Dr. Allison Baker is obsessed with saving the comatose New Species male and there's only one option left. Alli will break every rule and put her life in danger by tempting 880 to wake, using only her feminine scent and touch. She just has to kidnap him and crawl into bed with him to make it work, caressing him and wrapping her sweet body around his, teasing his senses. He lies silent and still, listening and evaluating each arousing touch, fighting his body's reaction. 880 has chosen a new name-- Obsidian-- the personification of dark and dangerous. And soon he'll fight to keep Alli, no matter what.

The sixth title in the New Species series. Wrath knows he's too dangerous and emotionally damaged to ever be with a female. Lauren has never met a man this truly spectacular, and she decides to taste every inch of his amazing body. Wrath wants to explore that plan, too. Lauren has to make him unleash his desire and Wrath has to get past his fear to give them a chance at a future together.

Tammy has always tried to be prepared for any calamity life might send her way but she never imagined a sexy, lion man-beast in her future.

He's huge, got the most exotic, golden cat-eyes she's ever seen, and she's so terrified she's speechless for the first time in her life. He's stalking closer, growling at her, and she's too terrified to even flee. Valiant hates humans. But when he gets a whiff of the adorable human female who has invaded his territory, he starts rethinking. Her fear scents of pure, sweet temptation and the closer he gets, the more appealing she becomes. Once he's got his hands on her, he isn't about to let her go. One thought will change his life. Mine! Before Tammy can regain her senses, she's flat on her back in Valiant's bed. Now he just has to use every inch of his big, buff body to convince her that she should stay with him forever.

One look at Brawn, and Becca is wondering how he'd look without his clothes. He's also instantly attracted to her, but has sworn never to touch a human female. When they're both kidnapped and locked together in a cage, Brawn finds himself reliving a nightmare when he's once again subjected to breeding experiments at the hands of New Species' enemies.

Jeanie loves a New Species and is willing to pay for that love with pain, tears and heartbreak. She'll do anything to keep 710 alive but she never wants him to know how she suffered for him. He's the reason

for her mission in life-freeing others like him. True has a new life working with the NSO to rescue his people. A good life, until he encounters a dying woman—the female who betrayed him. True should feel gratified that she's finally going to pay for her crimes, but she claims to be a victim too. He is still irresistibly drawn to the pretty little human who touched his heart and made him want her. When he clasps her hand to offer comfort, his instincts kick in and True will fight everyone to protect her.

Discover the New York Times bestselling Lux series, which RT Book Reviews called “A thrilling ride from start to finish,” from the very beginning... Starting over sucks. When we moved to West Virginia right before my senior year, I'd pretty much resigned myself to thick accents, dodgy internet access, and a whole lot of boring...until I spotted my hot neighbor, with his looming height and eerie green eyes. Things were looking up. And then he opened his mouth. Daemon is infuriating. Arrogant. Stab-worthy. We do not get along. At all. But when a stranger attacks me and Daemon literally freezes time with a wave of his hand, well, something...unexpected happens. The hot alien living next door marks me. You heard me. Alien. Turns out Daemon and his sister have a galaxy of enemies wanting to steal their abilities, and Daemon's touch has me lit up like the Vegas Strip. The only way

I'm getting out of this alive is by sticking close to Daemon until my alien mojo fades. If I don't kill him first, that is. Read the entire bestselling series! #1: Obsidian (from Katy's point of view) #2: Onyx (from Katy's point of view) #3: Opal (from Katy's point of view) #4: Origin #5: Opposition Oblivion (Books 1-3 from Daemon's point of view) CAN BE READ FIRST OR AFTER KATY'S POV! Prequel: Shadows (Dawson's story)

Zandy's had too much to drink and is in the wrong place at the wrong time. When next her eyes open, a beautiful man-creature is holding her in his arms. He's just too tempting to resist; she wraps herself around his body, determined to have him. But when this angel turns out to be flesh and blood, reality crashes in-- she's seducing a New Species. Tiger's shock quickly turns to intense passion when the human female kisses him, despite the fact she's trying to get his clothes off while he's engaged in a task force operation. But he and Zandy can't keep their hands off each other, and the taste and feel of this little human just leaves Tiger wanting more....

When nurse Ellie discovers that her employer is creating human/animal hybrids for experiments, she saves one of them from a sadistic doctor and promises to set him free. When the experiment, codenamed Fury,
