Katherine Arden's bestselling debut novel spins an irresistible spell as it announces the arrival of a singular talent with a gorgeous voice. "A beautiful deep-winter story, full of magic and monsters and the sharp edges of growing up."—Naomi Novik, bestselling author of *Uprooted* Winter lasts most of the year at the edge of the Russian wilderness, and in the long nights, Vasilisa and her siblings love to gather by the fire to listen to their nurse's fairy tales. Above all, Vasya loves the story of Frost, the blue-eyed winter demon. Wise Russians fear him, for he claims unwary souls, and they honor

the spirits that protect their homes from evil. Then Vasya's widowed father brings home a new wife from Moscow. Fiercely devout, Vasya's stepmother forbids her family from honoring their household spirits, but Vasya fears what this may bring. And indeed, misfortune begins to stalk the village. But Vasya's stepmother only grows harsher, determined to remake the village to her liking and to groom her rebellious stepdaughter for marriage or a convent. As the village's defenses weaken and evil from the forest creeps nearer, Vasilisa must call upon dangerous gifts she has long

concealed—to protect her family from a threat sprung to life from her nurse’s most frightening tales. Praise for *The Bear and the Nightingale* “Arden’s debut novel has the cadence of a beautiful fairy tale but is darker and more lyrical.”—*The Washington Post* “Vasya [is] a clever, stalwart girl determined to forge her own path in a time when women had few choices.”—*The Christian Science Monitor* “Stunning . . . will enchant readers from the first page. . . . with an irresistible heroine who wants only to be free of the bonds placed on her gender and claim her own fate.”—*Publishers Weekly*

(starred review) “Utterly bewitching . . . a lush narrative . . . an immersive, earthy story of folk magic, faith, and hubris, peopled with vivid, dynamic characters, particularly clever, brave Vasya, who outsmarts men and demons alike to save her family.”—Booklist (starred review) “An extraordinary retelling of a very old tale . . . The Bear and the Nightingale is a wonderfully layered novel of family and the harsh wonders of deep winter magic.”—Robin Hobb

Rook Barkwater, one of the apprentices chosen

to make a dangerous journey to study in the Deepwoods, joins the sky pirate Captain Twig in opposing the Guardians of the Night and learns more about his own past.

The original 1818 text of Mary Shelley's classic novel, with annotations and essays highlighting its scientific, ethical, and cautionary aspects. Mary Shelley's Frankenstein has endured in the popular imagination for two hundred years. Begun as a ghost story by an intellectually and socially precocious eighteen-year-old author during a cold and rainy summer on the shores of Lake

Get Free Orphan Chronicles 1 Torch Malice

Geneva, the dramatic tale of Victor Frankenstein and his stitched-together creature can be read as the ultimate parable of scientific hubris. Victor, “the modern Prometheus,” tried to do what he perhaps should have left to Nature: create life. Although the novel is most often discussed in literary-historical terms—as a seminal example of romanticism or as a groundbreaking early work of science fiction—Mary Shelley was keenly aware of contemporary scientific developments and incorporated them into her story. In our era of synthetic biology, artificial intelligence, robotics, and

Get Free Orphan Chronicles 1 Torch Malice

climate engineering, this edition of Frankenstein will resonate forcefully for readers with a background or interest in science and engineering, and anyone intrigued by the fundamental questions of creativity and responsibility. This edition of Frankenstein pairs the original 1818 version of the manuscript—meticulously line-edited and amended by Charles E. Robinson, one of the world's preeminent authorities on the text—with annotations and essays by leading scholars exploring the social and ethical aspects of scientific creativity raised by this remarkable story. The result is a unique

The Devil's Dictionary is a satirical dictionary written by American journalist and author Ambrose Bierce. Originally published in 1906 as The Cynic's Word Book, it features Bierce's witty and often ironic spin on many common English words.

Ulysses has been the subject of controversy since copies of the first English edition were burned by the New York Post Office

Get Free Orphan Chronicles 1 Torch Malice

Authorities. Today critical interest centers on the authority of the text. This edition republishes, for the first time, without interference, the original 1922 text. Jeri Johnson's critical Introduction demystifies the complexities of the book, and a full textual publication history, helpful appendices, and explanatory notes guide the reader through this highly allusive text.

THE ROOK TRILOGY, Book I Rook Barkwater lives in the network of sewer chambers beneath Undertown, the bustling main city of the Edgeworld. He dreams of becoming a librarian

knight—one of those sent out to explore the mysteries of their world. Somewhere out there lie the secrets of the past—including the lost floating city of Sanctaphrax—and, maybe, hope for a future free from the fear of tyranny. When his chance comes, Rook grabs it! Breaking all the rules, he sets out on a journey to the Free Glades and beyond. His luck and determination lead him from one peril to another until, buried in the heart of the Deepwoods, Rock encounters a mysterious character—the last sky pirate—and is thrust into a bold adventure that dares to challenge the might of the dreaded Guardians
