My Life is a 2004 autobiography written by former President of the United States Bill Clinton, who left office on January 20, 2001. It was released on June 22, 2004. The book was published by the Knopf Publishing Group and became a bestseller; the book sold in excess of 2,250,000 copies. Clinton had received what was at the time the world's highest book advance fee, \$15 million (equivalent to ...

### My Life (Clinton autobiography) - Wikipedia

I don't care what you say anymore, this is my life Go ahead with your own life, leave me alone I never said you had to offer me a second chance I never said I was a victim of circumstance I still belong, don't get me wrong And you can speak your mind, but not on my time They will tell you you can't sleep alone in a strange place Then they'll tell you you can't sleep with somebody else Ah, but ...

Summer's finally here, and Derek Fallon is looking forward to pelting the UPS truck with water balloons, climbing onto the garage roof, and conducting silly investigations. But when his parents decide to send him to Learning Camp, Derek's dreams of fun come to an end. Ever since he's been labeled a "reluctant reader," his mom has pushed him to read "real" books-something other than his beloved Calvin & Hobbes. As Derek forges unexpected friendships and uncovers a family secret involving himself (in diapers! no less), he realizes that adventures and surprises are around the corner, complete with curve balls. My Life as a Book is a 2011 Bank Street - Best Children's Book of the Year.

A bright star of the Italian Renaissance, Girolamo Cardano was an internationally-sought-after astrologer, physician, and natural philosopher, a creator of modern algebra, and the inventor of the universal joint. Condemned by the Inquisition to house arrest in his old age, Cardano wrote The Book of My Life, an unvarnished and often outrageous account of his character and conduct. Whether discussing his sex life or his diet, the plots of academic rivals or meetings with supernatural beings, or his deep sorrow when his beloved son was executed for murder, Cardano displays the same unbounded curiosity that made him a scientific pioneer. At once picaresque adventure and campus comedy, curriculum vitae, and last will, The Book of My Life is an extraordinary Renaissance self-portrait—a book to set beside Montaigne's Essays and Benvenuto Cellini's Autobiography.

With three generations of one family we share moments that are meant to be savored in this special book that beautifully illustrates the words John Lennon and Paul McCartney's world-renowned song "In My Life." There are places I'll remember, in my life, though some have changed... One gift with a bright bow starts a young girl on a path—one her mother follows with her as she explores, grows, and rides off on her own, only to return again with her own daughter in tow. This hauntingly beautiful book shares the small moments of that journey that are meant to be remembered and savored in the lyrics of this classic song.

The story of the rise and fall of the popular teen magazine draws on interviews with the periodical's staff to describe its frank coverage of taboo subjects, its battles with critics, and its lasting influence.

Presents journal ideas for young readers who are ill to write about their life, interests, family, friends, and personal experiences.

The early novel that established Meg Wolitzer's career, later made into Nora Ephron's first film as a director. The third book by New York Times-bestselling author Meg Wolitzer (originally published as *This Is Your Life*), a smart, witty and perceptive novel about the daughters of a female stand-up comic who watch as their mother struggles to balance her career with the needs of her children. Dottie Engels, comedienne extraordinaire, performs her act in Vegas and on late-night TV. Her two daughters, Opal and Erica, live on the periphery of her glittering life, seeing her on the television screen more often than they do at home. But when Dottie's ratings begin to slide, it takes both her daughters to save Dottie from herself. Displaying Wolitzer's signature style that combines keen observations, compassion for her characters, sharp humor, and a strong social hook, *This Is My Life* expertly captures the uncertainties of adolescence and the trials of growing up in the shadow of a mother who is caught between the conflicting pulls of fame and family.

People Pick • O Magazine Title to Pick Up Now • Vanity Fair Hot Type • Glamour New Book You're Guaranteed to Love This Summer • LitHub.com Best Book about Books • BuzzFeed Book You Need to Read This Summer • Seattle Times Book for Summer Reading • Warby Parker Blog Book Pick • Google Talks • Harper's Bazaar • Vogue • The Washington Post • The Economist • The Christian Science Monitor • Salon • The Atlantic Imagine keeping a record of every book you've ever read. What would this reading trajectory say about you? With passion, humor, and insight, the editor of *The New York Times Book Review* shares the stories that have shaped her life. Pamela Paul has kept a single book by her side for twenty-eight years • carried throughout high school and college, hauled from Paris to London to Thailand, from job to job, safely packed away and then carefully removed from apartment to house to its current perch on a shelf over her desk • reliable if frayed, anonymous-looking yet deeply personal. This book has a name: Bob. Bob is Paul's Book of Books, a journal that records every book she's ever read, from *Sweet Valley High* to *Anna Karenina*, from *Catch-22* to *Swimming to Cambodia*, a journey in reading that reflects her inner life • her fantasies and hopes, her mistakes and missteps, her dreams and her ideas, both half-baked and wholehearted. Her life, in turn, influences the books she chooses, whether for solace or escape, information or sheer entertainment. But *My Life with Bob* isn't really about those books. It's about the deep and powerful relationship between book and reader. It's about the way books provide each of us the perspective, courage, companionship, and imperfect self-knowledge to forge our own path. It's about why we read what we read and how those choices make us who we are. It's about how we make our own stories.

Today, my boss fired me via text message. I don't have a text messaging plan. I paid 25 cents to get fired. Your girlfriend dumped you, your car broke down, your boss passed you up for the big promotion. Life's not fair, but there is one sure-fire way to ease your pain—laughing at someone else who had an even worse day than you did. Enter the devastatingly funny world of *F My Life*, where calamity is comedy. Covering every disastrous pratfall in love, work, family-life, and more, *F My Life* proffers other people's ruinous, real-life happenings to brighten your gloomiest day: someone getting dumped through a greeting card, ignored at their birthday party, or insulted by their own grandmother. Spanning everything from ironic twists of fate to down-right shameful moments, *F My Life*'s squirm-inducing stories are schadenfreude at its finest. So today, take solace in knowing that at least you're not that guy. There now, don't you feel better? Today, my boyfriend broke up with me. I cried and told him that I loved him. He gave me a quarter and told me to call someone who cared. I threw the quarter in his face and ran. I waited for the bus, but when I got on, I realized I was 25 cents short of the fare. I walked home in the rain. Today, my mom walked in on me looking at a 1978 *Playboy*. She asked if I found it in the basement. I said yes. Then I realized she was the centerfold. Today, I got in line at the grocery store. The woman in front of me looked right at me, turned to her friend, and said "That reminds me, I forgot to get acne cream."

*Where Have I Been All My Life?* is a compelling memoir recounting one woman's journey through grief and a profound feeling of unworthiness to wholeness and healing. It begins with the chillingly sudden death of Rice's mother, and is followed by her foray into the center of mourning. With wisdom, grace, and humor, Rice recounts the grief games she plays in an effort to resurrect her mother; her efforts to get her therapist, who she falls desperately in love with, to run away with her; and the transformation of her husband from fantasy man to ordinary guy to superhero. In the process, she experiences aching revelations about her family and her past—and realizes what she must leave behind, and what she can carry forward with her.

#1 NEW YORK TIMES BESTSELLER • Discover Jane Fonda, in her own words—and now experience the story of her life in the HBO documentary *Jane Fonda in Five Acts*. "To hold this book in your hands is to be astonished by how much living can be packed into sixty-plus years." *Los Angeles Times* America knows Jane Fonda as actress and activist, feminist and wife, workout guru and role model. In this extraordinary memoir, Fonda shows that she is much more. From her youth among Hollywood's elite to her film career and her activism today, Fonda reveals intimate details and personal truths she hopes "can provide a lens through which others can see their lives and how they can live them a little differently." Surprising, candid, and wonderfully written, *My Life So Far* is filled with insights into the personal struggles of a woman living a remarkable life. "In the process of writing this book I discovered there were clear, broad, even universal themes that ran through my life, a coherent arc to my journey that, if I could be truthful in the telling, might provide a road map for other women as they face the challenges of relationships, self-image, and forgiveness. What I did not anticipate was how my journey would also resonate with men." *From the Introduction Praise for My Life So Far* "[A] sisterly, enveloping memoir . . . an intimate, haunting book that might as well be catnip from its ever controversial author." *Janet Maslin, The New York Times* "Terrific . . . rich . . . unexpectedly quite moving." *San Francisco Chronicle* "Fiercely intelligent, detailed, probing, rigorously revealing." *O: The Oprah Magazine* "Fonda possesses a raw and affecting candor. . . . Her honesty [is] a force." *The Philadelphia Inquirer* "A fearless book . . . fascinating." *Chicago Sun-Times* "Truly compelling." *The Atlanta Journal-Constitution* "Riveting." *Seattle Post-Intelligencer*
