Review: Oddisee, 'The Odd Tape' : NPR

Released during an extremely busy year for the producer/rapper -- with one EP and an LP also dropped on shelves -- The Odd Tape is Oddisee 's beat tape for 2016, but by no means should it automatically come in third. The left-field Brooklyn-based producer does much to elevate the all-instrumental niche of beat tapes with this cool slice of jazz and soul, much of it smooth and soulful and none of it sounding like demos in search of an MC.

The new album, entitled 'The Odd Tape', is a perfect thinking man's companion album for cold mornings and warm coffee with a surprising amount of depth. Oddisee has created his own distinct sound in hiphop down the years. Seeing himself as an artist above all, Oddisee has blended influences from 70's soul to modern sampling.

The Odd Tape (Black Vinyl) [VINYL]: Amazon.co.uk: Music

The Odd Tape showcases the range of a composer bending hip-hop, soul, and jazz into singular form, tapping into that same emotional Fort Knox that animates all wordless choruses. The Odd Tape revolves around the rhythms of the artist's daily life. It starts in the morning with "Alarmed," that sounds like if Shuggie Otis did a psychedelic eye-opening cover of Nas' "Shootouts."

The Iceberg is a studio album by American hip hop artist Oddisee. It was released via Mello Music Group on February 24, 2017. It is the official follow-up to his 2015 album, The Good Fight. It features guest appearances from Toine and Olivier St. Louis. Music videos were created for "NNGE" and "You Grew Up".

The Sunday Times Bestseller The brand new memoir from James Acaster: cult comedian, bestselling author of *Classic Scrapes*, undercover cop, receiver of cabbages. **PERFECT SOUND WHATEVER** is a love letter to the healing power of music, and how one man's obsessive quest saw him defeat the bullshit of one year with the beauty of another. Because that one man is James

Access Free Oddisee The Odd Tape 2016 Album Zip Album

Acaster, it also includes tales of befouling himself in a Los Angeles steakhouse, stealing a cookie from Clint Eastwood, and giving drunk, unsolicited pep talks to urinating strangers. January, 2017 James Acaster wakes up heartbroken and alone in New York, his relationship over, a day of disastrous meetings leading him to wonder if comedy is really what he wants to be doing any more. A constant comfort in James's life has been music, but he's not listened to anything new for a very long time. Idly browsing 'best of the year' lists, it dawns on him that 2016 may have been a grim year for a lot of reasons, but that it seemed to be an iconic year for music. And so begins a life-changing musical odyssey, as James finds himself desperately seeking solace in the music of 2016, setting himself the task of only listening to music released that year, ending up with 500 albums in his collection. Looking back on this

Access Free Oddisee The Odd Tape 2016 Album Zip Album

year-long obsession, parallels begin to grow between the music and James's own life: his relationship history, the highs and lows of human connection, residual Christian guilt, and mental health issues that have been bubbling under the surface for years. Some albums are life-changing masterpieces, others are 'Howdilly Doodilly' by Okilly Dokilly, a metalcore album devoted to The Simpsons' character Ned Flanders, but all of them play a part the year that helped James Acaster get his life back on track.

A searing novel about two friends on opposite sides of the law, from the author of *Rust and Bone*, "a writer of immense power" (Peter Straub) On the Canadian side of Niagara Falls, life beyond the tourist trade isn't easy. Locals like Duncan Diggs and Owen Stuckey have few chances to leave. For Duncan, that means shift

Access Free Oddisee The Odd Tape 2016 Album Zip Album

work on a production line. For Owen, it means pinning it all on a shot at college basketball. But they should know better; they've been unlucky before. As boys, they were abducted and abandoned in the woods. Though they made it out alive, the memory of that time won't fade. Over the years they drift apart, but when Duncan is drawn into a chaotic world of bare-knuckle fighting and other shady dealings, Owen, now a cop, can't look the other way any longer. Together, they'll be forced to survive the wilderness once more as their friendship is pushed to the limit in *Cataract City*, a white-hot novel by the rising star Craig Davidson.

Filled with more than 250 images of artists including Ice Cube, The Notorious B.I.G., LL Cool J, Naughty by Nature, Public Enemy, 50 Cent, N.W.A, Snoop Dogg, Lil' Kim, Flavor Flav, Lauren Hill,

Queen Latifah, TLC, many that have never before been published, this book is set to become the new hip-hop photography bible With exclusive, behind-the-scenes access, preeminent photographer Brother Ernie captures the last four decades of the evolution of hip-hop--the styles that grew from it, and the artists who shaped it. Complete with Brother Ernie's personal anecdotes of time spent with subjects, and stories behind the photographs, Hip-Hop at the End of the World shares intimate moments from the most important era of hip-hop. After picking up a camera in the 1973 to document the graffiti art that dominated New York City, Ernest Paniccioli started his journey of whole-heartedly capturing the scene during the most fertile years of hip-hop. Always armed with a 35mm camera, he successfully photographed nearly every rapper of note since the genre's inception, making him the go-to photographer for

Access Free Oddisee The Odd Tape 2016 Album Zip Album

magazines like Word Up and Rap Masters. Hip Hop at the End of the World is a carefully curated selection of photographs from Brother Ernie's extensive archives, celebrating over 40 years of swag in one of the most complete records of the most crucial movements in American music.

Over the past four decades, rap and hip hop culture have taken a central place in popular music both in the United States and around the world. Listening to Rap: An Introduction enables students to understand the historical context, cultural impact, and unique musical characteristics of this essential genre. Each chapter explores a key topic in the study of rap music from the 1970s to today, covering themes such as race, gender, commercialization, politics, and authenticity. Synthesizing the approaches of scholars from a

Access Free Oddisee The Odd Tape 2016 Album Zip Album

variety of disciplines—including music, cultural studies, African-American studies, gender studies, literary criticism, and philosophy—Listening to Rap tracks the evolution of rap and hip hop while illustrating its vast cultural significance. The text features more than 60 detailed listening guides that analyze the musical elements of songs by a wide array of artists, from Afrika Bambaataa and Grandmaster Flash to Nicki Minaj, Jay-Z, Kanye West, and more. A companion website showcases playlists of the music discussed in each chapter. Rooted in the understanding that cultural context, music, and lyrics combine to shape rap's meaning, the text assumes no prior knowledge. For students of all backgrounds, Listening to Rap offers a clear and accessible introduction to this vital and influential music.

Winner of the Alex Award “Mike Muñoz Is a Holden Caulfield for a New Millennium--a '10th-generation peasant with a Mexican last name, raised by a single mom on an Indian reservation' . . . Evison, as in his previous four novels, has a light touch and humorously guides the reader, this time through the minefield that is working-class America.” --The New York Times Book Review For Mike Muñoz, life has been a whole lot of waiting for something to happen. Not too many years out of high school and still doing menial work--and just fired from his latest gig as a lawn boy on a landscaping crew--he's smart enough to know that he's got to be the one to shake things up if he's ever going to change his life. But how? He's not qualified for much of anything. He has no particular talents, although he is stellar at handling a lawn mower and wielding clipping shears. But now that career seems to be behind

Access Free Oddisee The Odd Tape 2016 Album Zip Album

him. So what's next for Mike Muñoz? In this funny, biting, touching, and ultimately inspiring novel, bestselling author Jonathan Evison takes the reader into the heart and mind of a young man determined to achieve the American dream of happiness and prosperity--who just so happens to find himself along the way.

An original coloring book for all ages After the overwhelmingly popular Hip Hop Coloring Book, Mark 563 is back with Hip Hop Coloring Book: East Coast Edition. It's a fun activity book for kids and adults. The book features a selection of Mark 563's own illustrative takes on some of Hip Hop's most important figures - from early pioneers like Busy Bee, to 90s NYC profiles like Nine and newer stars like Cardi B - all ready to be colored in. The 50 pages are packed with illustrations of legendary East Coast rappers,

spanning from the Golden Era through to today's rap superstars. A perfect gift for anyone interested in Hip Hop and popular culture! Hip Hop Coloring Book: East Coast Edition is marker friendly! Use your favorite markers without the risk of ruining the illustration on the other side of the paper. Hip Hop Coloring Book: East Coast Edition is the latest in Dokument Press' popular coloring book series, with themes such as graffiti, skateboarding and lowriders.

How sampling remade hip-hop over forty years, from pioneering superstar Grandmaster Flash through crate-digging preservationist and innovator Madlib Sampling—incorporating found sound and manipulating it into another form entirely—has done more than any musical movement in the twentieth century to maintain a continuum of popular music as a living document and, in the process, has

Access Free Oddisee The Odd Tape 2016 Album Zip Album

become one of the most successful (and commercial) strains of postmodern art. *Bring That Beat Back* traces the development of this transformative pop-cultural practice from its origins in the turntable-manning, record-spinning hip-hop DJs of 1970s New York through forty years of musical innovation and reinvention. Nate Patrin tells the story of how sampling built hip-hop through the lens of four pivotal artists: Grandmaster Flash as the popular face of the music's DJ-born beginnings; Prince Paul as an early champion of sampling's potential to elaborate on and rewrite music history; Dr. Dre as the superstar who personified the rise of a stylistically distinct regional sound while blurring the lines between sampling and composition; and Madlib as the underground experimentalist and record-collector antiquarian who constantly broke the rules of what the mainstream expected from hip-hop.

Access Free Oddisee The Odd Tape 2016 Album Zip Album

From these four artists' histories, and the stories of the people who collaborated, competed, and evolved with them, Patrin crafts a deeply informed, eminently readable account of a facet of pop music as complex as it is commonly underestimated: the aesthetic and reconstructive power of one of the most revelatory forms of popular culture to emerge from postwar twentieth-century America. And you can nod your head to it.

The Hip-Hop Coloring Book is an original coloring book for all ages. The book features a selection of Mark 563's own illustrative takes on some of hip-hop's most important figures, ready to be coloured in. The 64 pages are packed with legendary rappers from

Access Free Oddisee The Odd Tape 2016 Album Zip Album

the East to the West coast, spanning the Golden Era through to today's rap superstars. A perfect gift for anyone interested in hip-hop and popular culture.

Spanning Cuban music from rumba to salsa, and graphic styles from socialist realist to geometric abstraction, this volume of Cuban record cover art traces a musical form in constant revolution. The first ever book about Cuban record sleeve design, compiled by Gilles Peterson and Stuart Baker, *Cuba: Music and Revolution* features hundreds of rarely seen vinyl records from the start of the Cuban Revolution at the beginning of the 1960s up until 1985, when Cuba's Special Period, brought about by the dissolution of the Soviet Union and the withdrawal of Russia's financial support for the Cuban government, led to the demise of vinyl-record

Access Free Oddisee The Odd Tape 2016 Album Zip Album

manufacturing in Cuba. The artwork here reflects both the cultural and musical depth of Cuba as well as the political influence of revolutionary communism. Over the past century, Cuban music has produced a seemingly endless variety of styles--rumba, mambo, son, salsa--at a dizzyingly fast rate. Since the 1940s a steady stream of Cuban musicians has also made the migration to the US, sparking changes in North American musical forms: bandleader Machito set New York's jazz and Latin scene on fire, and master drummer Chano Pozo's entry into Dizzy Gillespie's group led to the birth of Latin jazz, to name just two. After the Cuban Revolution in 1959, the new government closed American-owned nightclubs and consolidated the island's recording industry under a state-run monopoly. Out of this new socialist agenda came new musical styles, including the Nueva Trova movement of left-wing

Access Free Oddisee The Odd Tape 2016 Album Zip Album

songwriters. The 1980s saw more experimentation in modernist jazz, salsa and Afro-Cuban folkloric music. Generously illustrated with hundreds of color images, *Cuba: Music and Revolution* presents the history of Cuban record cover art, including many examples previously unseen outside the island itself.
