The perfect gift for band nerds past and present, The Marching Band Nerds Handbook deftly captures all the humor and inside jokes band nerds love. Hold on to your shirts and plumes! This hilarious and inspiring guide to surviving life in the marching band is for anyone who has taken a step on the marching field or has just driven by a field on the highway. All the best (and funniest) secrets are revealed in this series of rules and illustrations that, if followed strictly, almost guarantees world domination (actual results may vary). Band nerds of all ages are sure to agree with expert rules like: Never give drummers metal sticks—they'll think they're ninjas (but most ninjas are actually clarinet players) Band parents may be adults but that doesn't mean they don't still need supervision Don't lock your knees while standing at attention Marching band is an art, not a sport—but if it were a sport, the drummers would win Share The Marching Band Nerds Handbook with all the band nerds in your life!

01 LESSON: BEAUTIFUL WOMEN PREFER NERDS! Is a step-by-step men's textbook for beginners on how to find and attract the Perfect Woman or Dream Girl. Beginning with a diagnostic test, the book explains dating, falling in love, and finding romance in a concise and entertaining manner, showing all the clever strategies successful men use. Time-tested methods are illustrated with humorous anecdotes and memorable thumb rules.

Offers insights by a teenager with Asperger's syndrome into the difficulties of the disorder, including information on fascinations and obsessions, sensory perception, sleep, bullies, moral dilemmas, eating, and socializing.

For everyone who's a geek in the streets, a freak in the (Star Wars) sheets—or wants to be—comes a guide for nerds, by nerds. Today's nerds are loud, proud, . . . and thirsty. They've stepped away from their action figure collections and toward the infinitely diverse collection of like-minded folk who are as turned on by cosplay as they are by foreplay. But as knowledgeable as they are, nerds aren't always experts when it comes to the logistics of sex. Enter The Con-a-Sutra: A Guide to Full Frontal Nerdity. This book is much more than The Idiot's Guide to Mensa Sex and light years ahead of a collection of IKEA "put tab Blaarf into slot Numdoggal" instruction sheets. Accompanied by classic comic book inspired art, noted fictional sexpert Professor Balls Xxxavier literally and figuratively illustrates the modern nerd's wildest fantasies through a series of hilarious (if occasionally unachievable) sexual positions. Written to be inclusive of LGBTQ nerds, The Con-a-Sutra recognizes that nerds come in all body types, gender identities, and sexual orientations. Whether you prefer "The Splash Page," "Wookiee Nookiee," or "The Wayne Manner," there is something here for everyone—even if only a hysterical and reference-packed break from your favorite smutty fanfic. From viral fan artists to passionate gamers, and from talented cosplayers to bookworms with overflowing comic collections, nerds are found in every demographic of modern society, making this the perfect gift for your boyfriend, girlfriend, husband, wife, brother, sister, office-mate, nerd-in-law, or any of the millions of people who proudly belong to a pop culture fandom. A comical compendium of con-friendly coitus, The Con-a-Sutra lets you boldly go where no nerd has gone before.

Formerly known as Yearbook of the European Communities, this guide is the only publication to bring together within a single volume nearly all of the intergovernmental bodies working for European integration.EuroGuide describes the structure, function, and activities of institutions, bodies, and agencies of the European Union and other European intergovernmental organizations. The second part is a directory, giving the names of the persons in charge, with direct telephone numbers and addresses, and organizational charts of European intergovernmental organizations, the diplomatic corps accredited to the European Union, and those establishments offering European higher education courses.Other useful information contained in this guide include websites, national holidays, an overview of the history of the European Union, along with a subject index and alphabetical index.

Finally! A grammar guide specifically designed for fiction writers! WRITING CORRECTLY DOESN'T HAVE TO BE HARD Great writers write well. Grammatical errors mark a manuscript as unprofessional and the author as sloppy or an amateur. But you don't have to memorize the myriad of grammar, punctuation, and usage rules to have a well-written book. If you're a novelist or write creative nonfiction, this handy guide is essential-giving you the most common and applicable rules and tips to make your book shine-minus the pain! Inside you'll find Short, concise, and often humorous explanations of important grammar, punctuation, and word usage rules as featured on the award-winning blog Live Write Thrive. Bonus fiction-writing tips to help you tighten your prose and say what you mean in fewer, more appropriate words. Easy-to-navigate sections and a comprehensive index so you can find the answer to your grammar question right away. Whether you're a novice or experienced writer, you'll benefit from these clear and helpful explanations of grammar and usage based on The Chicago Manual of Style-the US book publishing industry's authoritative reference guide. You no longer need to search the web or thumb through a stack of grammar books to find simple answers to your grammar questions. With Say What? at your fingertips, you'll spend less time fretting over grammar and more time writing. And you'll become a better writer in the process! Here's what writing instructors say about this handy grammar book: "Good, concise and easily accessible reference books on grammar and usage is hard to find. I mean, are hard to find. This is one of them." -James Scott Bell, bestselling novelist, writing coach, and author of Revision and Self-Editing for Publication "This handy, user-friendly reference book, presented with style and humor, is a must for any writer serious about honing their craft and garnering respect for their works. An essential resource, the e-book will save you time with all its quick links to the short, snappy topics, and the print version is small enough to stay within reach beside your computer, so I highly recommend getting both. Respected editor and writer Susanne Lakin succeeds in making a dry topic interesting and meaningful! And using this book will also help you reduce your editing costs." -Jodie Renner, editor and author of Style That Sizzles "As a self-professed grammar nerd, let me just say this: The world needs more grammar nerds. Editor Lakin is doing her part to make this happen with her witty, fun, and supremely useful guide to the everyday writing mistakes most of us don't even realize we're making. Her book is conversational and approachable enough to make for enjoyable reading. But its true value is in its 'lookupability.' This is the perfect guide to keep on your desk, next to your computer, for those moments when you're just not sure which word is right." -K. M. Weiland, author of Structuring Your Novel and Outlining Your Novel
