Up To Do Business

Are you constantly chasing customers? Why does it seem like some businesses have their customers begging to purchase their goods or services? Think about it for a moment. When a new iPhone is released, why do customers camp overnight to be the first through the door? In cities with thousands of great restaurants, why do some restaurants require reservations months in advance? Why is it that some consultants, accountants, lawyers and healthcare professionals can charge exponentially more than others? In the modern marketplace, consumer options are virtually endless, intense competition is rife and so much is given away for free online. Often businesses are left

Up To Do Business scrambling to attract enough customers to make a small profit. Yet the opposite is true for a small number of businesses that do things differently—customers chase them. They have buyers who gladly queue up, pay more, and eagerly wait for the chance to hand over their money for the next thing. How do these businesses do it? More importantly, how can you become one of them?

Oversubscribed is the guide to transforming your business into one which customers fight over! Author Daniel Priestley, a successful entrepreneur who has built and sold businesses around the world, shares proven, real-world methods that will not only grab customers' attention, but will also have them lining up to buy

* Our summary is short, simple and pragmatic. It allows you to have the essential ideas of a big book in less than 30 minutes. * As you read this summary, you will discover that the key to the majority of successful businesses has been to be hyper-attractive. With this concept, the author describes a business that has more demand than it can offer. In this book, he describes how to get the attention of consumers in a world where information is swarming and everyone has little time for it.

*You will also learn: how to shape a market to your liking so you don't have to reach out to everyone; how to attract quality customers by becoming an influential person in your industry; how to stand out from the competition to offer a highly profitable product. *Some companies don't need to go to the customer, the customer comes to them, it's a phenomenon called "hyper-attraction". This book explains how to achieve this. It starts by making sure that your offer will genuinely serve people, and by demonstrating that you love what you do. *Buy now the summary of this book for the modest price of a cup of coffee!

This inspiring and practical book shows you how to break free from The Industrial Revolution mindset, quit working so hard, follow your dream—and make a fortune along the way.

In every industry, there are companies that take off. They effortlessly hire talented people, attract loyal customers, create cool products and make lots of money. These companies seem to stand out and scale up quickly with support from investors, partners and the media. Sadly, most companies don't perform this way. Most entrepreneurs aren't building anything of value. They work hard, make sacrifices, struggle, dream, plan and strive, but in the end, it

number one online brand using nothing more than his own limited resources and the right mindset. Self-sufficient and self-taught, Oliver always had an eye for opportunities and pursued them obsessively. His breakthrough came when he combined his passion for health and fitness with his skills as a web developer. By embracing a disruptive, agile approach to business, offering unparalleled choice, and identifying trends ahead of the competition, Oliver was able to grow Myprotein® rapidly into a top international, award-winning brand. In *Bootstrap Your Life*, Oliver doesn't just share his journey but uses simple language to break down every aspect of his thinking, providing a thorough step-by-step

guide on how to think like an entrepreneur. His approach to marketing, innovation, strategy, leadership and other key elements are explained in great detail using memorable analogies that anyone can relate to. Oliver explains how bootstrapping his life catapulted him from an ordinary life in the suburbs of Greater Manchester to being included in the Sunday Times Rich List with a personal net worth of over a third of a billion pounds. His message is clear: bootstrap your life!

recent years that the model has been transformed and perfected through massive changes in technology. The Membership Economy shows how nimble companies that focus on ongoing, formal relationships over one-time transactions are thriving. By renting, lending, or offering access instead of just "ownership," organizations can leapfrog industry leaders. In terms of strategic business models, this is one that allows for breakthrough growth. With great case studies from American Express, LinkedIn, CrossFit, SurveyMonkey, and more, this book will show you how to radically rethink how your organization can build loyalty, viral growth, and recurring revenue.
