The telegram Samantha Sawyer Rodriguez holds is her key to freedom: her late uncle, Ezra, has left her his ranch in Sweetwater Springs, Montana. At last, she and her young son will have a true home, and she can finally pursue her dreams of raising her prized miniature horses and building a sanctuary for wayward orphans. Prosperous rancher Wyatt Thompson has long coveted that river property. It s bad enough that Ezra s niece refuses to sell it, but worse by far that she s stubborn, proud, and breathtakingly beautiful. The lovely widow and her adopted sons awaken memories of a shameful past he s struggled to overcome. Yet when Samantha s safety is threatened, he ll risk everything to save the unexpected family he s come to cherish. In this follow-up to Wild Montana Sky, her acclaimed USA Today bestselling romance, Debra Holland sweeps listeners back to that majestic, historical landscape in an extraordinary story of redemption, courage, and tender, steadfast love."

Billy Frank Jr. was an early participant in the fight for tribal fishing rights during the 1900s. Roughed up, belittled, and handcuffed on the riverbank, he emerged as one of the most influential Northwest Indians in modern history. His efforts helped bring about the 1974 ruling by Federal Judge George H. Boldt affirming Northwest tribal fishing rights and allocating half the harvestable catch to them. Today, he continues to support Indian country and people by working to protect salmon and restore the environment. Where the Salmon Run tells the life story of Billy Frank Jr., from his father's influential tales, through the difficult and contentious days of the Fish Wars, to today. Based on extensive interviews with Billy, his family, close advisors, as well as political allies and former foes, and the holdings of Washington State's cultural institutions, we learn about the man behind the legend, and the people who helped him along the way.

A man ruled by his gun meets a woman led by her heart in a dazzling western historical romance from the bestselling author of Shameless. When Moss Tucker smells danger, he shoots it. When he needs shelter, he grabs it. And when he wants a woman's touch, he buys it. But then he sees Amanda Boone's sparkling azure eyes—an innocent beauty like her would never get involved with a law-breaking man like him. Chestnut-haired Amanda tries to keep her gaze on the vast frontier that flashes past her train window—but it keeps straying to the buckskin-clad stranger. Every inch of him is virile and strong. She knows it's wrong to even think of his muscular arms crushing her soft curves in a fierce embrace. Yet she vows that before the trip is over he will be the one to tame her savage desire with his wild and lawless love. "Bitner's characters spring to life . . . Extraordinary for the depth of emotion with which they are portrayed." —Publishers Weekly
