Scott Bartlett - Book Series In Order

This set includes the three books in the Ixan Legacy series (Capital Starship, Pride of the Fleet, and Dogs of War). The books in this series should not be read as standalones and this set makes it easy to read them all in order. There is violence and torture. Captain Husher has never been Politically Correct and he still isn't in this book.

? The complete military space opera series from bestselling author Scott Bartlett. Last time, the aliens smashed the galaxy. Humanity held on by the fingernails. In the decades since, we've put worlds back together. We've licked our wounds.

The Galaxy's Never Had It Darker Armed with new tech that could revolutionize space combat, Captain Husher must now try to convince the Interstellar Union to implement it in time to defend against the godlike Progenitors.

Captain Keyes captains the Providence, the last human ship not dependent on dark tech, which humanity has used to rule the galaxy for decades. When dark tech fails, allies become enemies. Meanwhile, humanity's oldest enemy is on the rise. The future now depends on Captain Keyes and his misfit crew.

The Galaxy's Doomed Without Him The Ixa smashed the galaxy to bits before they were defeated. Captain Husher has sounded the alarm in the decades since: the Ixa's creators will return to finish the job. But unlike Husher, the galactic government didn't battle the Ixa, and the politicians have convinced themselves that maintaining peace means limiting the ability to wage war. Now, the enemy has returned, with high-tech weapons that prove they haven't limited their own combat capabilities in the slightest. If Captain Husher and his beleaguered supercarrier crew can't manage to stop the invaders, they will happily devour the galaxy whole. Fans of Daniel Arenson and Jay Allan will love Capital Starship, a new military science fiction series set in the Ixan Prophecies universe.
