questions, facts, quiz contest, general awareness and mental ability test in every monthly issue.

Plant cell structure and function; Gene expression and its regulation in plant cells; The manipulation of plant cells.

This textbook has been designed to meet the needs of B.Sc. First Semester students of Botany as per the UGC Choice Based Credit System (CBCS). It acquaints students with general characteristics, classification and economic importance of various divisions of biodiversity i.e., Microbes, Algae, Fungi and Archegoniate. While it provides strong conceptual understanding of the subject, it also helps in developing scientific outlook of the student.

This book has been divided in 18 chapters for convenient understanding. It also includes solved model test papers of the previous three years of AIIMS, CBSE-PMT and CPMT-UP to enable students to develop the skills of problem solving and time management, essential for any entrance examination. In addition to providing answers to all the questions, detailed explanatory notes to selected difficult question have also been provided to justify the answer. A separate section of Assertion and Reasons is also provided. * Exhaustive Question Bank * Explanatory Notes and Hints * Assertions & Reasons * Includes Pre-solved papers of three years * Models Test Papers of AIIMS, CBSE(PMT), CPMT

"[The book] has been designed for one- and two-semester courses for undergraduates majoring in biochemistry and related disciplines, as well as for graduate students who require a broad introduction to biochemistry. It is also suited for courses at medical, dental, veterinary, pharmacy, and other professional schools. The book will be used most successfully by students who have completed two years of college-level chemistry, including organic chemistry, and have received at least an introduction to biology. While some background in physics and physical chemistry would be useful, all relevant principles are introduced in a manner that should make them accessible to most students"--Preface.
