Welcome to Keating Hollow, the village full of love, magic, and cupcakes, and where nothing is more important than family. At age eighteen, after a spell tragically backfired, Abby Townsend left Keating Hollow and her magic behind to find redemption. Ten years later, after being summoned by her family, she's back. As soon as she drives into town, she's already plotting her inevitable exit, but she can't quite escape the pull of the tightly knit magical community or the soulful gaze of the one man she's never forgotten. And when an eight-year old witch not only leads her back to her magic, but also steals her heart, Abby's about to learn what it means to embrace the soul of a witch. "Soul of the Witch feels like it maybe got touched by just a little bit of Witch Central's DNA." Debora Geary, bestselling author of A Modern Witch

Book one of the New York Times-bestselling All Souls trilogy—"a wonderfully imaginative grown-up fantasy with all the magic of Harry Potter and Twilight" (People). Look for the hit TV series "A Discovery of Witches," streaming on AMC Plus, Sundance Now and Shudder. Season 2 premieres January 9, 2021! Deborah Harkness's sparkling debut, A Discovery of Witches, has brought her into the spotlight and galvanized fans around the world. In this tale of passion and obsession, Diana Bishop, a young scholar and a descendant of witches, discovers a long-lost and enchanted alchemical manuscript, Ashmole 782, deep in Oxford's Bodleian Library. Its reappearance summons a fantastical underworld, which she navigates with her leading man, vampire geneticist Matthew Clairmont. Harkness has created a universe to rival those of Anne Rice, Diana Gabaldon, and Elizabeth Kostova, and she adds a scholar's depth to this riveting tale of magic and suspense. The story continues in book two, Shadow of Night, and concludes with The Book of Life.

One chance. That's all I'll have. Along with a choice I can't possibly make. In just a few weeks, I've gone from living in a psychiatric hospital, to learning I have magic, to joining a secret society of witches. I've also had to come to terms with both what I am and where I came from. Half demon, half witch, born in the demon real—a magical mutation created for sacrificial purposes. It's so nice knowing that the woman who raised me only did so because she was planning to spill my blood on her sacrificial altar. So, yeah. No wonder I went crazy. Since joining the ranks of the Shadow Order, I've made friends and enemies. I also fell in love with a kind and sexy guy named Kai. Now, that love has been stolen from me by the same monsters that want to steal my magic. With the clock ticking down on what's left of Kai's life, I need to come up with a solution fast. So far, I've got nothing. Meanwhile, werewolves and vampires are turning up dead, seemingly at the hands of witches. Not surprisingly, those other tribes are calling out for blood. Like that's not enough, witches are being exposed and threatened by a new group calling themselves the Hunters. And what do they want, exactly? Just the eradication of our kind entirely. Then there's the deal I make with a Fae goddess, which at first looks like it might provide me with what I need to defeat my enemies. Instead, it leaves me facing an impossible choice. I'll have to either leave Kai to his fate or doom everyone else. Crossroads Witch is a fast-paced, unpredictable new urban fantasy series that readers are calling "amazing," "with strong female leads," and "full of excitement!" If you like snarky kickass heroines, fast-paced action, magic, witchcraft and romance, then grab it today!

The third novel in Serena Valentino's (Fairest of All, Beast Within) "VILLAINS" trilogy, featuring the story of the Little Mermaid from the perspective of the sea witch Ursula

The #1 New York Times-bestselling third installment of the All Souls series, and the basis for the final season of "A Discovery of Witches," coming soon to AMC+, Sundance Now, and Shudder. In The Book of Life Diana and Matthew time-travel back from Elizabethan London to make a dramatic return to the present—facing new crises and old enemies. At Matthew's ancestral home, Sept-Tours, they reunite with the beloved cast of characters from A Discovery of Witches—with one significant exception. But the real threat to their future has yet to be revealed, and when it is, the search for Ashmole 782 and its missing pages takes on even more urgency. In the third volume of the All Souls series, Harkness deepens her themes of power and passion, family and caring, past deeds and their present consequences. In palatial homes and university laboratories, using ancient knowledge and modern science, from the hills of the Auvergne to Venice and beyond, the couple at last learn what the witches discovered so many centuries ago.

In the far Eastern corner near the state line of Colorado, tucked away in the rolling mountains of the Rockies, is a hidden formation that no human or hovering satellite has ever seen, Mt. Tarias. Rising in stages from the valley up the slope, into the high cliffs, and all the way to the Peak is the city of Tarias, home of the Witches. Swept from his turbulent life, Noah Ellis is forced into a world of magik. With his newfound powers rapidly developing, he must quickly learn to control his abilities before he hurts himself or the ones he loves. Young Mr. Ellis has had his fair share of tragedy and hardship but the Witch world is foreign to him, requiring he adapt quickly and subsequently face his own inner demons. Being the sole survivor of a notorious witch coven who dealt in forbidden magic isn't as fun as it sounds. I might have stopped an evil spirit from taking over my body, but now another rogue necromancer is on the loose, harnessing power by sacrificing innocent humans. Even with the help of the necromancer guild and my friends, it quickly becomes clear that the enemy is too elusive to find with the guild's usual methods. When a spirit line turns off, the situation turns lethal. The killer has set his sights on both me and the dark spirit who shares my body, and the only way to catch him is to tap into my forbidden Hemlock magic again. But if the wrong person finds out the spirit exists, I'll face instant execution—assuming the killer doesn't get there first...

Welcome to Keating Hollow, the enchanted village where love, cupcakes, and magic collide. There are only three things that were ever important to Noel Townsend—love, family, and magic. Two out of three aren't bad. She's blessed with a large close-knit family and her magic has never been stronger. But love? That ended three years ago when her husband walked out on her and her daughter and never looked back. These days Noel only has room in her pieced-together heart for her six-year old daughter. But when Drew Baker shows up on the doorstep of her inn with news of her husband, fate has other plans. And so does Drew. If he can get past her defenses, Drew is going to do everything in his power to heal the heart of a witch.

Details of the sea witch's banishment have been exaggerated. The body count that preempted it was not. Once an illustrious princess, her hands and tentacles were stained with the blood of thousands. No one could comprehend how the hooks of madness dragged her down from her life of privilege. Born Princess Vanessa of Atlantica, the ambitious young royal was one of two children born to the great King Poseidon. She and her brother, Triton, were groomed from birth to rule. Yet only one would ascend that coveted throne. While carefree Triton flits through his training with a cavalier demeanor and beguiling charm, Vanessa's hunger for her father's acceptance drives her to push herself to the limits of magic, and combat to become a leader worthy of her people. When war against the humans ravages their once regal kingdom, political sides are chosen. Factions from the seven seas challenge the existing leadership, pitting Vanessa against her brother in a vicious battle for the crown. Traitors are exposed, dark family secrets revealed, and a once strong sibling bond is strained to its breaking point. Only when the ink black waters from the ultimate betrayal rescind, will the truth be known of how the villainous sea witch rose with one name on her vengeful lips—Triton.
