The Persuasion-gifted god was never soft. He was snarly, competitive, confusing, and he probably tortured soft things like me as a fun morning activity. Not that I was soft. I had it on really good authority that I was pretty damn resilient.

Persuasion (Curse of the Gods Book 2), page 2 show page numbers ? Food was placed in front of everyone, and mine seemed to hit with an extra clank of attitude. I almost lifted my tired head to glare at whomever splashed my creamy spud dish off the side of the plate, but it was just too much effort.

Persuasion (Curse of the Gods, #2) by Jaymin Eve. Willa Knight: Dweller? Bad-ass? Notorious pet to five magical beings? In Blesswood, there are rules, and someone is trying to teach her how to follow them. The only problem is Willa. Which shouldn't be anything new, since she has been a problem since birth-something her pseudo-sister Emmy ...

Seduction: Book #3 in the Curse of the Gods series Also By Jane Washington The Curse of the Gods Series Book One: Trickery Book Two: Persuasion Book Three: Seduction (2017) The Seraph Black Series Book One: Charcoal Tears Book Two: Watercolour Smile Book Three: Lead Heart Book Four: A Portrait of Pain The Beatrice Harrow Series Book One: Hereditary

Willa Knight: Dweller. Slave. Non-magical being. In Minatsol, being a dweller means that you are literally no better than dirt. In fact, dirt might actually be more useful than Willa. Her life will be one of servitude to the sols, the magic-blessed beings who could one day be chosen to become gods. At least her outer village is far removed from the cities of the sols, and she won't ever be forced to present herself to them... Until one small mistake changes everything, and Willa is awarded a position to serve at Blesswood, the top sol academy in the world-a position that she definitely did not earn. Under the sudden, watchful eye of the gods, she will be tasked to serve the Abcurse brothers, five sols built of arrogance, perfection and power. They are almost gods themselves, and under their service she is either going to end up sentenced to death, or else they are going to ruin her so badly that she will wish for it. Either way, she is in trouble. This is a full novel, 90,000 words. Book 1 of 5 in the Curse of the Gods Series

Willa Knight: The saviour of both worlds, or the destruction of everything? Sometimes history lies, and the tales of Minatsol and Topia are no different. Since the birth of Topia, Staviti has woven a web of deceit around the truth of Creation, striving only to maintain his power while destroying anything that gets in his way. Now, Willa and the Abcurses are determined to strip back the layers, to uncover the truth, and to understand the true nature of the two worlds before it's too late. The only problem? Any wrong step in their quest to restore balance might have terrible repercussions. Every single being-living or dead-might have to pay the price. This is a full novel, 90,000 words. Book 5 of 5 in the Curse of the Gods Series.

Willa Knight: Dweller? Sol? Accidental evolutionary hiccup? Willa has never been a particularly useful dweller: she isn't very good at chores, she isn't very good at worshipping, she isn't very good at not having opinions, and she isn't very good with rules-but none of that matters anymore. The rules are changing. The dwellers are trying to make their own way in the world, and Willa can't seem to help getting tangled up in their plans. Luckily, she has the Abcurse brothers to help her out-until she doesn't, and suddenly she's alone again in a world on the brink of chaos. With the Abcurses gone, she'll have to rely on her wits, and her sister Emmy, to stay under the radar and survive. Because someone wants her dead. But, really, what else is new? This is a full novel, 90,000 words. Book 3 of 5 in the Curse of the Gods Series

Willa Knight: Dead? Alive? Damned to a state of eternal bad luck? Willa and the Abcurse brothers are back, and more determined than ever to stick by each other. Unfortunately, Staviti has other plans, plans that threaten to change the natural order of the worlds-though nobody really understands why. His agenda may very well affect all beings on Minatsol, even those that thought themselves safe in Topia. Even Willa-invincible-Knight. Unsure with her new place in the worlds, Willa must follow the Abcurses to their new post: Champions Peak, a secluded mountain far from civilization, where the most powerful sols have been summoned to hone their abilities through direct contact with the gods. There is a chance that she might survive her time on the mountain, but it seems like staying alive amidst the powerful occupants of the Peak is the least of her concerns. Her real problem is staying on the mountain at all. This is a full novel, 90,000 words. Book 4 of 5 in the Curse of the Gods Series

This is an original collection of essays that contribute to a developing appreciation of persuasion across ancient genres (mainly oratory, historiography, poetry) and a wide diversity of interdisciplinary topics (performance, language, style, emotions, gender, argumentation and narrative, politics).

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

Jane Austen's last novel, as sweet as its heroine - a classic

A reverse harem, enemies to lovers, slow burn romance. "The relentless clock of fate was groaning over to the next hour, ringing the arrival of a battle as old as time, sounding the final alarm, the final chance to fall to our blades or lift them high. It was repeating infernal hours that grew hungrier with each turn, more vicious than the day, the year, the century before." The end was here. The great war had begun. I had been torn apart and remade, a marionette to dance over the coals of this world, stitched together by my tormentors. The great masters thought they could break me down and own me. They were wrong. I had won my freedom, my place in this world, my golden-eyed protector by my side. Until it happened again; the grim call of fate looking out at me through eyes of darkness, the great masters waiting with the power I needed, curses and promises in their hands. It was time to make another deal. It was time to play their game in earnest. Book 2 in the Tempest of Shadows series. Over 105,000 words. This is a slow burn with DARK themes, unwilling anti-heroes, and one hell of a kick-ass heroine woven through a rich fantasy setting.
