Demonstrates the role of self-esteem in psychological health and presents six action-based practices that provide a foundation for daily life

Of all the judgments you make in life, none is as important as the one you make about yourself. The difference between low self-esteem and high self-esteem is the difference between passivity and action, between failure and success. Now, one of America's foremost psychologists and a pioneer in self-esteem development offers a step-by-step guide to strengthening your sense of self-worth. Here are simple, straightforward and effective techniques that will dramatically improve the way you think and feel about yourself. You'll learn: How to break free of negative self-concepts and self-defeating behavior. How to dissolve internal barriers to success in work and love. How to overcome anxiety, depression, guilt and anger. How to conquer the fear of intimacy and success. How to find -- and keep -- the courage to love yourself. And much more.

* Our summary is short, simple and pragmatic. It allows you to have the essential ideas of a big book in less than 30 minutes. *By reading this summary, you will discover the impact of our negative thoughts on our lives, as well as the six practices to adopt in order to nourish and develop self-confidence. *You will also learn that : self-acceptance and self-control are necessary factors in our evolution; we are the only ones responsible for our life and our happiness: our choices and their realization are entirely up to us; it is essential to assert one's personality and one's right to exist, to take one's place in the world, to create one's vital space and not to be afraid to speak or act according to our deepest values; to find meaning in our life, we must focus it on a goal to be identified and identify the steps to achieve it; we must show personal integrity to create harmony between what we say and what we do, to be authentic to ourselves and to others. *These days, everything goes too fast. Society asks us to be efficient, productive and self-confident in an ever-changing world, which is often a threat to our inner balance. We then come to doubt ourselves by experiencing feelings of guilt, shame, inadequacy, inferiority. How can we find our place in an environment that is beyond us? You will be able to benefit from the advice of Nathaniel Branden, a renowned psychologist in the United States. In his work, he insists on the importance of self-esteem, willpower and personal choices to lead a life that truly corresponds to us. *Buy now the summary of this book for the modest price of a cup of coffee!

Self-concept is destiny What is the most important judgement you will ever make? The judgement you pass on yourself. Self-esteem is the key to success or failure. "Tell me how a person judges his or her self-esteem," says pioneering psychologist Nathaniel Branden, "and I will tell you how that person operates at work, in love, in sex, in parenting, in every important aspect of existence—and how high he or she is likely to rise. The reputation you have with yourself—your self-esteem—is the single most important factor for a fulfilling life." • How to grow in self-confidence and self-respect. • How to nurture self-esteem in children. • How to break free of guilt and fear of others' disapproval. • How to honor the self—the ethics of rational self-interest.

Explains principles for deliberate living and discusses the importance of increased awareness and conscious choice to the quest for fulfillment

The bestselling author of "The Psychology of Self-Esteem" presents an illuminating guide to self-realization through self-reliance and a vision of a society transformed by a new ethical individualism.

The easy-to-follow guide to learning how to awaken your inner passions and become influential at work, step out of your comfort zone, and control your emotions to help with addictions and depression. Description The 5-second rule is the opportunity to bring change in your life by teaching you one simple thing: HOW to change. By counting backward from five, you will learn how to wake up your inner genius, leader, rock star, athlete, artist, or whatever passion you have inside. Full of real-life testimonies of people who used this rule in unique ways to take charge of their lives, you can adopt this technique as well to change the trajectory of your life. Use the technique in a variety of ways: become influential at work, step out of your comfort zone, become more effective at networking, self-monitor as well as control your emotions and help with addictions and depressions. Similar to Nike ' s tagline " Just Do It! " which refers to what you need to do, the 5-second rule tells you how to do it. By using the word " just, " Nike acknowledges that we all struggle with pushing ourselves to be better and that we are not alone in this struggle. It acknowledges that we all need a push sometimes to get started, and by using the 5-second rule Meg Robbins helps give you that push!
