as they explore how fans, players, coaches, the media, and companies interact to drive the sport industry. With Sport Marketing, Fifth Edition With HKPropel Access, students will develop valuable marketing skills and prepare for a successful career in the competitive world of sport marketing. Note: A code for accessing HKPropel is not included with this ebook but may be purchased separately.

Marketing Strategy, 8e is a focused, succinct text which can be used on its own or packaged with a case book. It covers the concepts and theories of creating and implementing a marketing strategy and offers a focus on the strategic planning process and marketing's cross/inter-functional relationships. This text distinguishes itself from competitors by maintaining a strong approach to strategic decision making. The eighth edition helps students integrate what they have learned about analytical tools and the 4P's of marketing within a broader framework of competitive strategy. Four key and relevant trends that are sweeping the world of marketing theory and practice are integrated throughout this new edition.

Provides an overview of business plans that didn't require an influx of cash from a venture capitalist, but rather received money from their customers and describes five ingenious approaches used by innovative entrepreneurs at companies like Threadless, TutorVista and GoViral.
