Gilbert Noon loses his job as a schoolmaster in Nottinghamshire and journeys to Germany, where he falls in love with a married woman

The Magician's Companion by Bill Whitcomb is the most complete collection of practical information on magical systems from around the world you can add to your magical techniques. It begins with a complete introduction to magic, from definitions to a program of study so you can use the many systems described in the book. There are 91 systems described, including: •The four worlds

the surface of what has been acclaimed as one of the greatest research tools ever for magicians of all type. The magical knowledge of our ancestors comprises an intricate and elegant technology of the mind and imagination. The Magician's Companion makes the ancient systems accessible, understandable, and useful to modern magicians by categorizing and cross-referencing the major magical symbol systems. In fact, as a cross-reference, it is simply beyond compare. The Magician's Companion is the single source with the most complete information on Eastern and Western magical

sciences never pursued. In the resulting Anglo-French Empire, a detective like Lord Darcy needs more than a keen mind and an observant eye. Luckily, Darcy can call on the aid of Master Sean O'Lochlainn, forensic sorcerer. This omnibus contains all of the Lord Darcy stories as well as the only Lord Darcy novel, TOO MANY MAGICIANS, and has a new introduction by Michael Dirda.
