Combining clear advice on the writing process and countless model documents from real workplace settings, *Writing That Works* sets the standard for professional writing books today. More than ever, this eleventh edition reflects the role of technology in the office and the classroom, addressing the most current types of business documents online and in print, providing informative guidelines on selecting the appropriate medium for your document, communication, or presentation, and offering new advice on landing and keeping a job in today's economy. An integrated student site works with the text to offer additional resources and models reflecting the authors' trademark clarity.

More than ever, *Writing That Works* is the right choice for the most up-to-date coverage of business writing. Real-world model documents are grounded in their rhetorical contexts to guide students in navigating the increasingly complex world of business writing. Now in full-color, the thirteenth edition continues to reflect the central role of technology in the office and the classroom, showcasing the most current types of business documents online and in print, providing succinct guidelines on selecting the appropriate medium for your document, communication, or

presentation, and featuring new advice on creating a personal brand as part of a successful job search. Also available as an e-book and in loose-leaf, *Writing that Works* offers robust but accessible coverage at an affordable price.

The classic guide that helps you communicate your thoughts clearly, concisely, and effectively. Essential for every professional, from entry level to the executive suite, *Writing that Works* includes advice on all aspects of written communication—including business memos, letters, reports, speeches and resumes, and e-mail—and offers insights into political correctness and tips for using non-biased language that won't compromise your message. Concise and easy-to-use, *Writing that Works* features an accessible, at-a-glance style, full of bulleted "tips" and specific examples of good vs. bad writing. With dozens of samples and useful tips for composition, *Writing That Works* will show you how to improve anything you write: E-mails, memos and letters that get read—and get action Proposals, recommendations, and presentations that sell ideas Plans and reports that get things done Fund-raising and sales letters that produce results Resumes and letters that lead to interviews Speeches that make a point And much more.

"Communication Works presents communication principles, interpersonal communication, and public

speaking in an engaging and highly interactive manner. Its use of questions in the narrative, margins, boxes, and captions supports instructors who prefer to lead a discussion-oriented course. Recognizing the challenges that our world presents for communication students of the 21st century, the new edition includes enhanced coverage of ethical, cultural, and technological issues while maintaining its focus on skill-building. Communication Works is a fully integrated, multimedia teaching and learning system." - product description.

A Short Guide to Writing about Art offers invaluable advice for any art course where students write papers. It addresses a wealth of fundamental matters: description versus analysis some critical approaches to art (e.g., formal analysis, cultural materialism, gender studies) getting ideas for an essay engaging in peer review developing paragraphs organizing a comparison using bibliographic tools, including the Internet quoting sources writing captions for illustrations avoiding sexist and Eurocentric language editing the final draft documenting sources, using either The Chicago Manual of Style or The Art Bulletin style preparing for essay examinations Among the new features of the sixth edition are new guidelines for using the World Wide Web and the Internet for art-historical research, five new checklist (e.g., a checklist for evaluating Web Sites), ten new illustrations, and the style guide published by The Art Bulletin. Several sample essays are also included, accompanied by analyses that show readers the particular strengths of effective writing.

Rereading America has remained the most widely adopted book of its kind because of its unique approach to the issue of cultural diversity. Unlike other multicultural composition readers that settle for representing the plurality of American voices and cultures, Rereading America encourages students to grapple with the real differences in perspectives that arise in our complex society. With extensive editorial apparatus that puts readings from the mainstream into conversation with readings from the margins, Rereading America provokes students to explore the foundations and contradictions of our dominant cultural myths.
