When God created man in His own image. He purposed that mankind (both man and woman) would resemble God in certain ways and share certain characteristics of His divine nature. God loves and values life. He knew us all before we were even born, God has a purpose and a destiny for every one of our lives. Your knowledge or lack of knowledge concerning this truth does not alter the fact that God has a purpose and a destiny for your life. So how can I discover and fulfil my God-given destiny? - Before we were even born - God ordain our days and then "knitted" us together in the womb. "Made in God's Image," All parents are to dedicate their time to teach their children when they are still young about definition of "destiny." Destiny is defined as, "A course or path in life, that includes both the God-given destination you are seeking at life's end, and your own faith-filled journey toward that destination. Children will learn that even though all people are made in God's image, God deliberately made them individually unique as wonderful and beautiful to displays of his power and glory. Ecclesiastes 12.1 NIV: Remember your Creator in the days of your youth, before the days of trouble come. 1. Know that we all have a God-given destiny. 2. Know that our destiny can be life changing. 3. Know that our destiny keeps us motivated, being led by The Holy Spirit always.

My ten year journey of how I left my religion to learn the truth of my God and His Words. My inspiration for everyone (the readers) to find themselves in the pages of this book and apply it to their journey to a one-on-one relationship with God.

Once married, the Bible says, two should become one; I on the other hand quickly learned saying "I DO" doesn't make two people one. For better or worse and for richer or poorer, truly became very significant to me; as those words of our marriage vows, that we exchanged on that faithful September day, began to manifest themselves in our lives day by day. Through every trial and obstacle, I found myself learning lessons that would have me putting pen to paper journaling my way to forgiveness, to freedom, to submission and ultimately to being a better servant to God and a better wife to my husband. This would be no easy task, as I cried many tears of frustration and doubt but finally coming to the point of choice. Yes Ladies, choice is the one thing we all have and the choice to change is a decision we must all make in our lives to become better women to ourselves and better wives to our husbands. I had to put a mirror in front of my face. Not just any mirror but one that would see through my Mac make-up and my pretty Sephora lipstick. One that would see me for who I truly was. I found that the "wife" I saw was not the wife I wanted to be nor the wife God called me to be. So I decided to change. Change brought me to the end of myself and to the beginning of the God in me. Change is where After The Vows begins.

Yearly readings and Activity Guide for the School of Kingdom Ministry.

This book examines the historic tensions between Jehovah's Witnesses and government authorities, civic organisations, established churches and the broader public. Witnesses originated in the 1870s as small, loose-knit groups calling themselves Bible Students. Today, there are some eight million Witnesses worldwide, all actively engaged in evangelism under the direction of the Watch Tower Society. The author analyses issues that have brought them global visibility and even notoriety, including political neutrality, public ministry, blood transfusion, and anti-ecumenism. It also explores anti-Witness discourse, from media portrayals of the community as marginal and exotic to the anti-cult movement. Focusing on varied historical, ideological and national contexts, the book argues that Witnesses have had a defining influence on conceptions of religious tolerance in the modern world.
