For managers and small business owners, this book is a practical guide to preparing and presenting performance reviews. It discusses the primary types of appraisals, how you can make sure your program is within the law, and provides useful information on how to approach touchy subjects. Small business owners will find instructions on how to set up a program, what training resources are available, and where to find the latest information on state and federal laws.

No matter what type of business or even nonprofit organization you are managing, a written performance appraisal is good management. Employee reviews can serve as a platform for employees to bring forth questions and concerns. This can help increase employee dedication, creativity, and job satisfaction. Reviews allow you to evaluate employees for increased responsibilities and future promotions. You will have written records of your employees performance, get more productivity, and clearly set compensation. Employee appraisals are critical to your organization, but are time-consuming to write. This new book and companion CD-ROM is your solution. You will produce professional-quality performance reviews in minutes. The book provides over 199 pre-written employee phrases you can insert into a blank employee appraisal form. The evaluations are professional, constructive, and direct. See the accompanying CD-ROM for 25 different categories to evaluate your employee in. Each category includes at least 8 different phrases you can choose from to describe your employees performance in that category. Pick and choose which categories you would like to include in your employees performance appraisal and how you want to describe your employees performance in that category and then just insert them all into the prepared appraisal form. The companion CD-ROM is included with the print version of this book; however is not available for download with the electronic version. It may be obtained separately by contacting Atlantic Publishing Group at sales@atlantic-pub.com Atlantic Publishing is a small, independent publishing company based in Ocala, Florida. Founded over twenty years ago in the company president s garage, Atlantic Publishing has grown to become a renowned resource for non-fiction books. Today, over 450 titles are in print covering subjects such as small business, healthy living, management, finance, careers, and real estate. Atlantic Publishing prides itself on producing award winning, high-quality manuals that give readers up-to-date, pertinent information, real-world examples, and case studies with expert advice. Every book has resources, contact information, and web sites of the products or companies discussed. "This Atlantic Publishing eBook was professionally written, edited, fact checked, proofed and designed. The print version of this book is 288 pages and you receive exactly the same content. Over the years our books have won dozens of book awards for content, cover design and interior design including the prestigious Benjamin Franklin award for excellence in publishing. We are proud of the high quality of our books and hope you will enjoy this eBook version."

A company's ability to grow and stay on top of customer demand has always depended heavily on the quality of its people. Now, more than ever, businesses recognize that finding (and keeping!) a highly skilled and motivated workforce is pivotal to success. Maybe you're a business owner and your company is growing, or you're an employee at a small to midsize company and management has asked you to take on some—or all—of their HR functions. Either way, knowing how to set up and implement successful HR practices (not to mention navigating the legal minefields in today's increasingly regulated environment) can be tricky. Human Resources Kit for Dummies, Second Edition, is your one-stop resource for learning the nuts and bolts of HR. It gives you the actual tools—forms, templates, and so on—that you can put to immediate and productive use. Inside, you'll easily discover how to: Find, hire, and keep top talent Create an effective compensation structure Ensure you're developing the right benefits package Encourage extraordinary performance Establish an employee-friendly environment And much more This Second Edition also contains new information on anti-discrimination legislation, measuring employee performance, firing or laying off employees, and the latest training and development plans. The CD-ROM includes updated forms and contracts—from job application forms and sample employee policies to performance appraisals and benefits worksheets. With the tools and helpful information in this book, you'll experience first-hand how a successful HR administration reaps untold rewards. Note: CD-ROM/DVD and other supplementary materials are not included as part of eBook file.

Armstrong's Handbook of Performance Management addresses all areas of performance management, from performance pay and giving feedback to managing underperformers and having difficult conversations, so organizations can optimize staff performance. This fully updated and restructured 6th edition analyzes traditional as well as the latest developments in performance management including the shift from ratings and annual reviews. Veteran HR expert Michael Armstrong examines where these new approaches should be embraced and where traditional methods of performance management may be preferable. Packed with examples, exercises, checklists and new case studies from organizations such as Microsoft, IBM and Expedia, this book remains the most authoritative and engaging textbook on performance management. Supporting online resources for Armstrong's Handbook of Performance Management include an instructor's manual, a student's manual, lecture slides, a glossary of terms and a literature review.

The Complete Guide to Performance Appraisal supplies you with the quickest, surest, and most up-to-date methods available for making your appraisal system outstanding. Whether you want to get the maximum impact from your existing system, or you want to create and implement an ideal system from scratch, The Complete Guide to Performance Appraisal is your one-stop, how-to-do-it resource. Unlike many "systems" books, this guide is notable for its personal, forthright writing style. Author Dick Grote has worked with performance appraisal techniques for more than 25 years, and he tells you frankly which methods have been successful and which have flopped. This comprehensive book will help you set job objectives and measure the truly important aspects of an individual's performance; prepare managers for the rigors of the appraisal interview, with scripts and proven interviewing techniques; create forms and procedures that satisfy your organization's needs - and comply with legal requirements; gain support for your system throughout the organization; set up a training program for both appraisers and appraisees - a critical step for long-term success; increase employee skills and capabilities using Dick Grote's original "Individual Management Development" procedure; explore the relationship between performance appraisal and compensation; and understand new and emerging trends such as team appraisal, [actual symbol not reproducible] feedback, and computer-generated appraisals.

Most managers hate conducting performance appraisal discussions. What's worse, few feel confident in their ability to accurately assess the performance of a subordinate. In The Performance Appraisal Question and Answer Book, expert Dick Grote answers over 100 of the most common -- and most difficult -- questions about this vitally important but often misunderstood and misused tool, including:* How should I react when an employee starts crying during the appraisal discussion . . . or gets mad at me?* Which is more important -- the results the person achieved or the way she went about doing the.

This 2-volume work includes approximately 1,200 entries in A-Z order, critically reviewing the literature on specific topics from abortion to world systems theory. In addition, nine major entries cover each of the major disciplines (political economy; management and business; human geography; politics; sociology; law; psychology; organizational behavior) and the history and development of the social sciences in a broader sense.

Few business functions are more important than putting people where they can do the most good. Get it right, and the business soars. Get it wrong, and the business pays dearly in reduced sales, profits, and productivity. Staffing the Contemporary Organization provides a comprehensive treatment of staffing procedures, policies, techniques, and problems. It includes a number of human resources topics not usually covered in one volume—HR planning, legal aspects of staffing, recruiting, selecting, performance appraisal, career development, and many others—in an integrated system. The method presented is a proven, useful tool that managers and HR people can employ to build stronger, more resilient organizations. This thoroughly revised edition provides a comprehensive treatment of staffing procedures, policies, techniques, and problems. It covers areas newly developed since the last edition, like recruiting via the Internet and new court decisions that clarify the scope and application of antidiscrimination laws in the workplace. Among other topics, it covers the following areas in detail: -Employment law -Job analysis -Recruiting and interviewing -Selecting and selection tests -Appraisals and employee development -Administration: Handling promotions, demotions, layoffs, terminations, etc. -Career planning -Measuring the effectiveness of the HR function. Staffing, the authors contend, must encompass the entire range of activities associated with planning for, obtaining, utilizing, and developing human resources. Suitable for business students as well as professionals, this is the first book to present a systems view of the staffing function—a view necessary to maximize the contribution of any company's most important asset: its people.
