Said Twinkle Khanna, of Mrs. Funnybones Movies, “Salaam Noni Appa, from my second book, loosely based on the relationship between my grandmother and her sister, was first adapted into a lovely play.

Full of wit and delicious observations, Mrs Funnybones captures the life of the modern Indian woman a woman who organizes dinner each evening after having been at work all day, who runs her own life but has to listen to her mummyji, who worries about her weight and the state of the country. Based on Twinkle Khanna’s super-hit column, Mrs Funnybones marks the debut of one of our funniest, most original voices.

'Observant, moving, hilarious and exceptionally astute...Paradise Towers is no slice of life...it's an entire loaf' - Karan Johar 'Thoughtful, incisive and nuanced - just like the author' - Priyanka Khanna, Vogue Dinesh opens the door to the Kapoor flat to find Lata, the enchantress who works at Mrs Aly Khan's, carrying a hot case with freshly made gaajar ka halwa. On the first floor, the inquisitive Mrs Mody wipes the dust off her precious binoculars to spy on the building's security guard. The Singhs open the doors of their SUV, their four boys creating a ruckus - they are the newcomers, the outsiders. Through the peephole, the ever-watchful Mrs Ranganekar observes their arrival. Welcome to Paradise Towers, an apartment building in central Mumbai. Everyone here has a story to tell. Or maybe they have stories to hide.Shweta Bachchan-Nanda's quirky, intimate debut explores the intertwined lives in this building - a forbidden romance, an elopement, the undercurrents of tension in corridor interactions and an explosive Diwali celebration. Bachchan-Nanda's is a dazzling voice that will draw you into the intoxicating, crazy world that is Paradise Towers.

I am Lakshmi Prasad, native of Bitihar. I am doing PhD on a very important subject “Mating habits of gay chimpanzees in West Africa” at PANU University, the best University in India and possibly the best University in the world. My idols are “Faizal Guru”, “Janab Kasab Sahib”, “Focus Carat”, “Baba Badkar”, “Zakir Nalayak”, “Gharkha Dutt”, “Dr. Kana Ayyub” and all PhD students who had committed suicide since they failed to solve their PhD problems. I personally feel that, all deprived Indians should automatically be awarded a PhD degree coupled with a free pension of 1 lakh rupees/month to be delivered in cash via post at door step. Till then we are going to fight for azaadi from India. Imagine a day, when no PhD student would have to commit suicide, imagine a day, when no lower caste will be humiliated by upper caste, s/he can use his/her doctorate degree and force others to call him/her Dr. X, Dr. Y ,etc.

Karan Johar is synonymous with success, panache, quick wit, and outspokenness, which sometimes inadvertently creates controversy and makes headlines. KJo, as he is popularly called, has been a much-loved Bollywood film director, producer, actor, and discoverer of new talent. With his flagship Dharma Production, he has constantly challenged the norms, written and rewritten rules, and set trends. But who is the man behind the icon that we all know? Baring all for the first time in his autobiography, An Unsuitable Boy, KJo reminisces about his childhood, the influence of his Sindhi mother and Punjabi father, obsession with Bollywood, foray into films, friendships with Aditya Chopra, SRK and Kajol, his love life, the AIB Roast, and much more. In his trademark frank style, he talks about the ever-changing face of Indian cinema, challenges and learnings, as well as friendships and rivalries in the industry. Honest, heart-warming and insightful, An Unsuitable Boy is both the story of the life of an exceptional film-maker at the peak of his powers and of an equally extraordinary human being who shows you how to survive and succeed in life.

In India's tropical paradise, stands a town wrapped around a giant roundabout, where a canny caretaker with a French connection holds sway. Vying for his attention are two competing neighbours. Appu holds lessons for the living but Maya cares only for the dead. And a gastronome dog plays ball girl to tennis-loving nuns. At the centre is an imposing temple so ancient that no one knows exactly when it was built. Here, even a tiny railway station has set its own rules for acceptance and belonging. On the other side of the tracks, a baker runs errands for total strangers in the middle of a pandemic. Malgudi Days meets reality in the search for joy and belonging in a book that is alternatively heartwarming and hilarious. Anjana Menon takes you to a place that you wish stays that way forever, in these true stories of hope and resilience from a midway Kerala town.

Meet Aniket. Twenty-seven, techie, Mr. Average. His best friend is Subbu, a nerd who breathes, thinks and lives code. Aniket cannot believe his luck when he starts dating Trish--a stunning, sexy model, who is totally out of his league. But Trish has a list of things she wants him to work on, beginning with his potbelly and his geekiness. Then there's Nidhi, thirty-two, who has quit her corporate job to follow her passion. She is engaged to Manoj, Mr. Perfect--except for one aspect. Aniket and Nidhi meet on a train, a chance encounter, and she agrees to become his 'relationship coach.' It's a decision that sets into motion a chain of events that will have a profound impact on the lives of all involved. One man, two women, and the trap called Destiny. Some things, they say, are all in the planets.

Here is the astonishing true story of Bollywood, a sweeping portrait about a country finding its identity, a movie industry that changed the face of India, and one man's struggle to become a star. Shah Rukh Khan's larger than life tale takes us through the colorful and idiosyncratic Bollywood movie industry, where fantastic dreams and outrageous obsessions share the spotlight with extortion, murder, and corruption. Shah Rukh Khan broke into this $1.5 billion business despite the fact that it has always been controlled by a handful of legendary film families and sometimes funded by black market money. As a Muslim in a Hindu majority nation, exulting in classic Indian cultural values, Shah Rukh Khan has come to embody the aspirations and contradictions of a complicated culture tumbling headlong into American style capitalism. His story is the mirror to view the greater Indian story and the underbelly of the culture of Bollywood. "A bounty for cinema lovers everywhere." --Mira Nair, Director, The Namesake and Monsoon Wedding "King of Bollywood is the all-singing, all-dancing back stage pass to Bollywood. Anupama Chopra chronicles the political and cultural story of India with finesse and insight, through fly-on-wall access to one of its biggest, most charming and charismatic stars." -- Gurinder Chadha, director of Bend it Like Beckham "The "Easy Rider Raging Bull" of the Bollywood industry and essential reading for any Shah Rukh Khan fan." --Emma Thompson, actress "Anu Chopra infuses the pivotal moments of Shah Rukh Khan's life with an edge-of-your-seat tension worthy of the best Bollywood blockbusters." --Kirkus

This wry and visceral debut novel follows a young Turkish-American woman who, rather than grieving her father's untimely death, seeks treatment for a stubborn headache and grows obsessed with a centuries-old theory of medicine. Twenty-year-old Sibel thought she had concrete plans for the summer. She would care for her grandmother in Istanbul, visit her father’s grave, and study for the MCAT. Instead, she finds herself watching Turkish soap operas and self-diagnosing her own possible chronic illness with the four humors theory of ancient medicine. Also on Sibel’s mind: her blond American boyfriend who accompanies her to Turkey; her energetic but distraught younger sister; and her devoted grandmother, who, Sibel comes to learn, carries a harrowing secret. Delving into her family’s history, the narrative weaves through periods of political unrest in Turkey, from military coups to the Gezi Park protests. Told with pathos and humor, Sibel’s search for strange and unusual cures is disrupted as she begins to see how she might heal herself through the care of others, including her own family and its long-fractured relationships.

In this decadent, deeply evocative novel, a young artist travels to Rome to heal a broken heart, where she confronts loneliness and intimacy, rage and desire: “Sensorial as hell . . . A stunningly cool and stylish debut" (Paul Beatty, Man Booker Prize-winning author of The Sellout). Emilia arrives in Rome reeling from heartbreak and reckoning with her past. What was supposed to be a romantic trip has, with the sudden end of a relationship, become a solitary one instead. As she wanders, music, art, food, and the beauty of Rome's wide piazzas and narrow streets color Emilia's dreamy, but weighty experience of the city. She considers the many facets of her life, drifting in and out of memory, following her train of thought wherever it leads. While climbing a hill near Trastevere, she meets John, an American expat living a seemingly idyllic life. They are soon navigating an intriguing connection, one that brings pain they both hold into the light. As their intimacy deepens, Emilia starts to see herself anew, both as a woman and as an artist. For the first time in her life, she confronts the ways in which she's been letting her father’s success as a musician overshadow her own. Forced to reckon with both her origins and the choices she's made, Emilia finds herself on a singular journey—and transformed in ways she never expected. Equal parts visceral and cerebral, Six Days in Rome is an ode to the Eternal City, a celebration of art and creativity, and a meditation on self-discovery. Includes a Reading Group Guide.

Mandira Bedi is a fitness icon.But behind the six-pack is also a snotty, complaining, can't-get-out-of-bed-today girl who, in her own way, is still searching for true happiness. Not conditional, materialistic, transactional happiness, but just happiness. So has she cracked it yet? Mandira says 'No'. But she genuinely believes that she's headed in the right direction. In her own chaotic way, she seems to have discovered some kind of non-scientific, non-spiritual and as-yet-non-existent formula for finding peace in everything. Just being happy-for no reason. This book is about that.
