Headway's trusted methodology combines solid grammar and practice, vocabulary development, and integrated skills with communicative role-plays and personalization. Authentic material from a variety of sources enables students to see new language in context, and a range of comprehension tasks, language and vocabulary exercises, and extension activities practise the four skills. "Everyday English" and "Spoken grammar" sections practise real-world speaking skills, and a writing section for each unit at the back of the book provides models for students to analyse and imitate. New Headway Beginner is aimed at absolute beginners, or those who have learned a little English but lack the confidence to build on it. It provides a solid foundation for New Headway Elementary. Its measured, step-by-step approach builds both skills and confidence. The right mix of language work and plentiful practice material enables learners to consolidate their knowledge of key points before proceeding further. The clearly defined grammatical syllabus includes past, present and future time and provides a thorough basis on which to build. The presentation of new language is gradual, methodical and clearly structured, giving learners a clear sense of progression. The vocabulary syllabus focuses on high-frequency survival terms and avoids overload. The gradual introduction of simple skills work with manageable communicative activities give learners a sense of achievement. 'Everyday English' practises social expressions in common situations and shows how learners can apply their knowledge in practical ways.

Provides additional activities for further practice that are specifically tailored to fit with the Student's Book content. Includes extension activities with extra grammar and vocabulary exercises related to the unit topic to extend learning. Everyday English tasks present further opportunities to practice relevant, real life English. Review sections allow students to test themselves and to see how much they can remember. The answer key allows students to check their own answers and review their progress.

Notes with hints, suggestions, and 'possible problems' feature Photocopiable activities for every unit Teacher's Resource Disc - communicative activities, tests, grammar reference, word lists, tapescripts and audio
