broadens the
parameters of
survivor testimony.

The first book to

Arduous Tasks

between his own

by stressing the

Examining not only

Insana also
discusses the

Tasks is a superb
and innovative
study on the
importance of
translation not only
to Levi, but also to
Holocaust studies
in general.

Reproduction of

Puppet Show of

The ten essays
published in this
volume were

Page 80/91

written over the
space of a decade,
but they were
conceived from the
start as a coherent
whole, presenting
Peiresc's study of
discrete languages
and literatures of
the Near East and
North Africa. For
Peiresc the student
of the Classical
past, this described

Download File

PDF Non

the eastern and southern space in which the Greeks and Romans lived and strove. For Peiresc the Christian, this was the world of the Bible that impacted upon the Greeks and Romans. And for Peiresc of the Mediterranean (for he was born in Aix,

Download File

PDF Non

spent much time in
Marseille, and lived
outside of the

region for only 6 of
his 57 years), this
was the territory
that his friends and
colleagues sailed
to, lived in and,
usually, came back
from. The

convergence of
these axes in the
life of one man,

Download File

PDF Non

and a man of singular intellectual power and charm whose vast personal paper arsenal had survived, makes this such a compelling project. The essays are arranged in a roughly chronological order. They follow

Download File

the course of
Peiresc's own
projects from his
early encounter
with the ancient
Near East in Greek
and Roman
literature, through
his engagement
with Arabic to his
deepening
knowledge of
rabbinic texts to
the wider world of
