EBONY is the flagship magazine of Johnson Publishing. Founded in 1945 by John H. Johnson, it still maintains the highest global circulation of any African American-focused magazine.

Finding faith can sometimes surprise you. In a suburban town in Southern England, Kitty's life is turned upside down by a mysterious letter from a brother she never knew she had. Meanwhile—and quite unexpectedly—she encounters the enigmatic and brooding Yani Belushi, a pianist who is carrying his own dark and sorrowful secret born out of a fractured childhood in former communist Albania. An inherited 'cello becomes the unlikely accomplice as their two worlds of music and adoption collide, each seeking resolution and discovery - with mesmerising results. Loosely inspired by real events, *The Grace Note* is about small things and big things: and which is which. It's a tale of loss and redemption, an honest search for faith in the divine, and the realisation that - when all is said and done - life's every day and seemingly tiny serendipitous moments can evolve into something underserved yet truly magnificent.. 'I am delighted to recommend *The Grace Note*. Jaqi has cleverly crafted a beautiful and moving story, which will linger with you long afterwards. A real blessing!' —Mark Batterson, New York Times best-selling author of *The Circle Maker* 'Such an uplifting and emotional novel that I couldn't put it down.' —Shara Grylls, wife of Bear Grylls

In the spirit of *The Gentle Art of Swedish Death Cleaning* and *The Joy of Less*, experience the benefits of buying less and sharing more with this accessible 7-step guide to decluttering, saving money, and creating community from the creators of the Buy Nothing Project. In their island community, friends Liesl Clark and Rebecca Rockefeller discovered that the beaches of Puget Sound were spoiled by a daily influx of plastic items and trash washing on shore. From pens and toothbrushes to toys and straws, they wondered, where did it all come from? Of course, it comes from us—our homes, our backyards, our cars, and our workplaces. And so, a rallying cry against excess stuff was born. In 2013, they launched the first Facebook Buy Nothing Project group in their small town off the coast of Seattle, and they never expected it to become a viral sensation. Today there are thousands of Buy Nothing groups all over the world, boasting more than a million members, and 5,000 highly active volunteers. Inspired by the ancient practice of gift economies, where neighbors share and pool resources, *The Buy Nothing, Get Everything Plan* introduces an environmentally conscious 7-step guide that teaches us how to buy less, give more, and live generously. At once an actionable plan and a thought-provoking exploration of our addiction to stuff, this powerful program will help you declutter your home without filling landfills, shop more thoughtfully and discerningly, and let go of the need to buy new things. Filled with helpful lists and practical suggestions including 50 items you never need to buy (Ziploc bags and paper towels) and 50 things to make instead (gift cards and salad dressing), *The Buy Nothing, Get Everything Plan* encourages you to rethink why you shop and embrace a space-saving, money-saving, and earth-saving mindset of buying less and sharing more.
