For courses in Personal Finance. A Hands-On Approach to Financial Planning The main feature of Personal Finance is its hands-on approach keyed to the concepts readers need to build their own financial plans. The text 's seven parts are all pieces of a financial plan; Chapter 21 is the capstone. A running example throughout the book and a variety of end-of-chapter cases reinforce the practical aspects of planning. The Sixth Edition is fully updated with recent financial trends, such as lower interest rates, changing salaries, and rules for credit card use. With case studies and workable examples throughout, this book is an active tool readers can use to become comfortable managing their finances into the future. Also Available with MyFinanceLab™ MyFinanceLab is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts.
