Signs of Life is his story of a world of challenges, from Tajik camel spiders to camping on a frozen lake in Mongolia, from coaxing another few miles out of “Ol’ Patchy” (his faithful inner tube), to fascinating interactions with the people of seventy-five countries. As he

“I know. I know. No one says it but I know...” —from Signs of Life Twenty-four-year-old Natalie Taylor was leading a charmed life. At the age of twenty four, she had a fulfilling job as a high school English teacher, a wonderful husband, a new house and a baby on the way. Then,
