Dragon Naturally Speaking QuickTorial will provide everything needed to master voice recognition in 12+ hours. This fully tested product trains the computer as much as it trains the user. Users will become experts at dictation with Dragon Naturally Speaking. Also included in this book is a special appendix on Conversa Web, software that allows the user to dictate commands to an Internet browser instead of using the keyboard and mouse.

This Curriculum Guide is a supplementary instructional tool designed for users of South-Western texts about Microsoft Office 2000. This guide provides all the information necessary for a complete curriculum for this popular suite of applications. Different areas covered include Word, Excel, Access, PowerPoint, Outlook, FrontPage, and Publisher. Three different series are covered as curriculums: South-Western series, QuickTorial series, and the Napier and Judd series. Users will also find the basic facts about Microsoft Office User Specialist (MOUS) certification.
