Decision-making is a pivotal function of any manager. A knowledge of Accounting, insofar as it affects decision-making, is very important for a manager. And very often, students find Accounting as one of the "tough" subjects to handle. This book strives to make Accounting intelligible and easily comprehensible to students. The text gives a comprehensive coverage of the three branches of Accounting – Financial Accounting, Management Accounting, and Cost Accounting. It focuses on the various methods and techniques followed in the Management Reporting System. The text deals, in detail, with various accounting transaction procedures, methods of costing, ratio analysis, budgeting, forecasting, accounting errors, funds flow and cash flow statements, trial balance and balance sheet, and so on. It equips the students with the knowledge in the preparation, analysis, evaluation, and interpretation of financial statements, which will enrich their managerial competence and decision-making skills.

KEY FEATURES

- Emphasises the various accounting and decision-making techniques.
- Provides a number of problems and their solutions, besides giving notes, working notes, and exercises, to help the students understand the concepts better.

This book is intended as a text for the postgraduate students of Management (MBA/MIB), financial courses (MFC), and undergraduate and postgraduate students of Commerce and those pursuing MCA. In addition, the book will be very useful to practising managers who wish to develop effective and result-oriented decision-making skills.

The motivation for the Eleventh Edition of "Investment Management" has been provided by the enthusiastic response of the readers and reviewers to the earlier editions

which, together with reprints, were sold out within a few months of the Publication. The book has been presented as an introductory level text on the theory and practice of investment. It has been accepted by the students of finance preparing for a paper on investment management, particularly the B.Com (H) VIth Semester (CBCS)/Annual Mode of University of Delhi. The highlight of the Eleventh Edition is the presentation of "Concept Checks" in the form of "Test-Yourself" at various places in different chapters. This will give an opportunity to the students to apply the concepts which they have read so far. Additional working notes and explanations have been provided at various places throughout the book. Comments and suggestions received from students as well as teachers have been duly incorporated. In an attempt to keep intact the basic structure of the book, the chapter plan has not been changed. Nevertheless, sufficient material has been added in Chapter 6, "Fundamental and Technical Analysis" with a view to provide more insight into technical analysis. Several numerical illustrations have been added in different Chapters at appropriate places.

• 15 Sample Question Papers as per the latest and updated 150 Questions exam pattern & Latest solved paper 2021. • CLAT 2021 and 2020 Papers with detailed explanations • Actual Papers and Sample Question Papers • Smart Answer key with detailed explanations. • Blended Learning (Print and online support) • All Typologies of Questions included for exam oriented preparation • Tips & Tricks to crack the Exam in first attempt • NLU's 2021, 2020, 2019 & 2018 Cut-offs • NLU's ranking on the basis of NIRF 2019 & 2020 • QR Codes for detailed explanations of Sample Question Papers • CLAT 2021 First Edition was the Bestseller

The Second Edition of the book encompasses two new

chapters Strategic Cost Management and Business Ethics A Strategic Financial Management Instrument. The book, being an augmented version of the previous edition, equips the young managers with the fundamentals and basics of strategic management and financial management in a cogent manner. The text now provides a better orientation to the students on the topics like corporate restructuring, divestitures, acquisitions, and mergers in the global context with the help of examples and caselets. The book has been revised keeping in view the requirements of postgraduate students of management and the students pursuing professional courses such as CA, MFC and CS. In addition, professionals working in the corporate sector may also find the book beneficial to integrate the financial management functions into business strategy and financial operations. Distinctive features

- Model question papers have been appended at the end of the book.
- Better justification of topics by merging the contents wherever required.
- Theory supported with caselets inspired from global as well as Indian context.

Student community and teaching fraternity has diverse aspirations. This book fills aspiration gaps of teachers and students. Often, students find it difficult to practice in a progressive manner as the number of problems available, are not sufficient. Teachers on the other hand find it difficult to show variety of problems and diversity of topic due to class room limitations. This book will serve the aspirations of teachers as well as students.

Legal Aspects of Business is an important constitute of the business and corporate environment. No Corporate entity can effectively work and survive without meeting legal obligations. This book says it all in the form of Questions and Answers.
