4.5/5 stars It's all about the crew of Rocinante, and that's the main reason why Nemesis Games is the best book in the series so far. Here we are at the halfway point of the series. Nemesis Games, the fifth volume in The Expanse series by James S.A. Corey, once again put Holden, Naomi, Alex, and Amos in a tough spot. But get this, for the first time in the series, we finally have an entire book with POV chapters told exclusively through the eyes of these four characters.

NEMESIS GAMES is the fifth book in the Expanse series, which is about humanity 200 years in the future when we've managed to colonize the rest of the solar system. Humanity is divided into Earthlings, Martians, and Belters with varying degrees of oppression.

~~Amazon.com: Customer reviews: Nemesis Games (The Expanse)—~~

Nemesis' purpose as a character within Greek mythology is to highlight how actions, good or bad, have inevitable repercussions. Once again, the meaning of "Nemesis Games" appears to orbit around the new character of Marco Inaros, who is the "Nemesis" of The Expanse season 5 both in the modern and mythology meanings of the term.

The second book in the NYT bestselling Expanse series, Caliban's War shows a solar system on the brink of war, and the only hope of peace rests on James Holden and the crew of the Rocinante's shoulders. Now a Prime Original series. We are not alone. On Ganymede, breadbasket of the outer planets, a Martian marine watches as her platoon is slaughtered by a monstrous supersoldier. On Earth, a high-level politician struggles to prevent interplanetary war from reigniting. And on Venus, an alien protomolecule has overrun the planet, wreaking massive, mysterious changes and threatening to spread out into the solar system. In the vast wilderness of space, James Holden and the crew of the Rocinante have been keeping the peace for the Outer Planets Alliance. When they agree to help a scientist search war-torn Ganymede for a missing child, the future of humanity rests on whether a single ship can prevent an alien invasion that may have already begun . . .

A novella set in the hard-scrabble world of James S. A. Corey's NYT-bestselling Expanse series, The Churn takes the bestselling sci-fi series to the dark world of organized crime, drugs, secrets, and murder that shaped the Rocinante's mechanic, Amos. Now a Prime Original series. This story will be available in the complete Expanse story collection, Memory's Legion. HUGO AWARD WINNER FOR BEST SERIES Before his trip to the stars, before the Rocinante, Timmy was confined to a Baltimore where crime paid you or killed you. Unless the authorities got to you first. On a future Earth beset by overpopulation, pollution, and poverty, people do what they must to survive. The Churn follows a crime boss named Burton as his organization is threatened by a new private security force tasked with cleaning up the city. When the police start cracking down, Burton and his footsoldiers-loyal lieutenant Erich, former prostitute Lydia, and young enforcer Timmy-become increasingly desperate to find a way out. From a New York Times bestselling and Hugo award-winning author comes a modern masterwork of science fiction, introducing a captain, his crew, and a detective as they unravel a horrifying solar system wide conspiracy that begins with a single missing girl. Now a Prime Original series. Humanity has colonized the solar system!Mars, the Moon, the Asteroid Belt and beyond!but the stars are still out of our reach. Jim Holden is XO of an ice miner making runs from the rings of Saturn to the mining stations of the Belt. When he and his crew stumble upon a derelict ship, the Scopuli, they find themselves in possession of a secret they never wanted. A secret that someone is willing to kill for!and kill on a scale unfathomable to Jim and his crew. War is brewing in the system unless he can find out who left the ship and why. Detective Miller is looking for a girl. One girl in a system of billions, but her parents have money and money talks. When the trail leads him to the Scopuli and rebel sympathizer Holden, he realizes that this girl may be the key to everything. Holden and Miller must thread the needle between the Earth government, the Outer Planet revolutionaries, and secretive corporations!and the odds are against them. But out in the Belt, the rules are different, and one small ship can change the fate of the universe. "Interplanetary adventure the way it ought to be written." "George R. R. The biggest science fiction series of the decade comes to an incredible conclusion in the ninth and final novel in James S.A. Corey's Hugo-award winning space opera that inspired the Prime Original series. "An all-time genre classic." "Publishers Weekly (starred review) Hugo Award Winner for Best Series The Laconian Empire has fallen, setting the thirteen hundred solar systems free from the rule of Winston Duarte. But the ancient enemy that killed the gate builders is awake, and the war against our universe has begun again. In the dead system of Adro, Elvi Okoye leads a desperate scientific mission to understand what the gate builders were and what destroyed them, even if it means compromising herself and the half-alien children who bear the weight of her investigation. Through the wide-flung systems of humanity, Colonel Aliana Tanaka hunts for Duarte's missing daughter. . . and the shattered emperor himself. And on the Rocinante, James Holden and his crew struggle to build a future for humanity out of the shards and ruins of all that has come before. As nearly unimaginable forces prepare to annihilate all human life, Holden and a group of unlikely allies discover a last, desperate chance to unite all of humanity, with the promise of a vast galactic civilization free from wars, factions, lies, and secrets if they win. But the price of victory may be worse than the cost of defeat. "Interplanetary adventure the way it ought to be written." "George R. R. Set at the iconic 1939 New York World's Fair, Susie Orman Schnall's We Came Here to Shine is historical fiction featuring two bold and ambitious women who navigate a world of possibility and find out what they're truly made of during a glorious summer of spectacle and potential. "An ode to female friendship that pulses with momentum and left me breathless." "Fiona Davis, national bestselling author of The Chelsea Girls "A remarkable novel about the challenges women face and the courage they must summon in order to lead the lives they deserve." "Lynda Cohen Loigman, author of The Two-Family House Gorgeous Vivi is the star of the Aquacade synchronized swimming spectacular and plucky Max is a journalist for the fair's daily paper. Both are striving to make their way in a world where men try to control their actions and where secrets are closely kept. But when Vivi and Max become friends and their personal and professional prospects are put in jeopardy, they team up to help each other succeed and to realize their dreams during the most meaningful summer of their lives. Perfect for fans of Taylor Jenkins Reid and Beatriz Williams, We Came Here to Shine is a story of ambition, friendship, and persistence with a fascinating behind-the-scenes look at the extraordinary NY World's Fair.

Based on the bestselling books and tying into the hit television series, THE EXPANSE ORIGINS reveals the untold origins of the crew members of The Rocinante. As interplanetary tensions reach an all-time high, the crew of The Rocinante finds themselves at the center of a conflict that threatens to destroy all of human civilization. But before they were heroes, each member of the crew faced moments that would come to define them and brought them one step closer to the ship they now call home.

The eighth book in the NYT bestselling Expanse series, Tiamat's Wrath finds the crew of the Rocinante fighting an underground war against a nearly invulnerable authoritarian empire, with James Holden a prisoner of the enemy. Now a Prime Original series. Thirteen hundred gates have opened to solar systems around the galaxy. But as humanity builds its interstellar empire in the alien ruins, the mysteries and threats grow deeper. In the dead systems where gates lead to stranger things than alien planets, Elvi Okoye begins a desperate search to discover the nature of a genocide that happened before the first human beings existed, and to find weapons to fight a war against forces at the edge of the imaginable. But the price of that knowledge may be higher than she can pay. At the heart of the empire, Teresa Duarte prepares to take on the burden of her father's godlike ambition. The sociopathic scientist Paolo Cortázar and the Mephistophelian prisoner James Holden are only two of the dangers in a palace thick with intrigue, but Teresa has a mind of her own and secrets even her father the emperor doesn't guess. And throughout the wide human empire, the scattered crew of the Rocinante fights a brave rear-guard action against Duarte's authoritarian regime. Memory of the old order falls away, and a future under Laconia's eternal rule -- and with it, a battle that humanity can only lose -- seems more and more certain. Because against the terrors that lie between worlds, courage and ambition will not be enough...
