When Marjorie "Madgesty" Plum's life falls apart, she learns it's time to quit being a queen and time to start living. Marjorie Plum isn't your average washed up prom queen. After all, her New York City prep school was too cool for a royal court. Yet, ten years after high school graduation, she is undeniably stuck in the past and aching for that metaphorical tiara. When her life takes an unexpected turn, she is forced to start over, moving in to a tiny box of an apartment in Brooklyn with a musician roommate who looks like a pixie and talks like the Dalai Lama. Desperate to pay rent, she starts tutoring a precocious 11-year-old girl—who becomes the unknowing Ghost of Marjorie Past, beginning a surprise-filled journey towards adulthood, where she learns about herself from the most unlikely sources: a rekindled childhood love, a grumpy (but strangely adorable) new boss, even her tutee. Ultimately, though, she is the one who must decide: who is the real Marjorie Plum?

Going rogue in an effort to rescue her kidnapped parents has cost Reagan Hillis her automatic ticket to the Training Academy. But becoming a Black Angel is the only way Reagan will be able to exact revenge on her mother's merciless killer, Santino Torres. When Reagan is given a chance to prove that she's worthy of training to be a Black Angel, she also gets the first chance she's ever had to be her true self. No aliases. No disguises. But when her friend Luke joins her at the Black Angels training compound, Reagan finds herself once again torn between the person she was and the person she wants to be. Reagan has to prove that she's as good as her parents trained her to be, because she'll never find Torres without the Black Angels' help.

In this timely and provocative novel, internationally bestselling author Sarah Pekkanen takes us inside a family in crisis and a marriage on the brink after a tragic shooting. How far would you go to save your family? Every morning, as her husband Mike straps on his SIG Sauer and pulls on his heavy Magnum boots, Jamie Anderson tenses up. Then comes the call she has always dreaded: There's been a shooting at police headquarters. Mike isn't hurt, but his long-time partner is grievously injured. As weeks pass and her husband's insomnia and disconnectedness mount, Jamie realizes he is an invisible casualty of the attack. Then the phone rings again. Another shooting—but this time Mike has pulled the trigger. But the shooting does more than just alter Jamie's world. It's about to change everything for two other women. Christie Simmons, Mike's flamboyant ex, sees the tragedy as an opportunity for a second chance with Mike. And Jamie's younger sister, Lou, must face her own losses to help the big sister who raised her. As the press descends and public cries of police brutality swell, Jamie tries desperately to hold together her family, no matter what it takes. In her characteristic exploration of true-to-life relationships, Sarah Pekkanen has written a complex, compelling, and openhearted novel—her best yet.

Written by a seasoned, successful realtor, this book will walk you through getting your house ready to sell from day one to contract. You will learn secrets that even your own realtor won't tell you. You don't need to spend a fortune to sell your house. You will need to apply

some elbow grease but you may be surprised to find how little truly needs to be changed in order to "stage" your home for potential buyers. Some things you read may imply that staging is all that's necessary to sell your house but this simply isn't true. Staging is important and is a strategy you can't skip but there are a great number of other details that need to be addressed in order to make sure your home is marketable. Information is another critical factor. This booklet will outline which information you need to share with potential buyers and exactly how to do it. You won't be left to figure it out on your own. You don't have time to reinvent the wheel, you can't afford to learn by trial and error. You need the facts and you need them quickly if you're going to compete in today's real estate market. Like any other product for sale, your house needs to be marketed. You need to think in a whole new way about your house. In fact, you need to stop thinking of it as your house. You need to think of it as a product on the market and make it as accessible to others as possible. This doesn't take a genius to figure out but you have to know what to add and what to subtract in order to arrive at the perfect selling equation. This knowledge comes from experience. You may not have the experience but you will find everything you need in this small book. You will find it laid out in simple language that you won't need a real estate license to understand.

The Christmas season... Is perfect for new beginnings After a tragedy seventeen years ago, author Ella Jacobs never wanted to come back to Lighthouse Cove. Not to the whispered rumors, the judgment or even to Ben Winters, the boy she loved. Now she 's returned in time for Christmas—and some much-needed closure. But old flames burn bright. Can Ella find her way back to Ben...or will the secrets of their past extinguish their love for good?

Kresley Studying abroad was my chance to gain independence away from my privileged life in California. But, when there 's a kidnapping attempt on my life, I 'm forced to return home to finish college. I just never expected to get stuck with a pompous, know-it-all bodyguard who watches my every move with nothing but disdain. One whose good looks don 't soften the cold, impenetrable wall he wears like armor. Tristan I pride myself on being a professional and taking my job as a bodyguard seriously. But, nothing could prepare me for the high maintenance, rich girl I 'm hired to protect. She 's got a smart mouth, is hell-bent on pushing my buttons, and doesn 't take the threats against her seriously. And despite the nightmares that plague her dreams, or the fact that I 'm the only one who knows about them, I 'm not there to befriend her. I 'm there to protect her...no matter how much she intrigues me. Jabs will be exchanged, glares will
