We may all speak the same language, but getting to grips with grammar is the ultimate challenge. You could be puzzled by prepositions, confused by comparatives, or muddled over modals. Thankfully, this complete visual aid to everything in the English language sets you straight with a clear and

concise format for easy understanding. The rules of English grammar are beautifully presented with eye-catching illustrations, step-by-step graphics, and straightforward explanations to help you learn. Suitable for English language learners at all levels, including experienced English speakers looking for a recap of key language points, English for Everyone: English Grammar Guide covers basic, intermediate, and advanced grammar. There is no stone left unturned when it comes to the English language. All kinds of problems are solved, including tenses, verbs, adverbs, clauses, superlatives, and questions. You are encouraged to spot patterns and sequences in language to see the similarities and develop greater understanding. After an intensive review, test yourself with a range of speaking, reading, and writing exercises to see how far you have come. This essential grammar e-guide is part of DK's English for Everyone series, an exciting and educational self-study course to build up confidence and fluency. Whether you want to improve your grammar for school, study, exams (including TOEFL and IELTS), work, or travel, this is the perfect reading companion. Series Overview: English for Everyone series teaches all levels of English, from beginner to advanced, to speakers of English as a second language. Innovative visual learning methods introduce key language skills, grammar, and vocabulary, which are reinforced with a variety of speaking, reading, and writing exercises to make the English language easier to understand and learn. Visit [www.dkefe.com](http://www.dkefe.com) to find out more.

The Medical English Grammar Guide serves as an introduction to the language of Medical English with emphasis on grammar. It uses real-world examples that can be used in your working life. The book is aimed at doctors, nurses, dentists, therapists and medical students who are learning English as a Second Language.

CO-PUBLISHED BY ROUTLEDGE AND THE NATIONAL COUNCIL OF TEACHERS OF ENGLISH Grammar to Get Things Done offers a fresh lens on grammar and grammar instruction, designed for middle and secondary pre-service and in-service English teachers. It shows how form, function, and use can help teachers move away from decontextualized grammar instruction (such as worksheets and exercises emphasizing rule-following and memorizing conventional definitions) and begin considering grammar in applied contexts of everyday use. Modules (organized by units) succinctly explain common grammatical concepts. These modules help English teachers gain confidence in their own understanding while positioning grammar instruction as an opportunity to discuss, analyze, and produce language for real purposes in the world. An important feature of the text is attention to both the history of and current attitudes about grammar through a sociocultural lens, with ideas for teachers to bring discussions of language-as-power into their own classrooms.

A quick reference for people with grammar questions and an excellent primer for anyone learning the basics, Essentials of English Grammar features a glossary of grammar terms and updated coverage of stylistic conventions.

A comprehensive guide to the grammatical forms, rules and usage patterns of all 12 aspects of the English language, The English Tenses: Practical Grammar Guide is ideal as either an accompaniment to core texts or as a full self-study guide. For English learners of an intermediate level and above, this book introduces the reader to flexible uses of the English tenses, with simple, easy-to-follow explanations and colourful examples. This guide explains the theory behind the grammar of the different aspects of English, as well as the many ways native English speakers adapt the rules. It covers simple, continuous, perfect and perfect continuous forms in the past, present and future, explaining their uses for showing time, emphasis and other purposes. Also covered are the specific applications of bare infinitives, participles and time clauses. Phil Williams, tutor and author of the website "English Lessons Brighton," takes the reader from the past, to present to future, in a friendly, readable style - carefully comparing the tenses along the way. The book offers valuable advice to guide students towards more natural, and fluent, use of advanced English language. It highlights confusing areas in grammar, and compares individual tenses directly, to show how the rules are applied and can sometimes change.
