To support the broadening spectrum of project delivery approaches, PMI is offering A Guide to the Project Management Body of Knowledge (PMBOK® Guide) – Sixth Edition as a bundle with its latest, the Agile Practice Guide. The PMBOK® Guide – Sixth Edition now contains detailed information about agile; while the Agile Practice Guide, created in partnership with Agile Alliance®, serves as a bridge to connect waterfall and agile. Together they are a powerful tool for project managers. The PMBOK® Guide – Sixth Edition – PMI's flagship publication has been updated to reflect the latest good practices in project management. New to the Sixth Edition, each knowledge area will contain a section entitled Approaches for Agile, Iterative and Adaptive Environments, describing how these practices integrate in project settings. It will also contain more emphasis on strategic and business knowledge—including discussion of project management business documents—and information on the PMI Talent Triangle™ and the essential skills for success in today's market. Agile Practice Guide has been developed as a resource to understand, evaluate, and use agile and hybrid agile approaches. This practice guide provides guidance on when, where, and how to apply agile approaches and provides practical tools for practitioners and organizations wanting to increase agility. This practice guide is aligned with other PMI standards, including A Guide to the Project Management Body of Knowledge (PMBOK® Guide) – Sixth Edition, and was developed as the result of collaboration between the Project Management Institute and the Agile Alliance.

PROJECT MANAGERS: Are you ready to increase your marketability, network with other project managers, and improve your abilities to lead a project? Become a certified PMP with my efficient, easy-to-follow study guide book, PMBOK ® Guide and PMP ® Exam Prep Book 2018-2019: Study Guide on the Project Management Body of Knowledge with Practice Test Questions for the Project Management Professional Exam by Robert P. Nathan! As any project manager will tell you, time is the most valuable commodity in a project. Updated in line with the PMBOK Sixth Edition, my PMBOK Guide and PMP Exam Prep Book 2018-2019 is designed to make the most of the time you spend preparing for the exam. Rather than being hundreds of pages too long, the following chapters have gone through multiple stages of revision to include only those things that you need to know. The chapters have been designed to be readable, as well as to be easy to scan if you are flipping through. The structure of my book is based on project management's five major process groups: Chapter One: Initiation Chapter Two: Planning Chapter Three: Executing Chapter Four: Monitoring and Controlling Chapter Five: Closing Every chapter covers vital information on project management's ten knowledge areas: communication management, cost management, human resources management, integration management, procurement management, quality management, risk management, scope management, stakeholder management, and time management. Inputs, tools, techniques, and outputs (ITTOs) are organically written into the main text to show how they all fit together. The exam will test your understanding of best practices not memorization of lists. Included with every copy of my study guide is: Ten practice exam questions at the end of each chapter with answers and explanations A full two-hundred question practice exam with answers and explanations A full glossary of all tested terms Access to a FREE app with online flashcards of all tested terms Please note that PMBOK® is a registered trademark of PMI. PMI does not sponsor or endorse this book.

What will you learn from this book? Head First PMP teaches you the latest principles and certification objectives in The PMBOK® Guide in a unique and inspiring way.
