One of Us is at once a psychological study of violent extremism, a dramatic true crime procedural, and a compassionate inquiry into how a privileged society copes with homegrown evil. Lauded in Scandinavia for its literary merit and moral poise, One of Us is the true story of one of our age's most tragic events.

One of Us: The Story of Anders Breivik and the Massacre in ...

This is a hard book to review. Åsne Seierstad's One of Us, is incredibly well-researched and written, a near-masterpiece of journalism. Its subject matter, though, is impossible: the massacre of seventy-seven Norwegians by bomb and firearm on July 22, 2011. Most of the victims were teens.

ONE OF US: STORY OF ANDERS BREIVIK AND MASSACRE IN NORWAY By Asne Seierstad - Hardcover *Excellent Condition*.

A harrowing and thorough account of the massacre that upended Norway, and the trial that helped put the country back together On July 22, 2011, Anders Behring Breivik detonated a bomb outside government buildings in central Oslo, killing eight people. He then proceeded to a youth camp on the island of Utsya, where he killed sixty-nine more, most of them teenage members of Norway's governing Labour Party. In One of Us, the journalist Åsne Seierstad tells the story of this terrible day and what led up to it. What made Breivik, a gifted child from an affluent neighborhood in Oslo, become a terrorist? As in her bestseller The Bookseller of Kabul, Seierstad excels at the vivid portraiture of lives under stress. She delves deep into Breivik's troubled childhood, showing how a hip-hop and graffiti aficionado became a right-wing activist and Internet game addict, and then an entrepreneur, Freemason, and self-styled master warrior who sought to "save Norway" from the threat of Islam and multiculturalism. She writes with equal intimacy about Breivik's victims, tracing their political awakenings, aspirations to improve their country, and ill-fated journeys to the island. By the time Seierstad reaches Utsya, we know both the killer and those he will kill. We have also gotten to know an entire country--famously peaceful and prosperous, and utterly incapable of protecting its youth.

THE INTERNATIONAL BESTSELLER Five students go to detention. Only four leave alive. For fans of Gossip Girl and Pretty Little Liars, this is the perfect high school thriller. ----- Five students go to detention. Only four leave alive. Yale hopeful Bronwyn has never publicly broken a rule. Sports star Cooper only knows what he's doing in the baseball diamond. Bad boy Nate is one misstep away from a life of crime. From queen Addy is holding together the cracks in her perfect life. And outsider Simon, creator of the notorious gossip app at Bayview High, won't ever talk about any of them again. He dies 24 hours before he could post their deepest secrets online. Investigators conclude it's no accident. All of them are suspects. Everyone has secrets, right? What really matters is how far you'll go to protect them.

#1 NEW YORK TIMES BESTSELLER · The highly anticipated sequel to One of Us Is Lying! There's a new mystery to solve at Bayview High, and there's a whole new set of rules. Fans of the hit thriller that started it all can watch the secrets of the Bayview Four be revealed in the One of Us is Lying TV series now streaming on NBC's Peacock! Come on, Bayview, you know you've missed this. A ton of copycat gossip apps have popped up since Simon died, but in the year since the Bayview four were cleared of his shocking death, no one's been able to fill the gossip void quite like he could. The problem is no one has the facts. Until now. This time it's not an app, though-it's a game. Truth or Dare. Phoebe's the first target. If you choose not to play, it's a truth. And hers is dark. Then comes Maeve and she should know better--always choose the dare. But by the time Knox is about to be tagged, things have gotten dangerous. The dares have become deadly, and if Maeve learned anything from Bronwyn last year, it's that they can't count on the police for help. Or protection. Simon's gone, but someone's determined to keep his legacy at Bayview High alive. And the rules have changed. "Few craft teen suspense like McManus." --Entertainment Weekly "A thriller from one of the best writers in the YA mystery genre, One of Us is Next delivers more shocking surprises and twists you won't see coming." --PASTE

The highly anticipated new thriller from the bestselling author of The Perfect Marriage. Opulence. Sex. Betrayal ... Sometimes friendship can be deadly. Meet the women of Buckhead—a place of expensive cars, huge houses, and competitive friendships. Shannon was once the queen bee of Buckhead. But she's been unceremoniously dumped by Bryce, her politician husband. When Bryce replaces her with a much younger woman, Shannon sets out to take revenge ... Crystal has stepped into Shannon's old shoes. A young, innocent Texan girl, she simply has no idea what she's up against ... Olivia has waited years to take Shannon's crown as the unofficial queen of Buckhead. Finally, her moment has come. But to take her rightful place, she will need to use every backstabbing, manipulative, underhand trick in the book ... Jenny owns Glow, the most exclusive salon in town. Jenny knows all her clients' secrets and darkest desires. But will she ever tell? Who amongst these women will be clever enough to survive Buckhead—and who will wind up dead? They say that friendships can be complex, but no one said it could ever be this deadly.

NEW YORK TIMES BESTSELLER · LONGLISTED FOR THE NATIONAL BOOK AWARD · One of today's most insightful and influential thinkers offers a powerful exploration of inequality and the lesson that generations of Americans have failed to learn: Racism has a cost for everyone—not just for people of color. WINNER OF THE PORCHLIGHT BUSINESS BOOK AWARD · ONE OF THE BEST BOOKS OF THE YEAR: Time, The Washington Post, St. Louis Post-Dispatch, Ms. magazine, BookRiot, Library Journal · LONGLISTED FOR THE ANDREW CARNEGIE MEDAL · “This is the book I’ve been waiting for.”—Ibram X. Kendi, #1 New York Times bestselling author of How to Be an Antiracist Heather McGhee's specialty is the American economy—and the mystery of why it so often fails the American public. From the financial crisis of 2008 to rising student debt to collapsing public infrastructure, she found a root problem: racism in our politics and policymaking. But not just in the most obvious indignities for people of color. Racism has costs for white people, too. It is the common denominator of our most vexing public problems, the core dysfunction of our democracy and constitutive of the spiritual and moral crises that grip us all. But how did this happen? And is there a way out? McGhee embarks on a deeply personal journey across the country from Maine to Mississippi to California, tallying what we lose when we buy into the zero-sum paradigm—the idea that progress for some of us must come at the expense of others. Along the way, she meets white people who confide in her about losing their homes, their dreams, and their shot at better jobs to the toxic mix of American racism and greed. This is the story of how public goods in this country—from parks and pools to functioning schools—have become private luxuries; of how unions collapsed, wages stagnated, and inequality increased; and of how this country, unique among the world's advanced economies, has thwarted universal healthcare. But in unlikely places of worship and work, McGhee finds proof of what she calls the Solidarity Dividend: the benefits we gain when people come together across race to accomplish what we simply can't do on our own. The Sum of Us is not only a brilliant analysis of how we arrived here but also a heartfelt message, delivered with startling empathy, from a black woman to a multiracial America. It leaves us with a new vision for a future in which we finally realize that life can be more than a zero-sum game.

A NEW YORK TIMES BESTSELLER An Indie Bestseller! An Indie Next Pick! The blockbuster co-writing debut of Amanda Foody and Christine Lynn Herman, All of Us Villains begins a dark tale of ambition and magic... You Fell in Love with the Victors of the Hunger Games. Now Prepare to Meet the Villains of the Blood Veil. The Blood Moon rises. The Blood Veil falls. The Tournament begins. Every generation, at the coming of the Blood Moon, seven families in the remote city of Iilvernath each name a champion to compete in a tournament to the death. The prize? Exclusive control over a secret wellspring of high magic, the most powerful resource in the world—one thought long depleted. But this year a scandalous tell-all book has exposed the tournament and thrust the seven new champions into the worldwide spotlight. The book also granted them valuable information previous champions never had—insight into the other families' strategies, secrets, and weaknesses. And most important, it gave them a choice: accept their fate or rewrite their legacy. Either way, this is a story that must be penned in blood. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

In the bestselling tradition of Stuff Matters and The Disappearing Spoon: a clever and engaging look at materials, the innovations they made possible, and how these technologies changed us. Finalist for the 41st Los Angeles Times Book Award in Science and Technology and selected as one of the Best Summer Science Books Of 2020 by Science Friday. In The Alchemy of Us, scientist and science writer Ainissa Ramirez examines eight inventions--clocks, steel rails, copper communication cables, photographic film, light bulbs, hard disks, scientific labware, and silicon chips--and reveals how they shaped the human experience. Ramirez tells the stories of the woman who sold time, the inventor who inspired Edison, and the hotheaded undertaker whose invention pointed the way to the computer. She describes, among other things, how our pursuit of precision in timepieces changed how we sleep; how the railroad helped commercialize Christmas; how the necessary brevity of the telegram influenced Hemingway's writing style; and how a young chemist exposed the use of Polaroid's cameras to create passbooks to track Black citizens in apartheid South Africa. These fascinating and inspiring stories offer new perspectives on our relationships with technologies.

The instant #1 New York Times bestseller! "It's the best memoir I've ever read." —Oprah Winfrey "Will Smith isn't holding back in his bravely inspiring new memoir An ultimately heartwarming read, Will provides a humane glimpse of the man behind the actor, producer and musician, as he bares all his insecurities and trauma." —USA Today Winner of the NAACP Image Award for Outstanding Literary Achievement One of the most dynamic and globally recognized entertainment forces of our time opens up fully about his life, in a brave and inspiring book that traces his learning curve to a place where outer success, inner happiness, and human connection are aligned. Along the way, Will tells the story in full of one of the most amazing rides through the worlds of music and film that anyone has ever had. Will Smith's transformation from a West Philadelphia kid to one of the biggest rap stars of his era, and then one of the biggest movie stars in Hollywood history, is an epic tale—but it's only half the story. Will Smith thought, with good reason, that he had won at life: not only was his own success unparalleled, his whole family was at the pinnacle of the entertainment world. Only they didn't see it that way: they felt more like star performers in his circus, a seven-days-a-week job they hadn't signed up for. It turned out Will Smith's education wasn't nearly over. This memoir is the product of a profound journey of self-knowledge, a reckoning with all that you will can get you and all that it can leave behind. Written with the help of Mark Manson, author of the multi-million-copy bestseller The Subtle Art of Not Giving a F*ck, Will is the story of how one person mastered his own emotions, written in a way that can help everyone else do the same. Few of us will know the pressure of performing on the world's biggest stages for the highest of stakes, but we can all understand that the fuel that works for one stage of our journey might have to be changed if we want to make it all the way home. The combination of genuine wisdom of universal value and a life story that is preposterously entertaining, even astonishing, puts Will the book, like its author, in a category by itself.

Presents an epic history that covers the period from the end of World War I through the 1970s, chronicling the decades-long migration of African Americans from the South to the North and West through the stories of three individuals and their families.

In this "brave and heartbreaking novel that digs its claws into you and doesn't let go, long after you've finished it" (Anna Todd, New York Times bestselling author) from the #1 New York Times bestselling author of All Your Perfects, a workaholic with a too-good-to-be-true romance can't stop thinking about her first love. Lily hasn't always had it easy, but that's never stopped her from working hard for the life she wants. She's come a long way from the small town where she grew up—she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily's life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He's also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn't hurt. Lily can't get him out of her head. But Ryle's complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his "no dating" rule, she can't help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan—her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. An honest, evocative, and tender novel, It Ends with Us is "a glorious and touching read, a forever keeper. The kind of book that gets handed down" (USA TODAY).
