Are you looking for the perfect guide to teach your child to crochet? Look no further! Creative Kids Complete Photo Guide to Crochet starts with the absolute basics about stitching, beginning with a discussion about hooks and yarn and how to make simple chains, then gradually introduces skills and techniques until kids are crocheting confidently. Veteran crochet author Deborah Burger, author of Crochet 101 and How to Make 100 Crochet Appliqués, will guide you and your children through projects. With over 200 photos and clear, concise instructions in language easily understood by grade-school kids, you're going to be creating crafty crochet projects with your child in no time! Each project lists the crocheting skills that will be exercised in making it and projects are rated for difficulty, so kids can learn and grow as they develop dexterity and coordination. Your children will learn to crochet by making simple projects and building skills by practicing the essentials, and this book provides a sound foundation for a lifetime of crocheting enjoyment.

This guide provides an overview of various knitting and crocheting methods and techniques.

A series of easy-to-follow tutorials teaches anyone how to crochet in just a few days, in a colorful handbook that features an introduction section on tools and materials, lessons on crochet skills and patterns, and more than thirty stylish projects that range from cool belts and scarves, to felted bags, sweaters, and wraps. Original.
