After much research I decided on the Onkyo TX/SR701 and I'm very pleased. Considering it's THX certified, has component video switching, and lots of bells and whistles normally found in more expensive receivers, it's a super value. I'm using it with a Def Tech Pro Cinema 80 system and it rocks.

NEW YORK TIMES BESTSELLER USA TODAY  
BESTSELLER Amazon, Apple, Facebook, and Google are the four most influential companies on the planet. Just about everyone thinks they know how they got there. Just about everyone is wrong. For all that's been written about the Four over the last two decades, no one has captured their power and

staggering success as insightfully as Scott Galloway. Instead of buying the myths these companies broadcast, Galloway asks fundamental questions. How did the Four infiltrate our lives so completely that they're almost impossible to avoid (or boycott)? Why does the stock market forgive them for sins that would destroy other firms? And as they race to become the world's first trillion-dollar company, can anyone challenge them? In the same irreverent style that has made him one of the world's most celebrated business professors, Galloway deconstructs the strategies of the Four that lurk beneath

their shiny veneers. He shows how they manipulate the fundamental emotional needs that have driven us since our ancestors lived in caves, at a speed and scope others can't match. And he reveals how you can apply the lessons of their ascent to your own business or career. Whether you want to compete with them, do business with them, or simply live in the world they dominate, you need to understand the Four.

In *Mordin On Time*, Nick Mordin sets out his method for answering the most fundamental question facing punters in any race, namely:

which is the fastest horse? He was timing the sections of races with a stop watch, estimating wind strength and direction, adjusting for movements of running rails, using projected times and calculating average times years before the best-selling American books on speed rating were published. This new edition incorporates much new material, including standard times for all Irish racecourses (plus the major French ones). Mordin On Time enables the reader to construct their own speed ratings wherever they live.

Some actions are forever... Gruff and straightforward, Broc McFadden has always had one passion. To be on the sea. And then he meets the sister-in-law of his former captain Derek. He wouldn't have met her if he hadn't agreed to help Derek by traveling to a land where he was wanted, which puts him in the clutches of a mortal enemy. Fierce and loyal, Beatrice cannot sit idly by and watch the Highlander man who's captured her heart punished unjustly. And yet, she's betrothed to the Lord Randall a man whose handsomeness rivals his cruelty.
