Celebrate Little Mix's first UK number-one album - Glory Days - by reading the full story of the girls'
astonishing rise to pop super stardom. Our World is full of exclusive photos and inspirational stories
about Jade, Perrie, Jesy and Leigh-Anne's unique friendship. Little Mix are the UK's most successful girl
band. They first found fame - and each other - on The X Factor in 2011. Five years later they have gone
from strength to strength, achieving huge global success. With three platinum-selling albums in the UK
and over 14 million record sales worldwide, the band are both adored by their fans and critically
acclaimed for their brilliant music. In this book the girls share the real behind-the-scenes story of both
their personal lives and their success. They reveal the many highs - what it feels like to perform in front
of thousands of people; the excitement of seeing your music soar to Number One around the world - but
also the lows. Through it all the girls have had each other, and their incredibly close friendship has
grown stronger and stronger as the years have gone by. Now the girls are like sisters, and in this book
they share their journeys and how it feels for your dreams to come true. Brimming with exclusive photos,
this book shares with us the girls' innermost secrets - their hopes and dreams for the future, their families,
their relationships, their style advice and above all their friendship. This book is Little Mix's story in their
own words and tells you everything you need to know about their lives both in and out of the spotlight.

SUNDAY TIMES #1 BESTSELLER For the first time EVER, global superstars One Direction are
releasing their 100% official autobiography, offering a new, intimate insight into their lives as never
before seen or heard!

The first and only official book from ZAYN. Global superstar ZAYN shares a photographic journey of
his life since leaving One Direction. "This book is my diary of a period that I would like to share with
you all. I hope that there are things in the book that contextualise some of the moments and memories
we have all shared together. There are things I address in the book that are very personal to me, things

that I have never told anyone, things I still find hard to talk about. It's a part of a journey I'm still on."—ZAYN The Instant New York Times Bestseller! ZAYN opens up with this collection of thoughts, inspiration, and never-before-seen personal photographs. After five years of massive success with One Direction, ZAYN launched his career as a solo artist with *Mind of Mine*, becoming one of the most successful artists in the world. Now, for the first time ever, ZAYN is going to tell and show all in this intimate and raw scrapbook of his life. Never-before-released photos give readers insight to ZAYN, no-holds-barred. Gorgeously designed with hundreds of full-color photographs and ZAYN's notes, drawings, song lyrics, and personal stories, the book captures ZAYN's most private moments and his candid feelings on fame, success, music, and life. The next chapter of ZAYN's evolution into global superstar, told by the artist who is living it. *** Reviews for *Mind of Mine*: "A singer eager to reclaim the parts of himself that five years in the pop klieg lights forced into the shadows." —The New York Times "Sonically, you won't find many pop albums in 2016 more immaculately conceived than this." —SPIN "Sublime." —USA Today "Malik can sing . . . he's done this before, but not like this." —Rolling Stone "A moody, deeply textured R&B album..." —Los Angeles Times "Zayn has clearly achieved his aim of making an album of sexy, credible pop-R&B." —NME

A few months ago they were just four determined girls. Then there was *The X Factor*, the screaming fans and the record deal — life for Little Mix would never be the same again. Now join the UK's hottest new girl group as they sing their way to superstardom.

A wryly funny and surprisingly moving account of an extraordinary life lived almost entirely in the public eye. A teen idol at fifteen, an international icon and founder of the Brat Pack at twenty, and one of Hollywood's top stars to this day, Rob Lowe chronicles his experiences as a painfully misunderstood child actor in Ohio uprooted to the wild counterculture of mid-seventies Malibu, where he embarked on his unrelenting pursuit of a career in Hollywood. *The Outsiders* placed Lowe at the birth of the modern youth movement in the entertainment industry. During his time on *The West Wing*, he witnessed the surreal nexus of show business and politics both on the set and in the actual White House. And in between are deft and humorous stories of the wild excesses that marked the eighties, leading to his quest for family and sobriety. Never mean-spirited or salacious, Lowe delivers unexpected glimpses into his successes, disappointments, relationships, and one-of-a-kind encounters with people who shaped our world over the last twenty-five years. Rob Lowe's New York Times bestselling autobiography, *Stories I Only Tell My Friends*, shares tales that are as entertaining as they are unforgettable.

Christened Reginald Dwight, he was a shy boy with Buddy Holly glasses who grew up in the London suburb of Pinner and dreamed of becoming a pop star. By the age of twenty-three, he was performing his first gig in America, facing an astonished audience in his bright yellow dungarees, a star-spangled T-shirt and boots with wings. Elton John had arrived and the music world would never be the same again. His life has been full of drama, from the early rejection of his work with song-writing partner Bernie Taupin to spinning out of control as a chart-topping superstar; from half-heartedly trying to drown himself in his LA swimming pool to disco-dancing with the Queen; from friendships with John Lennon, Freddie Mercury and George Michael to setting up his AIDS Foundation. All the while, Elton was hiding a drug addiction that would grip him for over a decade. In *Me* Elton also writes powerfully about getting clean and changing his life, about finding love with David Furnish and becoming a father. In a voice that is warm, humble and open, this is Elton on his music and his relationships, his passions and his mistakes. This is a story that will stay with you, by a living legend.

Join ONE DIRECTION on their journey to superstardom. This is the only official book from 1D charting their journey—from the places they visited and fans they met, to their thoughts and feelings, hopes and dreams, highs and lows. It was a phenomenal time—and this is a phenomenal story. Packed with exclusive beautiful photos, backstage snapshots, hand-written annotations, and brand-new insights

into the boys' world, *Where We Are* is a unique book that no fan's life is complete without.

The instant #1 New York Times bestseller! “ It's the best memoir I've ever read. ” —Oprah Winfrey
“ Will Smith isn't holding back in his bravely inspiring new memoir . . . An ultimately heartwarming read, Will provides a humane glimpse of the man behind the actor, producer and musician, as he bares all his insecurities and trauma. ” —USA Today Winner of the NAACP Image Award for Outstanding Literary Achievement
One of the most dynamic and globally recognized entertainment forces of our time opens up fully about his life, in a brave and inspiring book that traces his learning curve to a place where outer success, inner happiness, and human connection are aligned. Along the way, Will tells the story in full of one of the most amazing rides through the worlds of music and film that anyone has ever had. Will Smith ' s transformation from a West Philadelphia kid to one of the biggest rap stars of his era, and then one of the biggest movie stars in Hollywood history, is an epic tale—but it ' s only half the story. Will Smith thought, with good reason, that he had won at life: not only was his own success unparalleled, his whole family was at the pinnacle of the entertainment world. Only they didn't see it that way: they felt more like star performers in his circus, a seven-days-a-week job they hadn't signed up for. It turned out Will Smith's education wasn't nearly over. This memoir is the product of a profound journey of self-knowledge, a reckoning with all that your will can get you and all that it can leave behind. Written with the help of Mark Manson, author of the multi-million-copy bestseller *The Subtle Art of Not Giving a F*ck*, Will is the story of how one person mastered his own emotions, written in a way that can help everyone else do the same. Few of us will know the pressure of performing on the world's biggest stages for the highest of stakes, but we can all understand that the fuel that works for one stage of our journey might have to be changed if we want to make it all the way home. The combination of genuine wisdom of universal value and a life story that is preposterously entertaining, even astonishing, puts Will the book, like its author, in a category by itself.

In this scientifically informed account of the changes occurring in the world over the last century, award-winning broadcaster and natural historian shares a lifetime of wisdom and a hopeful vision for the future. See the world. Then make it better. I am 93. I've had an extraordinary life. It's only now that I appreciate how extraordinary. As a young man, I felt I was out there in the wild, experiencing the untouched natural world - but it was an illusion. The tragedy of our time has been happening all around us, barely noticeable from day to day -- the loss of our planet's wild places, its biodiversity. I have been witness to this decline. *A Life on Our Planet* is my witness statement, and my vision for the future. It is the story of how we came to make this, our greatest mistake -- and how, if we act now, we can yet put it right. We have one final chance to create the perfect home for ourselves and restore the wonderful world we inherited. All we need is the will do so.
