In My Brother My Sister, Haskell documents her sibling's amazing journey of transformation from male to female – but it's not about sex, it's about identity – about the price of belonging. Above all this is an achingly personal story. It takes courage for brother Chevey to become sister Ellen and for Haskell to confront her doubts.

My Brother My Sister: Story of a Transformation: Haskell ...

This was a disappointing book written by the sister of Ellen Haskell, who was a successful businessman who changed his gender in 2010 when s/he was 59. Molly, the sister, seemed intolerant and upset that her brother ' s changes were interfering with her life and the lives of his ex-wives.

My Brother My Sister: Story of a Transformation by Molly ...

My Brother My Sister carries the reader through this sister, brother, sister saga with the nuanced balance of personal, cultural, biological and emotional terrain and provides a profound exploration of loss, transformation, identity, self-knowledge and sisterhood in the familial and feminist sense.

I was able to access previously unseen Stasi documents about my brother. One page was a report of when I met my mother and sister in Prague for the first time after I had left the GDR.

A feminist film critic 's thoughtful, outspoken memoir about transgender and family On a visit to New York, the brother of well-known film critic Molly Haskell dropped a bombshell: Nearing age sixty, and married, he had decided to undergo sugery to become a woman. In the vein of Jan Morris 's classic Conundrum and Jennifer Finney Boylan's She's Not There, a transgender memoir, Haskell 's My Brother My Sister gracefully explores a delicate subject, this time from the perspective of a family member. Haskell chronicles her brother Chevey 's transformation through a series of psychological evaluations, grueling surgeries, drug regimens, and compartment and fashion lessons as he becomes Ellen. Despite Haskell 's liberal views on gender roles, she was dumbfounded by her brother 's decision. With candor and compassion, she charts not only her brother 's journey to becoming her sister, but also her own path from shock, confusion, embarrassment, and devastation to acceptance, empathy, and the pleasure of having a sister. Haskell widens the lens on her brother 's story to include scientific and psychoanalytic views. In an honest, informed voice, she has revealed the controversial world of gender reassignment and transsexuals from both a personal and a social perspective in this frank and moving memoir.

compassion, she charts not only her brother ' s journey to becoming her sister, but also her own path from shock, confusion, embarrassment, and devastation to acceptance, empathy, and love. Haskell widens the lens on her brother ' s story to include scientific and psychoanalytic views. In an honest, informed voice, she has revealed the controversial world of gender reassignment and transsexuals from both a personal and a social perspective in this frank and moving memoir.

The author of the critically acclaimed SO FAR FROM THE BAMBOO GROVE continues her autobiography, describing the hardships, poverty, tragedies, and struggles of life for her and her two older siblings, living as refugees in post-World War II Japan.

Haskell keeps both novel and movie at hand, moving from one to the other, comparing and distinguishing what Margaret Mitchell expresses from what obsessive producer David O. Selznick, directors George Cukor and Victor Fleming, screenplaywrights Sidney Howard and a host of fixers (including Ben Hecht and Scott Fitzgerald), and actors Vivien Leigh, Clark Gable, Hattie McDaniel, and others convey. She emphasizes the contributions of Selznick, Leigh, and in an entire chapter, Mitchell, drawing heavily and analytically on existing biographies, the literature of women and the Civil War, Civil War films (especially Birth of a Nation and Jezebel), and film criticism to such engaging effect as to not just revisit GWTW but to revive and intensify the enduring fascination of what Selznick dubbed the American Bible. --Olson, Ray Copyright 2009 Booklist.

An older brother reacts to his younger sibling's gender transformation with compassion. Includes a note from the author.

Looks at the early life of Martin Luther King, Jr., as seen through the eyes of his older sister.

A boy imagines amazing adventures he will have when his brother arrives home.

From bestselling author and actress Holly Robinson Peete--a heartwarming story about a boy who happens to be autistic, based on Holly's son, who has autism. "Charlie has autism. His brain works in a special way. It's harder for him to make friends. Or show his true feelings. Or stay safe." But as his big sister tells us, for everything that Charlie can't do well, there are plenty more things that he's good at. He knows the names of all the American presidents. He knows stuff about airplanes. And he can even play the piano better than anyone he knows. Actress and national autism spokesperson Holly Robinson Peete collaborates with her daughter on this book based on Holly's 10-year-old son, who has autism.

Mercer Mayer's Little Critter spends time with his brother and sister in these classic, funny, and heartwarming stories. Featuring Just Me and My Little Brother and Me Too!, this two-in-one picture book is an endearing tribute to brothers and sisters

When they were children in the suburbs of Los Angeles in the 1950s, Diane Keaton and her younger brother, Randy, were best friends and companions- they shared stories at night in their bunk beds; they swam, laughed, and dressed up for Halloween. Their mother captured their American-dream childhoods in her diaries and on camera. But as they grew up, Randy became troubled, then reclusive. By the time he reached adulthood, he was divorced, an alcoholic, a man who couldn't hold on to full-time work-his life was a world away from his sister's and from the rest of their family. Now Diane is delving into the nuances of their shared, and separate, pasts to confront the difficult question of why and how Randy ended up living his life on "the other side of normal." In beautiful and fearless prose that's intertwined with photographs, journal entries, letters, and poetry-many of them Randy's own writing and art-this insightful memoir contemplates the inner workings of a family, the ties that hold it together, and the special bond between siblings even when they are pulled far apart. Here is a story about love and responsibility; about how, when we choose to reach out to the people we feel closest to-in moments of difficulty and loss-surprising things can happen. A story with universal echoes, Brother & Sister speaks across generations to families whose lives have been touched by the fragility and "otherness" of loved ones-and to brothers and sisters everywhere.
