Nation is a novel by Terry Pratchett, published in the UK on 11 September 2008. It was the first non- Discworld Pratchett novel since Johnny and the Bomb (1996). Nation is a low fantasy set in an alternative history of our world in the 1860s. The book received recognition as a Michael L. Printz Honor Book for 2009.

Nation (novel) - Wikipedia

The Nation as it was has gone. Now there’s just Mau, who wears barely anything, a trouserman girl who wears far too much, and an awful lot of big misunderstandings… Wise, witty and filled with Terry Pratchett’s inimitable comic satire, this is a terrific adventure that – quite literally – turns the world upside down.

Nation | Sir Terry Pratchett

Da Terry Pratchett leider nur einmal pro Jahr einen Scheibenwelt-Roman veröffentlicht, bin ich gezwungen auf andere Terry Pratchett-Bücher (oder andere Autoren) auszuweichen. "Nation" ist weit ab von Inhalt und Humor der der Scheibenwelt, und das ist auch gut so.

Nation: Amazon.co.uk: Pratchett, Terry: Books

Terry Pratchett 4.07 · Rating details · 31,717 ratings · 2,816 reviews Alone on a desert island — everything and everyone he knows and loves has been washed away in a storm — Mau is the last surviving member of his nation. He’s completely alone — or so he thinks until he finds the ghost girl.

Nation (The Play) | Sir Terry Pratchett

Pratchett's probing on this subject is gentle, and though it is clear where his sympathies lie, 'Nation' is not atheist propaganda. What it is, is an exhortation against blind faith, in anything, not just religion. His characters are constantly asked to question their assumptions, and Pratchett expects his readers to do so too.

Written by Terry Pratchett Add To Basket Add To A Reading List Read an Extract LoveReading View on Nation Hugely entertaining, this is a fully envisaged fantasy adventure, which makes serious points about the importance of the past from the master storyteller and author of the hugely popular Discworld series.

Nation (9780552557795) by Terry Pratchett ...

(9.7/10) Nation will make you feel good for a week (hopefully more, we♦ill see) and will remind you once... In what can really only be called a tour de force by an author who is arguably the greatest living English novelist, Terry Pratchett has pulled out all the stops for his latest book, Nation.

Nation by Terry Pratchett book review - Fantasy Book Review

Pratchett himself has celebrated in brilliantly perverse fashion by producing a non-Discworld book. Nation takes place on a South Sea island in a skewed version of the 19th century. As a genre, the...

Review: Nation by Terry Pratchett | Books | The Guardian

Sir Terry Pratchett was the internationally bestselling author of more than thirty books, including his phenomenally successful Discworld series. His young adult novel, The Amazing Maurice and His Educated Rodents, won the Carnegie Medal, and Where's My Cow?, his Discworld book for "readers of all ages," was a New York Times bestseller.

When a giant wave destroys his village, Mau is the only one left. Daphne—a traveler from the other side of the globe—is the sole survivor of a shipwreck. Separated by language and customs, the two are united by catastrophe. Slowly, they are joined by other refugees. And as they struggle to protect the small band, Mau and Daphne defy ancestral spirits, challenge death himself, and uncover a long-hidden secret that literally turns the world upside down.

After a tsunami destroys all that they have ever known, Mau, an island boy, and Daphne, an aristocratic English girl, together with a small band of refugees, set about rebuilding their community and the things that matter to them.

After a devastating tsunami destroys all that they have ever known, Mau, an island boy, and Daphne, an aristocratic English girl, together with a small band of refugees, set about rebuilding their community and all the things that are important in their lives.

Widely thought of as the best book Terry Pratchett ever wrote, this is a story of a Nation, a story of a friendship, a story of growing up and the truths we must learn. It is epic in every sense . . . Prepare for the world to be turned upside down . . . For Mau, halfway between boy and man, it happens when a great wave destroys his entire village. For Daphne, it's when the same wave crashes her ship into the island that was once Mau's home. Everything they once had is now so far away, lost to distance and time. But when Daphne stops trying to shoot Mau (she did apologise for it), and instead uses a salvaged invitation card to invite him to tea, they discover a new home can be theirs. And then people start arriving on the island – some very good, some very bad. And it's soon clear that Daphne and Mau must fight for their Nation. Then a discovery is made that will change the entire world forever . . .

Following the National Theatre's success with plays based on novels by well-loved children's writers like Philip Pulman (His Dark Materials), Jamila Gavin (Coram Boy) and Michael Morpurgo (War Horse), the National now stages Mark Ravenhill's exhilarating adaptation of Terry Pratchett's witty and challenging adventure story in a major Christmas production for 2009. A parallel world, 1860. Two teenagers thrown together by a tsunami that has destroyed Mau's village and left Daphne shipwrecked on his South Pacific island, thousands of miles from home. One wears next to nothing, the other a long white dress; neither speaks the other's language; somehow they must learn to survive. As starving refugees gather, Daphne delivers a baby, milks a pig, brews beer and does battle with a mutineer. Mau fights cannibal Raiders, discovers the world is round and questions the reality of his tribe's fiercely patriarchal gods. Together they come of age, overseen by a foul-mouthed parrot, as they discard old doctrine to forge a new Nation.

Beloved and bestselling author Sir Terry Pratchett's Dodger, a Printz Honor Book, combines high comedy with deep wisdom in a tale of one remarkable boy's rise in a fantasy-infused Victorian London. Seventeen-year-old Dodger is content as a sewer scavenger. But he enters a new world when he rescues a young girl from a beating, and her fate impacts some of the most powerful people in England. From Dodger's encounter with the mad barber Sweeney Todd, to his meetings with the great writer Charles Dickens and the calculating politician Benjamin Disraeli, history and fantasy intertwine in a breathtaking account of adventure and mystery.

Post-life citizens Breath challenged Vertically disadvantaged (buried, not short) Johnny Maxwell's new friends not appreciate the term "ghosts," but they are, well, dead. The town council wants to sell the cemetery, and its inhabitants aren't about to take that lying down! Johnny is the only one who can see them, and and the previously alive need his help to save their home and their history. Johnny didn't mean to become the voice for the lifeless, but if he doesn't speak up, who will? In Johnny Maxwell's second adventure, Carnegie Medalist Terry Pratchett explores the bonds between the living and the dead and proves that it's never too late to have the time of your life -- even if it is your afterlife!

A new stage adaptation of one of Pratchett's best-selling novels The Monstrous Regiment in question is made up of a vampire (reformed and off the blood, thank you), a troll, Igor (who is only too happy to sew you a new leg if you aren't too particular about previous ownership), a collection of misfits and a young woman discovers that a pair of socks shoved down her pants is a good way to open up doors in a man's army."One of the funniest English authors alive" (Independent)

The alien spaceship is in his sights. His finger is on the Fire button. Johnny Maxwell is about to set the new high score on the computer game Only You Can Save Mankind. Suddenly: We wish to talk. Huh? We surrender. The aliens aren't supposed to surrender -- they're supposed to die! Now what is Johnny going to do with a fleet of alien prisoners who know their rights under the international rules of war and are demanding safe-conduct? It's hard enough trying to save Mankind from the Galactic Hordes. It's even harder trying to save the Galactic Hordes from Mankind. But it's just a game, isn't it? Isn't it? Master storyteller Terry Pratchett leaves readers breathless -- with laughter, and with suspense -- in a reality-bending tale of virtual heroism.

Terry Pratchett takes Shakespeare's Macbeth and then turns it up 'till the knob comes off. It's all there - a wicked duke and duchess, the ghost of the murdered king, dim soldiers, strolling players, a land in peril. And who stands between the Kingdom and destruction? Three witches. Granny Weatherwax (intolerant, self-opinionated, powerful), Nanny Ogg (down-to-earth, vulgar) and Magrat Garlick (naïve, fond of occult jewellery and bunnies). Stephen Briggs has been involved in amateur dramatics for over 25 years and he assures us that the play can be staged without needing the budget of Industrial Light and Magic. Not only that, but the cast should still be able to be in the pub by 10 o'clock! Oh, and a world of advice omitted from the play text: LEARN THE WORDS Havelock, Lord Vetinari
