Ogilvy on Advertising: Ogilvy, David: 9780394729039 ...  
Ogilvy on Advertising was published in the '80s, and it shows its age. This is because legendary ad-man David Ogilvy has predictions and opinions, most of which did not and will not ever come to pass. Apparently, print advertising is going to make a comeback, and people love reading long tracts of text.

A practical guide to advertising by the founder of an international advertising company, showing how to create advertising that works, how to run an agency, how to write successful copy, and what the future holds for the advertising industry.

Confessions of an Advertising Man is the distillation of all the successful Ogilvy concepts, tactics and techniques that made this book an international bestseller. Regarded as the father of modern advertising, David Ogilvy created some of the most memorable advertising campaigns that set the standard for others to follow. Anyone aspiring to be a good manager in any kind of business should read this.

From Miles Young, worldwide non-executive chairman of Ogilvy & Mather, comes a sequel to David Ogilvy's bestselling advertising handbook featuring essential strategies for the digital age. In this must-have sequel to the bestselling Ogilvy On Advertising, Ogilvy chairman Miles Young provides top insider secrets and strategies for successful advertising in the Digital Revolution. As comprehensive as its predecessor was for print and TV, this indispensable handbook dives deep into the digital ecosystem, discusses how to best collect and utilize data-the currency of the digital age-to convert sales specifically on screen (phone, tablet, smart watch, computer, etc.), breaks down when and how to market to millennials, highlights the top five current industry giants, suggests best practices from brand response to social media, and offers 13 trend predictions for the future. This essential guide is for any professional in advertising, public relations, or marketing seeking to remain innovative and competitive in today's ever-expanding technological marketplace.

Ogilvy on Advertising was written in 1983 by David Ogilvy. He was a prominent advertiser who shared his knowledge about how to advertise, how to get a job in advertising, and described changes happening in the world of advertising at the time. One of the most important points of this book is that originality and creativity should not be sought after for its own sake: if a strategy works in advertising, then use it. Advertising is possibly one of the most stressful occupations and does not pay well unless you absolutely love it. The author is forthcoming about many mistakes he made in the advertising industry. Ogilvy opens by emphasizing that good advertising does not just simply make people admire your message for its creativity; it influences people to action. It's a simple adage, yet easy for many advertisers to forget.

The brilliant, private insights of the bestselling "father of advertising," David Ogilvy.

American advertising pioneer CLAUDE C. HOPKINS (1866-1932) is still renowned today for developing such marketing innovations as coded coupons that could be used to track the success of varying offers. His methods are still prized for their efficacy today. In this groundbreaking 1923 work, written after he retired as president and chairman of one of the world's biggest ad agencies, Hopkins shares the secrets of successful marketing that are just as relevant today as they were almost a century ago. Learn: . how advertising laws are established . the importance of just salesmanship . why businesses must offer service . mail order advertising: what it teaches . what makes headlines effective . understanding customer psychology . how to use art in advertising . how to use samples . the best way to test campaigns . the impact of negative advertising . and much more.

From the actor, director, and writer Ethan Hawke: a piercing novel of love, marriage, and renewal. Jimmy is AWOL from the army, but with characteristic fierceness and terror he's about to embark on the biggest commitment of his life. Christy is pregnant with Jimmy's child, and she's determined to head home, with or without Jimmy, to face up to her past and prepare for the future. Somehow, barreling across America from Albany to New Orleans to Ohio and Texas in a souped-up Chevy Nova, Christy and Jimmy are transformed from passionate but conflicted lovers into a young family on a magnificent journey. Ash Wednesday is a novel of blazing emotion and remarkable grace, a tale that captures the intensity of the excitement, fear, and joy of being on the threshold of the mysterious country of marriage and parenthood. Powerful, assured, large of heart, and punctuated by moments of tremendous humor, it represents, for Hawke the novelist, a major leap forward.
